First Vial:

A Dissertation on the Prophecies Relative to Antichrist and the Last Times Ethan Smith, 1814 *The Cottage Bible and Family Expositor* Thomas Williams, 1825 Except the Lord Build the House Norman Eberly, 2019-05-08 At the turn of this century Tim Lahaye and Jerry Jenkins published their famous Left Behind series with the underlying plot that Jesus would abruptly appear in the sky and rapture catch away His church just prior to the worldwide Tribulation Throughout this seven year period of Tribulation the main characters who are left behind find themselves in a survival struggle under the hideous rule of the Antichrist as they earnestly await another appearance of Jesus at the end of the Tribulation clinging to the hope that they will get another chance to be saved This fictitious story is based on the predominant prophetic teachings that have been widely accepted as orthodoxy among many non Catholic denominations But just how accurate are these conclusions when measured up to the Word of God What does the Bible really say about the Rapture and the return of our Lord and Savior Jesus Christ In Except the Lord Build the House author Norm Eberly constructs a doctrinal house from the ground up using the literal renderings of various passages from the Bible as a foundation Throughout its pages the reader is urged not to apply mystical interpretations to Biblical prophecies but rather to simply read the Word of God at face value in order to arrive at sound logical conclusions Later in the book numerous prophetic interpretations are introduced for the reader to ponder but only after a firm foundation that is based on the literal wordings of the Holy Scriptures has been established Written for scholars students and novice Bible readers alike and with over 100 colorful charts and illustrations this book offers a fresh approach to the study of Biblical prophecies for the endtime and presents a bold challenge to the status quo of popular Evangelical teachings concerning the Rapture and the Lord's imminent return **Revelation** Crawford Gribben, 2022-09-06 Andrew Fuller's commentary on Revelation 1815 appeared as one of the final statements of his long engagement with biblical apocalyptic writing Fuller thought through his eschatological commitments as he moved from the high Calvinism of his early ministry to the evangelical Calvinism of his later life The early influence of Gill which included an eccentric combination of positions later identified as pre and post millennial gave way to an evangelical piety strongly influenced by the writings of Jonathan Edwards Fuller was deeply influenced by Edwards support for evangelical revival and by his expectation that the gospel would sweep victoriously across the globe Fuller's commentary on Revelation published in the year following his death offers access to one of his last series of sermons to his mature understanding of how divine providence was unfolding the mysteries of biblical prophecy and to the robust post millennial optimism that did so much to support his enthusiasm for global missionary work The Shadow of the Future; Or, an Attempt to Explain the Revelation of St. John the Divine ... By C. D. Second Edition, Revised. [With the Text.] , 1861 *The Shadow of the Future; Or, an Attempt to Explain the Revelation of St. John the Divine, with a Few Remarks Upon the Meaning, and the Probability of the Speedy Accomplishment, of All the Dates Mentioned in Daniel.* By a Layman. The General History of the Christian Church ... Chiefly Deduced from the Apocalypse of St. John ... By Sig. Pastorini [a Pseudonym of Charles Walmesley, Bishop of Ramal. Fourth American Edition ,1846 **The General History of the Christian Church** Charles Walmesley,1834 **Preliminary Judgments** Thomas Blackburn Baines, The subject of this book is judgment the style symbolism God is revealed as the Almighty the Eternal the Judge of all the earth Christ appears exercising His judicial functions first in the house of God and afterwards among the nations The Holy Ghost is seen not as the one Spirit but in His perfect diversity of action in connection with the government of God Here as in all Scripture the person of Christ is the central figure the glory of Christ the central object But next to the person and glory of Christ the kingdom and the Church occupy the most prominent place The world is however throughout regarded as a scene of judgment Hence it is the judgments and not the blessings of the earthly kingdom that are here recorded So too the Church on earth is looked upon not in its privileges but in its responsibilities as the house of God at which judgment must begin On the other hand the heavenly glories of the Church and the heavenly side of the kingdom about which the Old Testament is silent are here blessedly unfolded The style of the book is largely symbolic and in this it resembles the prophecies of Daniel But while in Daniel the symbols are generally explained in this book their interpretation is usually left to be gathered from other portions of Scripture Many other features both in the subject and the style require notice but these will be more conveniently examined as they arise than in any preliminary remarks The book naturally divides itself into three parts At the close of the first chapter John is told to write the things which thou hast seen and the things which are and the things which shall be after these The things which thou hast seen are not so much a separate division as an introduction to the things which are But the things which shall be after these comprise two distinct classes those which precede and those which accompany or follow the coming and kingdom of Christ The three divisions of the book are therefore First The things which are described in the addresses to the seven churches and preceded by the introductory vision Second The judgments falling on the earth before the Lord s advent from heaven and Third The coming and reign of Christ ending with the judgment of the dead before the
