First Begotten Sin:

The Firstborn Son in Ancient Judaism and Early Christianity Kyu Seop Kim, 2019-01-28 Despite scholars ongoing historical and sociological investigations into the ancient family the right and the status of the firstborn son have been rarely explored by NT scholars and this topic has not attracted the careful attention that it deserves This work offers a study of the meaning of the firstborn son in the New Testament paying specific attention to the concept of primogeniture in the Old Testament and Jewish literature This study argues that primogeniture was a unique institution in Jewish society and that the title of the firstborn son indicates his access to the promise of Israel and is associated with the right of the inheritance i e primogeniture including the Land and the special status of Israel *Deliverance of the Firstborn and First Sons* Rev. James Solomon, 2024-07-24 In the Bible we find out that Adam was the firstborn of God in a manner of speaking However Adam was driven out of God's presence care provision and protection and unfortunately so are most firstborns especially first sons Cain Adam's firstborn was also driven out and became a wanderer Canaan the firstborn of Ham Noah's son was cursed and so was Reuben the firstborn of Jacob And the list goes on and on Moving on to our present day and age we see a pattern of total disappointment among the firstborns or first sons in the family They tend to be worthless unstable wayward incapable of holding down a job or trade and end up being failures in life They can't concentrate on anything that will lead to a bright future and are often wandering or roaming from place to place The first son is usually the physical and spiritual inheritor of his father's legacy whether good or bad blessings or curses riches or poverty etc As a result the firstborns and especially the first sons require special favor from God to prosper in life God in His infinite mercies provided a way of escape for all firstborns and first sons and that is redemption in Jesus Christ *Deliverance of the Firstborn and First Sons* is an in depth study of firstborns and first sons It extensively explores the general and scriptural overview as well as the hope of redemption for the firstborn and first sons There are also prayer points to be used as a guide in the prayers of deliverance This book is a must for all firstborns and first sons as well as believers as it offers vital information on this topic that we need to know 38 **Notes and Queries**, 1886 *The Sword of the Spirit, Piercing Even to the Dividing Asunder of Soul and Spirit, Being a Scriptural Testimony of the Pre-existence of Jesus Christ. ...
