Ian McEwan's Short Story "First Love, Last Rites" as a Story of Initiation and Adolescence Nina Jungmann, 2011-06-07 Essay from the year 2010 in the subject English Language and Literature Studies Literature grade 2.0 University of Trier Anglistik course British Short Stories language English abstract A young boy determined to cleanse himself of the embarrassing stigma of his virginity seduces and beds his 10 year old sister. A husband who treasures a nineteenth century criminal's penis in a jar disappears. His wife is thrown into a surfaceless plane. A man revenges himself by pouring a pan of boiling oil into the lap of an antagonizing co-worker. An Aunt forces her nephew to don dress and blonde wig before coming down to dinner. Welcome to the world of Ian McEwan. Slay 9 Ian Russell McEwan was born on the 21st of June in 1948 in Aldershot, England, as the only son of David and Rose McEwan. He spent most of his childhood in military outposts such as Singapore and Libya because his father was a soldier of the British army. After having attended a boarding school in Suffolk, he enters the University of Sussex in 1966 where he began writing fiction and also achieved his BA degree in English literature in 1970. One year later he obtained his MA degree at the University of East Anglia, Norwich. In 1975 he published his first short story collection *First Love Last Rites* which was his Master thesis in the subject creative writing. The shocking stories that are arranged in *First Love Last Rites* brought him immediate critical compliments and he won the Somerset Maugham Award for their intelligent skills and originality. Most of these stories deal with abnormal sexuality, disorganized family life or claustrophobic tales. In his Short Stories, McEwan wrote at the beginning of his career that the protagonists are mostly children or young persons who tell the stories as first person narrators. Wolfgang G. M. Müller says in his interpretation of the short story *First Love Last Rites* that the attention is drawn to the developmental stage of adolescence with its psychological problems that are especially linked to the first sexual experiences and to the search of gender identity. Translated from Müller 266 Ian McEwan became well known for his new way of dealing with the topic of initiation where he places special emphasis on transgressive and perverse sexual behaviour and also on criminal aspects. Translated from Müller 266 In this term paper the title story *First Love Last Rites* will be analysed in the context of initiation and adolescence. Hereby I will firstly introduce some important terms so that I can go on with explaining what an initiation story is. The last part then will be about the short story itself where I will summarize and analyse FLLR.

Turgenev and Russian Culture Joe Andrew,Derek Offord,Robert Reid,2008 The present volume has as its central aim a reassessment of the works

of Ivan Turgenev for the twenty first century Against the background of a decline in interest in nineteenth century literature the articles gathered here seek to argue that the period in general and his work in particular still have much to offer the modern sensibility The volume also offers a great variety of approaches Some of the contributors tackle major works by Turgenev including *Rudin* and *Smoke* while others address key themes that run through all his creative work Yet others address his influence as well as his broader relationship with Russian and other cultures A final group of articles examines other key figures in Russian literary culture including Belinskii Herzen and Tolstoi The work will therefore be of interest to students postgraduates and specialists in the field of Russian literary culture At the same time they will stand as a tribute to the life and work of Professor Richard Peace a long standing specialist in nineteenth century Russian literature in whose honour the volume has been compiled
