First To The Seventeenth Dynasties:

Ancient Records of Egypt Volume I James Henry Breasted, 2019-05-28 James Henry Breasted 1865-1935 obtained his PhD at the University of Berlin and became director of the Haskell Oriental Museum at the University of Chicago where he held the first chair in Egyptology and Oriental History in the United States. In 1919 he became the founder of the Oriental Institute at that university. **Ancient Records of Egypt Volumes 1 to 3** is his most magnificent achievement. They are the most complete account of all existing original Egyptian records translated from the original hieroglyphics into English. Breasted undertook this incredible task by traveling to all the historical sites in Egypt and the world's museums. There he meticulously copied and translated all surviving Egyptian records, be they from stone, papyrus or leather artifacts. In this manner, Breasted provided an unparalleled insight into the historical, cultural, racial and religious events of ancient Egyptian history directly from the original sources. The three-volume set together make an unparalleled achievement in the field of historical record, Egyptology and academic brilliance.
