First Female Stars Women Of The Silent Era:

The First Female Stars David W. Menefee, 2004-03-30 *The First Female Stars Women of the Silent Era* rediscovers the fascinating lives and pioneering achievements of 15 women who dared to venture into early motion pictures an industry dominated by men and who not only succeeded but became the focal points of the industry Each star earned a position at the height of her profession and though many are largely forgotten today made a lasting and significant contribution to early cinema In this entertaining and informative volume author David Menefee reveals these women and their signature roles drawing on many original sources to show us how such actresses as Theda Bara Sarah Bernhardt Dorothy Gish and Norma Talmadge were received in their time and the many ways in which their influence remains important today Each profile contains a biographical treatment an analysis of key films from her career a discussion of the actress's influence on the medium and selected filmography Each also includes two photographs most often one of the actress herself and a still from a film

The Othering of Women in Silent Film Barbara Tepa Lupack, 2023-11-06 *In The Othering of Women in Silent Film Cultural Historical and Literary Contexts* Barbara Tepa Lupack explores the rampant racial and gender stereotyping depicted in early cinema demonstrating how those stereotypes helped shape American attitudes and practices Using social cultural literary and cinema history as a focus this book offers insights into issues of Othering including discrimination exclusion and sexism that are as timely today as they were a century ago Lupack not only examines the ways that dominant cinema of the era imprinted indelible and pejorative images of women including African Americans Native Americans Asians Hispanics and New Women Suffragists but also reveals the ways in which a number of pioneering early filmmakers and performers attempted to counter those depictions by challenging the imagery interrogating the stereotypes and re politicizing the familiar narratives Scholars of film gender history and race studies will find this book of particular interest *Cinematic Representations of Women in Modern Celebrity Culture, 1900-1950* María Cristina C. Mabrey, Leticia Pérez

Alonso, 2022-04-15 The purpose of this edited volume is to explore the contributions of women to European Mexican American and Indian film industries during the years 1900 to 1950 an important period that signified the rise and consolidation of media technologies Their pioneering work as film stars writers directors designers and producers as well as their endeavors to bridge the gap between the avant garde and mass culture are significant aspects of this collection This intersection will be carefully nuanced through their cinematographic production performances and artistic creations Other distinctive features pertain to the interconnection of gender roles and moral values with ways of looking which paves the way for realigning social and aesthetic conventions of femininity Based on this thematic and diverse sociocultural context this study has an international scope their main audiences being scholars and graduate students that pursue to advance interdisciplinary research in the field of feminist theory film gender media and avant garde studies Likewise historians art and literature specialists will find the content appealing to the degree that intermedial and cross cultural approaches are

presented *Silent Serial Sensations* Barbara Tapa Lupack,2020-04-15 The first book length study of pioneering and prolific filmmakers Ted and Leo Wharton *Silent Serial Sensations* offers a fascinating account of the dynamic early film industry As Barbara Tapa Lupack demonstrates the Wharton brothers were behind some of the most profitable and influential productions of the era including *The Exploits of Elaine* and *The Mysteries of Myra* which starred such popular performers as Pearl White Irene Castle Francis X Bushman and Lionel Barrymore Working from the independent film studio they established in Ithaca New York Ted and Leo turned their adopted town into Hollywood on Cayuga By interweaving contemporary events and incorporating technological and scientific innovations the Whartons expanded the possibilities of the popular serial motion picture and defined many of its conventions A number of the sensational techniques and character types they introduced are still being employed by directors and producers a century later **Seeing the American**
