Stargrave Joseph A. McCullough, 2021-04-29 In a galaxy torn apart by the Last War vast pirate fleets roam from system to system robbing extorting and enslaving Amidst this chaos thousands of independent operators smugglers relic hunters freedom fighters and mercenaries roam the dead stars in small ships scratching out a living any way they can In Stargrave players take on the role of one of these independent operators choosing from a range of backgrounds each with their own strengths weaknesses and associated powers Next players must hire a crew for their ship recruiting a lieutenant with a unique skill set and a handful of soldiers mechanics hackers and other specialists Some captains may even recruit strange alien lifeforms with abilities no humanoid could ever possess Once the players crews are assembled they are ready to dive into a campaign Over a series of games their crews will have the chance to carry out a variety of missions recovering lost technology stealing data freeing slaves and fighting back against the pirate fleets In time as the crews gain experience they will become more powerful and hire more talented specialists The more they grow however the more likely it is that a pirate fleet will take note of their activities and come after them
