First Corinthians Christianity In A Hostile Culture Twentyfirst Century Biblical Commentary:

Zondervan King James Version Commentary Edward E. Hindson, 2010 Furnishing information no one volume commentary can provide without the clutter or expense of a multi volume set this two volume commentary expands on the critically acclaimed study notes of the Zondervan KJV Study Bible Verse by verse expositions unlock the meaning of the King James Bible

The Book of First Corinthians Daniel R. Mitchell, 2004 The moral depravity evident throughout Corinth most vividly reflected the spiritual need of that city The debauchery of the city was so well known in ancient times that to act the Corinthian became synonymous with committing fornication It was within the context of such ungodliness that Paul challenged the believers at Corinth to live as saints

Absent from the Body, Present with the Lord Thomas J. Gentry II, 2019-04-29 What happens when Christians die Some conclude that purgatory a place of final purging and purification is what awaits most believers after death in order to prepare for them to eventually fully enjoy God in heaven But is purgatory what the Bible teaches What are the theological implications of purgatory Is purgatory as some claim a rational conclusion based on human freedom and moral transformation In this introductory consideration to the topic of what Christians experience after death it will be argued that there are clear biblical theological and rational reasons to reject any teaching of purgatory Rather than anticipating a time of future purgation the joyful expectation of every Christian is that at the moment of death to be absent from the body is to be present with the Lord

The Meaning of Singleness Danielle Treweek, 2023-05-09 Drawing upon ancient and contemporary theologians Dani Treweek offers biblical historical cultural and theological reflections to retrieve a theology of singleness for the church today Far from being a burden she shows that singleness presents the church with a foretaste of the eschatological reality that awaits all of God's people

Sacred Space for the Missional Church William R. McAlpine, 2011-02-14 Sacred Space for the Missional Church examines the strong link between the theology and mission of the Church and the spaces in which and from which that theology and mission are lived out The author demonstrates that the built environment is not incidental or even subservient to mission Rather it is a key player in the fulfillment and the communication of that mission The book begins with a working definition of the missional church underscoring the connection between God's mission *missio Dei* and the Church's mission The reader is presented with historical and theological frameworks for sacred space and reminded of the pivotal role of the built environment in the fulfillment of the mission of the Church The design and construction of sacred spaces are shown to be fundamentally a theological exercise and not solely a matter of function pragmatics and fiscal astuteness The author questions the uncritical application of blanket statements such as form must follow function and challenges the conviction that it does not matter where worship occurs only that it occurs The book addresses genuine concerns such as legitimizing the cost of church buildings and concludes with practical suggestions and essential questions that must be considered in posturing the built environment within the missional praxis of the Church

Rhetorical Interaction in 1 Corinthians 8 and 10 Yeo, 2021-09-06 Rhetorical Interaction in 1 Corinthians 8 and 10 is a formal analysis of Paul's rhetorical interaction with the Corinthians over the issues of participation in the cultic meal 1 Cor 10 1 22 and the eating of idol food 1 Cor 8 1 13 10 23 11 1 The thesis is that Paul's theology and rhetoric are predicated on knowledge and love Major portions of the book employ rhetorical sociological archaeological and historical critical approaches to examine the triangular interaction between Paul the

Corinthians and the biblical texts paying particular attention to the complex configuration of the Corinthian congregation including the influence of proto Gnosticism as well as the ways Paul responded to the shifting situation and different issues The two chapters on rhetorical hermeneutical theory and criticism are especially creative as the author suggests a Chinese hermeneutic for cross cultural dialogues the issue of ancestor worship being a specific example *The Message of 1 Corinthians* David Prior,2020-11-24 When the apostle Paul heard about the problems facing the church in Corinth he wrote them an intense and pointed letter In this revised BST volume David Prior shows the relevance of 1 Corinthians for our times with clear exposition of each passage information about the letter s historical background and key principles and applications for today **The NIV Standard Lesson Commentary** ,2005 This contemporary user friendly guide offers a fresh approach to the International Uniform Lesson Series and contains 52 six page easy to use Sunday school lessons Each lesson fits into a three year plan to study the Bible and every text is indexed for easy reference throughout the three year period **South Asia Bible Commentary** Zondervan,2015-10-06 A one volume commentary written and edited by South Asian Biblical scholars on all the books of the Bible For the purposes of this commentary South Asia was defined as the SAARC countries namely India Sri Lanka Nepal Bangladesh Pakistan Bhutan and the Maldives The contributing scholars from these countries addressing these countries specific concerns have adopted the following key principles Integrity Articles are written within the confines of the Lausanne Covenant and all contributions are in line with and support the confessional direction of the Lausanne Covenant Interpretation The commentary offers readers a contextual and readable guide interpreting the biblical text section by section rather than delving too deeply into critical and exegetical details South Asian All authors are scholars writing from within their own contexts for the people of South Asia The focus of this commentary is three fold exegetical contextual and applied Articles explain the meaning of the text relate that meaning to the context and apply it to wider life and ministry Understanding what the Bible teaches book by book The following features are specifically designed to help you as you study each book of the Bible Introduction to each book sketches the context and main themes of the book and its relevance to South Asia Outline shows the structure of the book and can help to identify preaching topics Subheadings break the book up into manageable portions Bold references highlight verses being discussed and help you find your place quickly Italics identify quoted verses being discussed at that point in the commentary Applications are built into the text in many places Further reading each of the authors suggest other commentaries you could consult **ThirdWay** ,2000-01 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture *Paul in the Greco-Roman World* J. Paul Sampley,2003-11-01 Distinguished Pauline scholars offer an insightful examination of Paul and his world using carefully chosen examples to demonstrate how particular features of Greco Roman culture shed light on Paul s letters and on his readers possible perceptions of them **Twin Cultures Separated by Centuries** Andrew B. Spurgeon,2016-08-14 Andrew B Spurgeon works directly from the Greek text of 1 Corinthians in a study of reverse

contextualisation highlighting the commonalities between the contexts of Corinthian and Indian cultures and applying the epistle's principles to Indian Christians today In this unique commentary Spurgeon first presents Indian similarities to those in Corinth moves on to biblical principles the Apostle Paul raises for the Corinthian church's attention especially where culture was in conflict with biblical standards and finally reapplies these principles to the context of life in twenty first century India This is an excellent resource for anyone wishing to study 1 Corinthians showing that God's Word is not only true but is just as relevant centuries later as when it was written *Christian Register and Boston Observer...* ,1886

Religious and Theological Abstracts ,1999 *1 Corinthians (Brazos Theological Commentary on the Bible)* Kimlyn J. Bender,2022-11-08 The Brazos Theological Commentary on the Bible advances the assumption that the Nicene creedal tradition in all its diversity provides the proper basis for the interpretation of the Bible as Christian scripture The series volumes written by leading theologians encourage readers to explore how the vital roots of the ancient Christian tradition inform and shape faithfulness today In this addition to the series respected theologian Kimlyn Bender offers a theological reading of 1 Corinthians As with other volumes in the series this commentary is designed to serve the church providing a rich resource for preachers teachers students and study groups It demonstrates the continuing intellectual and practical viability of theological interpretation of the Bible *1 Corinthians* Anthony C. Thiselton,2011-05-03 Anthony Thiselton's lengthy New International Greek Testament Commentary volume *The First Epistle to the Corinthians* 2000 has become a standard work on 1 Corinthians In this shorter commentary Thiselton draws on his excellent exegesis from that volume but combines it afresh with keen practical and pastoral application for readers at all levels Thiselton delves deeply into the context and text of Paul's first Corinthian letter as he suggests section by section how the book applies to pastoral and practical issues He draws vivid parallels between the growing church in Corinth and the twenty first century church demonstrating that today's church also faces a seductive culture of competition and consumerism The church in Corinth preferred its self centered theology to the Christ centered gospel of the wider apostolic church Paul's response in 1 Corinthians amplified by Thiselton's commentary becomes a living practical transforming word from God for Christians today
