Catechism For First Holy Communion St Pauls, **Preparing Your Child for Holy Communion** Betti Meenattoor, 2021-08-16 First Holy Communion day is the most important and memorable day in the life of a Catholic child Eucharist is the ineffable gift and Holy Communion is the fusion between us and Jesus Children start longing to receive Holy Communion at an early age but have to wait till they reach the age of discernment In preparation they attend a yearlong classes and training either through the Catholic School or the Sunday School Faith Formation classes At the end of this lengthy preparation we still ask the same question Are we really ready Family is the domestic church and parents are the primary catechism teachers Knowledge is power and education is empowerment Being involved actively in faith formation in Holy Communion preparation being a teacher and director of religious education for the past several years answering the parents and reassuring them again and again I thought of putting it together hence this book *Preparing Your Child for Holy Communion A Guide for Parents* *I Welcome Jesus* Mary Clare Wareham, 2020-05-13 Every year thousands of Catholic children worldwide make their First Holy Communion They are prepared for this important event through religious education programs in their schools parishes or families The intellectual formation children receive is extremely important Nevertheless it can easily overlook the spiritual preparation of the child's heart that needs to be fully open in order to truly meet Jesus First Communion is the beginning of a lifelong personal relationship between the child and Jesus in the Holy Eucharist This Sacrament is the primary source of the graces we all need for growth in holiness *I Welcome Jesus* is a book written especially for children of First Communion age that appeals to their growing sense of what is good true and beautiful It is an updated greatly expanded version of a 1952 classic novena booklet and its companion prayer book for First Communicants For nine days prior to First Communion the child prepares by striving to practice each day a different virtue associated with a particular flower The book presents to the child a metaphor by comparing their heart to a beautiful garden that will be full of flowers for Jesus on First Communion day By linking a particular flower with a virtue to be practiced children are challenged to grow in spiritual readiness to receive their Eucharistic King On the day of their First Communion they may even wear a little corsage or boutonniere made of these flowers as a symbol of their efforts The author's knowledge of the way in which each flower relates to its associated virtue enhances the original version of the book In addition her sense of beauty and artistic training lend an added visual touch of charm to the book in the form of her color photographs

and watercolors of the nine flowers used in the novena I Welcome Jesus includes poetry and prayers that speak directly to children's tender and innocent hearts a book they will treasure as a memento of this day and use repeatedly continuing to plant the seeds of virtue that can grow into a lifetime of holiness First Holy Communion Frances Heerey, 1983
