First Sword:

The First Swords Fred Saberhagen, 1999-01-15 Saberhagen's original trilogy is now collected for the first time in one volume. The gods have given the world 12 Swords of Power so that they might be amused as the nations battle for their possession. But they didn't know that Vulcan gave the Swords the power to kill the gods themselves. *Girls with Swords* Lisa Bevere, 2014-02-18 A passionate call for Christian women to effectively wield the sword of their God given feminine strength against any evil that threatens them and those they love. What if you discovered you have been entrusted with an invisible invincible and incorruptible weapon? Would you use it? In a day of worldwide trafficking, gendercide, discrimination and other hostility against women, Lisa Bevere points to a biblical foundation to present a model of feminine strength that will empower women to live confidently. Drawing on the many references to swords throughout Scripture, the author constructs a revealing and compelling female paradigm that will impact every area of a woman's self-identity, spiritual awareness, relationships and life vision and mission. Long known for her passionate and articulate expression of biblical womanhood, Bevere presents fresh imagery as enticing and strong as polished steel to prepare women boldly for the challenges they face in today's world. It's not enough to just be wise and strong. Now a woman must know how to wield her sword. Creatively forging the imagery of swords, the Word of God and the Cross, *Girls with Swords* will teach you how to speak the language of heaven on earth. What it means to intercede. What it means to carry your cross. What it means to be discerning. How to disarm the enemy. Why women are the enemy's target and why God needs them to be heroes. It's time to take up your sword and be a hero. **Swordplay** Reinier van Noort, 2015-12-31 Tucked away in the Newberry Library of Chicago is an anonymous manuscript entitled *Schermkunst*, Art of Swordsmanship, whose brief text and exquisite watercolours details fencing with the single sword, rapier and dagger, rapier and buckler, halberd and full pike. Beyond its artistic charms, however, this little book of 1595 is one of the oldest known martial arts treatises from the Low Countries and gives us a glimpse into the Art of Defense as it was practiced at a particularly volatile time in Netherlands history. Rebellion against Philip II of Spain led to independence of the Calvinist Northern provinces from Catholic Spain and in the same year the spice trade expedition Cornelis de Houtman set into motion, events culminating in the formation of the Dutch East India Company and a golden age of Dutch history that spanned the 17th century. This cultural and political foment is represented in the similarities between the methodology in *Schermkunst* and the rich traditions of England, Germany and Italy and the inclusion of several sword and shield techniques in combat representing that quintessential bogey man of Renaissance Europe, the Ottoman Turks. Translated and contextualized by respected Dutch swordsman and fencing researcher Reinier van Noort, *The Art of Swordplay* is sure to please martial artist and military historian alike. **Seamanship** Stephen Bleecker Luce, 1863 **The Perfect Sword** Paul Gething, Edoardo Albert, 2022-11-03 The story of the Bamburgh Sword, one of the finest swords ever forged. In 2000, archaeologist Paul Gething rediscovered a sword. An unprepossessing length of rusty metal, it had been left in a suitcase for

thirty years But Paul had a suspicion that the sword had more to tell than appeared so he sent it for specialist tests When the results came back he realised that what he had in his possession was possibly the finest and certainly the most complex sword ever made which had been forged in seventh century Northumberland by an anonymous swordsmith This is the story of the Bamburgh Sword of how and why it was made who made it and what it meant to the warriors and kings who wielded it over three centuries It is also the remarkable story of the archaeologists and swordsmiths who found studied and attempted to recreate the weapon using only the materials and technologies available to the original smith Peerless Sovereign Yu Yi,2019-11-19 An ancient cauldron would refine a world a brush would draw all the creatures in the world a long sword would cut down 3 000 great daos a legend would narrate all the love in one lifetime and the Nine Heavens Starfield the Cosmic Star would depict a young man s path to the pinnacle under the heavens **Magic Purple Lightening** Yue RiTianXiang,2020-05-25 On the day of the moon Tianxiang had always been silent and indifferent However he had inadvertently obtained the divine tool Violet Lightning However Violet Lightning did not approve of Yue Ri Tianxiang s ability Only by working hard to become a Saint Swordsman could he become the owner of the purple lightning That was why he had striven hard to walk the path of a Saint Swordsman from now on This path was also gradually changing Tian Xiang s cold and detached heart Saint Martial Sovereign Mu Ma,2020-09-01 In an era where there was no saint in the world a peerless genius had stumbled upon the inheritance of the Stellar Sword Saint and stepped onto the peak of the path of the sword 3 qi longpantian,2025-01-15 It s just that there is a trace of confusion in his eyes at this time **Ruin** John Gwynne,2015-10-13 The Banished Lands are engulfed in war and chaos The cunning Queen Rhin has conquered the west and High King Nathair has the cauldron most powerful of the seven treasures At his back stands the scheming Calidus and a warband of the Kadoshim dread demons of the Otherworld They plan to bring Asroth and his host of the Fallen into the world of flesh but to do so they need the seven treasures Nathair has been deceived but now he knows the truth He has choices to make choices that will determine the fate of the Banished Lands Elsewhere the flame of resistance is growing Queen Edana finds allies in the swamps of Ardan Maquin is loose in Tenebral hunted by Lykos and his corsairs Here he will witness the birth of a rebellion in Nathair s own realm Corban has been swept along by the tide of war He has suffered lost loved ones sought only safety from the darkness But he will run no more He has seen the face of evil and he has set his will to fight it The question is how With a disparate band gathered about him his family friends giants fanatical warriors an angel and a talking crow he begins the journey to Drassil the fabled fortress hidden deep in the heart of Forn Forest For in Drassil lies the spear of Skald one of the seven treasures and here it is prophesied that the Bright Star will stand against the Black Sun
