Marks, 2006-03-30

Diana Marks looks at children's and young adult book awards in depth. The history, award criteria, and a biography of the person behind each of the well-known awards is included. Also of interest are lists of the winners in each category, teaching and exploration activities, reproducible teaching aides, and a timeline of events leading up to the establishment of the award. Information about well-known awards is accompanied by information on the lesser-known Pura Belpré, Jane Addams, etc. Information is formatted in quick, easy-to-read tables and charts suitable for classroom duplication. Although some of this information is available online, this is a one-stop handbook that contains lesser-known awards and offers activities for enriching the study of each award, whether well-known or not. **The Watchers** Douglas C. Atkins, 2012-05-09  
Hundreds of years ago, deep within an ancient Jewish religious work, the details of a prophesied judgment day are revealed. Written in 300 BC, the book of Enoch holds the truth for the future. The world needs to know the reality, but one question remains: who will spread the word? Long after the turn of the twenty-first century, water and oxygen are in short supply. With nearly all the natural resources depleted, a megacorporation controls the insatiable demand for water and oxygen through its international desalination plants. But when the corporation's network administrator discovers someone is sending out classified security information about the plants, he has no idea that it is all part of a plot hatched by the Church of the Elect. Its leader, Shaul Eitan, is determined to carry out a plan to destroy all the desalination plants and, worse yet, to initiate a nuclear holocaust. Eitan wants nothing more than to destroy the human population forever. The Watchers have no choice; they must risk everything. Chaos reigns in a future dystopian world as everyone wonders if the book of Enoch has foretold a truthful ending to the universe.

**When Last on the Mountain** Vicky Lettmann, Carol Roan, 2011-01-04  
**When Last on the Mountain** is an open look at the many and astonishing ways our bodies bear both curses and blessings and is a testament to our abiding need to address in language and image the body's sure and swift betrayals. From a vantage point of life after fifty, with grace and humor, these writers peer soberly at the future while maintaining their gaze on the past. Gina Ochsner, author of *The Russian Dreambook of Color and Flight*, a fun and varied read. Insightful, witty, and sometimes heartbreaking selections, but all with an underlying fire for life. Will Weaver, author of *Sweet Land*. New others: a social worker, a civil service employee, a clergywoman began to write later in life. All of them were inspired by a call that asked for fresh and honest writing from the fullness of their lives. Vicky Lettmann, who writes fiction, essays, and poetry, served as an editor for the literary arts magazines *Speakeasy*, the Loft Literary Center, and *Under Construction*. North Hennepin Community College. She received an MFA in fiction writing from Warren Wilson College. Her work has appeared in *Twenty-Six Minnesota Writers*, Nodin Press, and in *Beloved on the Earth*. 150 Poems of Grief and

Gratitude Holy Cow Press Carol Roan teaches voice and stage presence in Winston Salem North Carolina She is the author of Clues to American Dance Starrhill Press and Speak Easy A Guide to Successful Performances Presentations Speeches and Lectures Starrhill Press and she writes a column on the art of performance for an online zine She won a fellowship to Summer Literary Seminars Russia in 2006 **Angel over My Shoulder**, 2004 Angel Blessings meets half full in this inspiring collection of 40 true stories illustrating the protection love and joy guardian angels bring into our lives This book marries two best selling trends angels and heartwarming story collections **Yesterday's Shadow** Elizabeth H. Vaughn, 2011-11-14 Sometimes we don't understand all the things that we must go through in life and we sometimes never find the answers that we hope to find Even though we may have scars that will never heal we must move forward and give forgiveness in an unforgiving world This book has given me the courage to face the future the knowledge to find love where I thought none existed and the strength to get past the shadows that haunt me *The Socialist Feminist Project* Nancy Holmstrom, 2002-08 Socialist Feminism brings together the most important recent socialist feminist writings on a wide range of topics sex and reproduction the family wage labor social welfare and public policy the place of sex and gender in politics and the philosophical foundations of socialist feminism **The "Quincy Methods" Illustrated** Lelia E. **And Then Mama Said ...** Tumi Morake, 2018-10-01 Tumi Morake modelled her public persona on her mother a charming and contentious woman who used her big bold voice to say what others were afraid to mention It's the personality that Tumi takes on stage in the mostly male space of stand up comedy and the one that gave her the courage to join a white Afrikaans radio station and comment about apartheid on air But there's only so much you can find out about Tumi from the stage the screen and the internet And Then Mama Said is the voice of Tumi in private as well as behind the scenes perspective of a pioneering South African star who has been both deeply loved and viciously hated by her audiences In her memoir Tumi gets frank about the race row at Jacaranda FM the Jaguar car accident that cyber bullies said she deserved the body shaming she endured on the set of Our Perfect Wedding her tumultuous relationship with her beloved husband and affords us a rare glimpse into South Africa's glitzy but often ruthless entertainment industry Throughout her story she carries the voice of her mother and with it the indispensable life lessons that made her who she is today **How It All Began** Miguel Cisneros, 2020-05-26 How It All Began is based on Miguel Mike Cisneros Jr's life experiences growing up as a child dealing with family conflicts domestic violence bullying and child abuse homelessness and short periods of happiness At times there were moments of hopelessness despair and desperation until he had to make a life changing commitment to leave all that was negative and begin a new life hoping something positive would come from it That life changing commitment was with the United States Navy From the very beginning upon joining the Navy many in leadership positions seemed to try blocking his desire to move forward including people in leadership positions during a period when the Vietnam War was ending and the military was experiencing racial tension Even though he didn't like it and knew it wasn't right he kept going

There were also those in leadership positions that saw the potential in him and provided the mentoring and guidance for him to advance After serving in the Navy for over thirty years through many years of sea duty deployments family separations adversity and at times humiliations he found ways to achieve his goals and succeed At the same time he provides insights of the chain of command and their leadership style As with all organizations there are good leaders and bad leaders and from that he learned and tried emulating the best from each This personal story was written in the hopes that someone may learn from these experiences and perhaps inspire them to believe in themselves to use their abilities to have a positive attitude and most importantly to never give up      **Unspoken Wisdom** Manual High School Students,2017-05-22 Collection of

autobiographical stories and poetry from the students of Denver s Manual High School      **Idle Hours: the Grace and the Glory** Pat S. Hogeboom,2005-11-21 Notes from readers I loved Idle Hours What a terrific story Once I began to read it I couldnt put it down It brought me great joy Pat is a great writer storyteller With so many of the names and places being familiar it made it that much more interesting I want to buy more copies for my friends Its a terrific gift Dottie Hanly retired librarian Connetquot Schools Now this is what I call a great read The story is so gripping I couldnt put it down Idle Hours is fascinating in its history of the real Vanderbilts mixed with the real people of the day I loved Papa and Almina They were such a contrast to Alva and Willie K I got so interested in Consuelo Im trying to find a copy of her autobiography The Glitter and the Gold Thanks Pat I cant wait for the next book Sally Bedford      **The Very Fairy Princess Takes the Stage** Julie Andrews,Emma Walton Hamilton,2012-04-03 Everyone s favorite fairy princess is back and just in time for her ballet recital in this new picture book addition to the Julie Andrews Collection At first when Gerry is cast as the Court Jester and not the Crystal Princess she is dismayed nothing is pink and no one can see her crown under her silly jester hat But just as the recital looks like it s headed for disaster our ever energetic very fairy princess swoops in to save the day Gerry s sparkle radiates from the page once more through Christine Davenier s whimsically elegant illustrations in this spirited ballet themed follow up to The Very Fairy Princess from the renowned mother daughter team of Julie Andrews and Emma Walton Hamilton

Mama Said Christhiaon Coie,2023-08-18 There are many books on the cult phenomenon that bloomed in the wake of the social upheaval of the 1960s and many discuss the abuses of cult leaders the physical mental and emotional challenges of breaking free and the lived experiences of those who manage to leave and begin to heal With Mama Said A Daughter s Escape from the Alamo Christian Foundation we get a unique angle what the daughter of a cult leader could see from the inside Christhiaon Coie grew up Little Susie the daughter of Susan Alamo and stepdaughter of Tony Alamo founders of the Alamo Christian Foundation Coie continued to embrace the faith as she got older but she was not a little girl anymore and began to realize that people don t go to church and leave with the offering She did not embrace the faith her mother was peddling and she saw the financial grift that exploited the vulnerable followers This is a story about the complex unremitting relationship between a daughter and her abusive mother Coie shares insight into Susan Alamo before her foundation days

and reveals what it was like to grow up as her daughter between the 1950s and early 1970s Across thirty six chapters she chronicles life within the Alamo cult and the twisted mother daughter dynamic that persisted through it all As Coie s story unfolds we see Little Susie transform into Christhiaon navigating a manipulative mother and the distorted biblical teachings enlisted to her cause With a foreword from noted Alamo cult historian Debby Schriver Coie s gritty memoir is a true survivor story What she survived however was not the cult only but the cruel double bind of what mama said      **Children of the Dust** Betty Grant Henshaw,2006 The struggles and triumphs of a large family who left Oklahoma to find work in California during the Dust Bowl years      **If My Past Wasn't so Dark...My Future Wouldn't Shine so Bright** Ms. Nique,2011-10-31 During the time I was dealing with my mother and her reactions to Mike s apparent abuse of me no one ever knew I had been victimized again several times The boyfriends at the time of my aunt Camille and Kim had been told of my abuse and apparently thought it was a good idea to try also A part of me blamed my aunts for telling my secrets I never spoke to anyone of these secrets out of fear of loosing more family I know you re probably reading this wondering why I didn t tell anyone well if you read the rest of this book I would think you could understand I didn t want to mess up anyone else s home or happiness I mean these were my aunts the very people who were helping me through it all at the time I didn t think holding on to those secrets affected my life much but in the summer of 2010 I decided to release this burden I told Camille of what her boyfriend had done to me crying through my entire confession I begged her not to be mad at me and prayed this secret wouldn t affect our relationship after all we have become really close over the years Camille couldn t believe what I was saying although she wasn t in denial she had lots of questions and she began to cry also She wanted to know if any of her other boyfriends had tried anything with me or to me and I told her no Telling her the role her boyfriend played was like lifting a forty pound weight off my shoulders Until this day I have not yet told Kim of what her boyfriend had done He is actually responsible for taking my virginity I figure it took me more that twenty years to tell Camille and although I will tell Kim it ll just take me more time to do so
