First Awakenings The Early Poems Of Laura Riding:

First Awakenings Laura (Riding) Jackson, 1992 Rediscovering these poems of her youth Laura Riding Jackson saw in them a precise anticipation of an envisaged whole of poetry Readers will find here the same confident authorial presence that permeates the self determining canon of her poetic work which she identified as her Collected Poems of 1938 reprinted in 1980 by Persea as *The Poems of Laura Riding* many of the themes developed in her later work and a characteristic freshness of vision and scrupulosity of word use These poems are experiments in what poetry can do They are early stepping stones on the path that led Laura Riding Jackson ultimately to a realization of what poetry cannot do Those familiar with the poetry of Laura Riding will read *First Awakenings* with the delight of enlarged recognition and those approaching it as an introduction to her work will find direction for the mind's journey **BOOK JACKET**

The Unthroned Oracle Jack Blackmore, 2016-11-01 Laura Riding was a major poet whose poems though widely

admired and influential have been little understood Throughout the 1920s and 1930s she was a devout advocate of poetry believing that to go to poetry is the most ambitious act of the mind Her subsequent renunciation of poetry in the 1940s gave rise to bemusement Jack Blackmore tackles the causes of the neglect of Riding's poetry and establishes new and productive approaches to the poems His close readings of fifteen poems demonstrate the progress of Collected Poems and the remarkable range and scope of her poetry He establishes both the strength and unity of the poems and the continuity between them and her post poetic work in particular her spiritual testament The Telling Mark Jacobs's vivid memoir of a visit to the author in later life at her Florida home complements the work on the poems These essays are interesting and you have done well You seem to me fair and just in what you say about her work Robert Nye This is ambitious work full of insights
