

## First Draft

I sit and ponder all the good old days.

At the time it was the best of my life

Though it wasn't great, the nostalgia stays.

The emotions cut through you like a knife

Though it wasn't ideal, there was still wrong

My mind washes over what I don't like.

These memories made me and made me strong.

It's not enough, the serotonin spike

Who I was then is not who I am now

That girl is still me except I have built

Myself up instead of pushed myself down.

Now in my mind the flowers do not wilt.

Let yourself listen to the happiness.

Remember the wrong and become your best

*Writing and Workshopping Poetry: A Constructive Introduction* Stephen Guppy, 2016-12-07 Most texts on creative writing emphasize either sources of inspiration or strategies for editing The process of getting from initial inspiration to final draft isn t often dealt with in any practical way *Writing and Workshopping Poetry* focuses on all three phases of the process of composition finding the material building and developing the poem from rough draft to complete work editing and refining The text offers everything students and instructors need extensive notes written in an accessible conversational style seventy five writing exercises and about a hundred poems chosen from a wide range of sources from sixteenth century sonnets to experimental constrained forms with an emphasis on exciting poems by contemporary American and Canadian poets Each chapter concludes with a brief point form summary of major learning objectives as well as a review list of useful terms

**Conversations with Robert Morgan** Randall Wilhelm, Jesse Graves, 2019-10-04 Robert Morgan b 1944 is one of the most distinguished writers in southern and Appalachian literature celebrated for his novels poetry short fiction and historical and biographical writing totaling more than thirty volumes Morgan s work gives voice to the traditionally underrepresented people of southern Appalachia and his appearances in such popular venues as The Oprah Winfrey Show National Public Radio s Morning Edition and the New York Times Bestseller List have contributed to his wide readership and successful dismantling of Hollywood stereotypes that still dog the region in the nation s larger consciousness His writing makes a case for the dignity of work the beauty and terror of the landscape and the essential value of creating a community and learning to live in the world The interviews in *Conversations with Robert Morgan* provide readers and scholars the first stand alone book

on Morgan's long and fascinating career as a master of multiple genres and make a significant contribution to the understanding of American southern and Appalachian literature and culture. Collected here are five decades of interviews that cover such topics as literary influence, the impact of war on family and community, poetic and narrative craft, the role of environmentalism in American literature, and the journey from impoverished North Carolina mountain boy to award-winning Ivy League professor. Morgan is Kappa Alpha Professor of English at Cornell University where he has taught since 1971. Readers will learn about writing across multiple genres, craft that can be learned and practiced by a writer, and studying the past for those present truths that create what Morgan values most in literature: a community across time.

Contemporary poets offer behind-the-scenes perspectives on the poetic process      English Language Arts, Grade 8 Module 1 PCG Education, 2015-11-05

Jossey Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts (ELA) curriculum and professional development resources for grades 6-12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences, the standards require Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies, and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research, and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6-12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.
