A Change of Season Russell Clarke,2020-08-04 On March 26 1982 two men in a mysterious black pick up truck brutally attack two bikers on the deserted bluff roads just across the Mississippi River from downtown St Louis One biker is killed instantly and the other is severely injured and the lives of the four men are indelibly changed and linked together forever A Change of Season accounts the final days of each of the men involved in this tragic confrontation and examines the philosophical and existential impact that such an immeasurable event had on each of their lives Craig Lerrib the main antagonist leads a life of unexamined indifference and unending carnal exploration and ends up morally bankrupt and alone a reality that permanently alters all those who are caught in the dangerous pull of his orbit His partner in the black truck Peter Doyle a thoughtful man swept along by his desires spends his life suppressing the guilt he feels for his part in the murder as well as his own true sexual feelings a process that leads to great existential searching and self awareness but also unrelenting loneliness and life long isolation Alfred Whitman the surviving rider is never quite able to get past the physical impairments sustained in the attack and he attempts to authenticate in the sterile world of pen and paper what was lost in the physical world of living a corridor that

leads to existential angst and unresolved religious questioning And in one last tribute Alfred Whitman pens a short story in homage to the enigmatic young rider who lost his life that day Thale who although dying at an early age becomes the true protagonist of the novel and represents the possibility of forgiveness and reconciliation that the other characters are lacking In a larger sense A Change of Season examines the relationships and associations that we make as humans through the restricted prism of our own beliefs and then explores how these connections struggle for survival in a world of endless opposing ideologies A philosophical process of discovery as mysterious and in some ways as unknowable as the very setting of it all the Mississippi River

Feeling Your Way Through Grief Missy Buchanan,2024-08-01 Nothing can prepare you for the death of a loved one and nothing is ever the same after How do you even begin to live after loss When author Missy Buchanan lost her beloved husband of 43 years she was devastated As she looked for meaningful resources to help her with her grief Missy found most books too long or heady So she decided to process her grief in her own way by writing personal notes to her husband unfiltered and straight from her heart In this poignant collection of reflections from that first year Missy opens the window wide onto her personal journey and all the raw emotions that bubbled up from day to day From family holidays to everyday tasks such as pumping gas or taking out the trash Missy s tender notes resonate with the shared experiences of grief offering a guiding light and true companion for your own journey Along the way she also affirms that faith is not lacking when you don t feel strong and that being vulnerable can help support the healing process Feeling Your Way Through Grief is an invitation to embrace the complexities of loss find solace in genuine emotions and embark on a faithful journey toward healing Reflection questions at the end of each chapter invite you to explore your own emotions more deeply gently guiding you along your unwanted journey of grief

Food Matters Carolyn A. Nadeau,2016-04-06 In the second sentence of Don Quixote Cervantes describes the diet of the protagonist Alonso Quijano A stew made of more beef than mutton cold salad on most nights abstinence eggs on Saturdays lentils on Fridays and an additional squab on Sundays Through an inventive and original engagement with this text Carolyn A Nadeau explores the shifts in Spain s cultural and gastronomic history Using cooking manuals novels poems dietary treatises and other texts she brings to light the figurative significance of foodstuffs and culinary practices in early modern Spain Drawing on the work of Pierre Bourdieu and Stephen Mennell Food Matters reveals patterns of interdependence as observed for example in how Muslim and Jewish aversion to pork fired Spain s passion for ham what happened when New World foodstuffs entered into Old World kitchens and how food and sexual urges that so often came together regardless of class ethnicity or gender construct moments of communal celebration This mouth watering tour of the discourses of food in early modern Spain is complemented by an appendix that features forty seven recipes drawn from contemporary sources
