entertainment news and opinion pieces related to same sex relations published in the tabloid press He sheds new light on several puzzles such as the process whereby sex between men became increasingly stigmatized in China between the 1910s and 1940s and shows that the rich vocabulary and concepts that existed for male male relations in premodern China continued to be used by journalists and writers throughout the Republican era creating the conditions for receiving Western sexology The Canada Year Book ,1922 Congressional Record United States. Department of Industrial Relations and Technology,1913 **The Jewelers' Circular** ,1921 The North American Grouse: Their Biology and Behavior Paul Johnsgard,2016 The ten currently recognized species of grouse in North America have played an important role in America s history from the famous but ill fated heath hen a primary source of meat for the earliest New England immigrants to the ruffed grouse currently one of the most abundant and soughtafter upland game birds in more than 40 states and provinces This book summarizes the ecology reproductive biology and social behavior of all ten of the extant North American grouse species It also describes the current status of grouse populations some of which are perilously close to extinction The social behavior of grouse is of special biological interest because among these ten species there is a complete mating system spectrum from seasonally monogamous pair bonding to highly promiscuous mating patterns The latter group illustrates the strong structural and behavioral effects of sexual selection resulting from nonmonogamous mating These influences reach a peak in the development by some grouse species of engaging in mating leks arena like competitions performed by males while attempting to attract fertile females and also provide opportunities for females to select optimum mating partners These sexual competitions also promote strong differences evolving in sexual signaling behaviors displays among closely related species Nevertheless a relatively high incidence of mating errors and resulting hybridization often occurs in spite of these marked behavioral differences In addition to a text of 101 000 words the book includes 16 range maps 37 line drawings and 38 photographs by the author as well as nearly 1 400 literature citations *Handbooks on British Colonies* Great Britain. Emigrants' Information Office,1908 **Titanic: Ship of Lost Illusions** Kevin Brown,2025-05-30 A fresh exploration of the Titanic disaster reveals how class gender and racial prejudices shaped contemporary responses When it set sail on its ill fated maiden voyage RMS Titanic was a marvel of modern technology and the latest in luxury providing a gilded setting and false sense of security for its passengers to act out their imagined ideal lives in a reflection of pre First World War society When disaster struck in the form of an iceberg four days into its maiden voyage that society was frozen in a moment of time revealing class gender and racial discrimination that pervaded

contemporary social attitudes Kevin Brown takes a fresh approach in exploring the social attitudes to class manliness heroism and cowardice social redemption the proper role of women and the social religious and racial prejudices revealed by the sinking He re evaluates the code of women and children first revealing how attitudes glorifying manliness influenced the behaviour of passengers and crew during the sinking as well as suggesting a narrative of chivalry and self sacrifice to create heroes from the victims and brand the surviving men as cowards an interpretation that is challenged here Eyewitness accounts evoke the horror of the night and reveal the underlying ideas of the day They also show that women played a less passive role than expected of them The responses to the sinking by politicians across the spectrum the labour movement and suffragettes suffragists and anti suffragists is explored to show more critical contemporary responses to the disaster that challenge the heroic narrative It was a world that was never so confident in modernity after the disaster but yet still held on to illusions of chivalry
