

# First Day On The Somme

**Hunt Tooley**

## **First Day On The Somme:**

The First Day on the Somme Martin Middlebrook, 2006-06-29 The soldiers receive the best service a historian can provide their story is told in their own words Guardian For some reason nothing seemed to happen to us at first we strolled along as though walking in a park Then suddenly we were in the midst of a storm of machine gun bullets and I saw men beginning to twirl round and fall in all kinds of curious ways On 1 July 1916 a continuous line of British soldiers climbed out from the trenches of the Somme into No Man's Land and began to walk towards dug in German troops armed with machine guns By the end of the day there were more than 60 000 British casualties a third of them fatal Martin Middlebrook's now classic account of the blackest day in the history of the British army draws on official sources from the time and on the words of hundreds of survivors normal men many of them volunteers who found themselves thrown into a scene of unparalleled tragedy and horror The First Day on the Somme, 1 July 1916 Martin Middlebrook, 1975 **The Long Shadow: The**

**Legacies of the Great War in the Twentieth Century** David Reynolds, 2014-05-12 Winner of the 2014 PEN Hessell Tiltman Prize for the Best Work of History Brilliant the most challenging and intelligent book on the Great War and our perceptions of it that any of us will read John Charley The Times London One of the most violent conflicts in the history of civilization World War I has been strangely forgotten in American culture It has become a ghostly war fought in a haze of memory often seen merely as a distant preamble to World War II In *The Long Shadow* critically acclaimed historian David Reynolds seeks to broaden our vision by assessing the impact of the Great War across the twentieth century He shows how events in that turbulent century particularly World War II the Cold War and the collapse of Communism shaped and reshaped attitudes to 1914-18 By exploring big themes such as democracy and empire nationalism and capitalism as well as art and poetry *The Long Shadow* is stunningly broad in its historical perspective Reynolds throws light on the vast expanse of the last century and explains why 1914-18 is a conflict that America is still struggling to comprehend Forging connections between people places and ideas *The Long Shadow* ventures across the traditional subcultures of historical scholarship to offer a rich and layered examination not only of politics diplomacy and security but also of economics art and literature The result is a magisterial reinterpretation of the place of the Great War in modern history *Great War Britain Lancaster: Remembering 1914-18* Ian Gregory, Corinna Peniston-Bird, Peter Donnelly, Michael Hughes, 2017-08-07 The First World War claimed over 995 000 British lives including the deaths of over a thousand Men of Lancaster and its legacy continues to be remembered today This book looks at the impact that the loss of so many men had on the community and offers an intimate portrayal of Lancaster and its people living in the shadow of the war to end all wars Drawing on detailed research conducted by the authors and their community partners it describes the local reaction to the outbreak of war the experience of individuals who enlisted the changing face of industry the women who defied convention to play a vital role on the home front and how Lancaster coped with the transition to life in peacetime once more The Great War story of Lancaster draws on all of these

experiences to present a unique account of the local reality of a global conflict      *The Great War, 1914-1918* Spencer Tucker, 2002-01-04 An up to date and concise account of WWI for teachers and students looking for a balanced introduction It details both the military operations as well as the development of war aims alliance diplomacy and the war on the home front

**The Dark Path** Williamson Murray, 2024-10-22 From an esteemed military historian a sweeping history of the revolutions in war fighting that have shaped the modern world Heraclitus wrote that war is the father of all and it has formed much of the modern world Although the fundamental nature of war has not altered over the centuries constant change innovation and adaptation have repeatedly reshaped how wars are fought in the West Revolutions in military practice cannot be separated from larger social developments in areas like logistics finance and economics and the culture of military organizations In *The Dark Path* Williamson Murray argues that the history of warfare in the West hinged on five revolutions which both reflected the social political and economic conditions that produced them and in turn influenced how those conditions evolved These five key turning points are the advent of the modern state which formed bureaucracies and professional militaries the Industrial Revolution which produced the financial and industrial means to sustain and equip large armies the French Revolution which provided the ideological basis needed to sustain armies through continent sized wars the merging of the Industrial and French Revolutions in the U S Civil War and the accelerating integration of technological advancement financial capacity ideology and government that unleashed the modern capacity for total warfare An ambitious work of synthesis this book shows how the world continually re creates war and how war in turn continually re creates the world      **Reimagining the War Memorial, Reinterpreting the Great War** Marzena Sokołowska-Paryż, 2012-03-15

*Reimagining the War Memorial Reinterpreting the Great War The Formats of British Commemorative Fiction* is an in depth analysis of the role of British war memorials in literature and film in the wider context of the commemorative trend in contemporary culture The Sheffield City Battalion Memorial the Menin Gate Memorial the Thiepval Memorial to the Missing of the Somme the Royal Artillery Memorial and the Shot at Dawn Memorial are the focus of the discussion which aims to show how the meanings assigned to specific war memorials create ideologically diverse interpretations of the British experience of the Great War ranging from the futility myth to the imperial sublime The epistemological ambivalence of the war memorial lies at the heart of the analysis of the selected novels films and plays for the condemnation of a military conflict as a historical evil does not necessarily exclude the possibility of honouring the men who fought in it      *The Lost Battalion and the Meuse-Argonne, 1918* Micheal Clodfelter, 2007-01-01 This volume with exhaustive on site research details America s last major offensive of World War I the Battle of the Meuse Argonne which took place from September 26 through November 11 1918 It examines the movements and countermovements that comprised the still unequaled conflict of the Argonne Forest The main focus of the work is the five day isolation and besiegement of the so called Lost Battalion From October 2 to 5 Major Charles Whittlesey and 554 men were cut off from all other U S units and attacked by German forces in an area known

as The Pocket Written with a view toward bringing this legendary tale to a more personal level the work creates a vivid picture of the men who lived fought and died in the final all consuming battle of World War I *Trones's Heat* Pasquale De Marco,2025-08-12 *Trones s Heat* is the definitive account of the Battle of the Somme one of the deadliest battles in human history Based on extensive research and first hand accounts this book tells the story of the battle from both sides of the conflict and it explores the human cost of war The Battle of the Somme began on July 1 1916 and lasted for five months It was one of the largest battles of World War I and it resulted in more than a million casualties The battle was a tactical stalemate but it had a significant impact on the course of the war The Somme showed that the old ways of fighting were no longer effective and it forced both sides to adopt new tactics The battle also helped to shape the course of the 20th century and its legacy continues to be felt today *Trones s Heat* is a comprehensive and authoritative account of the Battle of the Somme It is a must read for anyone interested in military history World War I or the human cost of war *Trones s Heat* is written in a clear and concise style and it is accessible to both general readers and scholars The book is illustrated with maps photographs and other historical documents *Trones s Heat* is a valuable resource for anyone who wants to learn more about the Battle of the Somme It is a book that will be read and studied for generations to come If you like this book write a review

Leeds Rifles Andrew J. Kirk,2020-01-31 The first detailed chronicle with photos included of the four battalions of riflemen who left Leeds for the Western Front The full wartime story of the Leeds Pals has never been told This volume describes their volunteer origins and how they came to be woven into the social fabric of Leeds from where they drew their enduring esprit de corps discipline and resolve It takes the reader on a journey across the Western Front of the Great War contrasting the first line battalion s lot to stand in the mud of Ypres and endure all without breaking with the second line battalion s blooding at Bullecourt and transformation as part of an elite assault division that went on to occupy Germany It is told in part by those who were there and experienced the fear elation and sadness of loss and who took strength from their volunteer ethos and their common origins in Leeds All the Leeds Rifles main battles are described in detail as are the helter skelter actions of the last one hundred days of mobile warfare and escalating casualties when the defeated but still defiant German army found itself in full and final retreat Follow the fortunes of these enfants de Yorkshire these Leeds Lads as they speak out from the pages of history with a very familiar accent **24 Hours on the Somme** Edward Liveing,2016-05-15 A rare and forgotten first hand account of the first day of the Battle of the Somme by a British infantry soldier who went over the top and survived

Key Themes of the Twentieth Century Philip Sauvain,1996 Key History for GCSE offers a cost effective approach to resourcing the new GCSE syllabuses as one core book covers all the Modern World syllabus requirements The series is practical and flexible the core book is supplemented by topic books providing resurces for Modern World and Schools History project Depth Studies Teachers will enjoy a comprehensive support package Each Pupils Book is supported by a fully integrated Teacher s Resource Guide providing worksheets for mixed abilities homework resources and guidelines on

assessment Suitable for all ability levels Extra help is given for lower ability pupils The series makes an ideal core resource for GCSE suitable for use either as a stand alone course or as a follow on to Key History for Key Stage 3 providing progression in learning style and presentation

**The Great War** Hunt Tooley, 2015-11-29 We have often heard about the brutal world of the trenches the willingness of brave young soldiers and the apparent indifference of the generals but reevaluations of the Great War in previous decades have shown us much more complexity and in many cases some surprising reconstructions of very standard narratives of the war The traditional isolation of the battle front from the home front which historians have tended to observe has given us an incomplete understanding of both fronts In this study of World War I Hunt Tooley crosses the boundaries of national histories to examine the various connections between the 400 mile long Western Front and the home fronts of the United Kingdom France Germany Canada Australia and the United States Tooley draws on recent research and the wealth of primary source material available to provide a broad synthesis of a complex event and to create a more holistic view of the war as men stayed in touch with those at home as governments responded to events on the battlefield and as writers poets and artists brought the cultural impulses of Europe to the deadly world of the Western Front In his clearly written wide ranging study Tooley argues that the seeds of much of the 20th century may have been planted well before the First World War but as many social critics politicians soldiers women's movement leaders and others predicted the cultivation of these seeds in war would have a powerful and formative effect on the social political and cultural processes which shaped the 20th century

**The Canadian Corps in World War I** René Chartrand, 2012-12-20 This book describes the organization lists the units and illustrates the uniforms and equipment of the four Canadian divisions which earned an elite reputation on the Western Front in 1915 18 Canada's 600 000 troops of whom more than 66 000 died and nearly 150 000 were wounded represented an extraordinary contribution to the British Empire's struggle On grim battlefields from the Ypres Salient to the Somme and from their stunning victory at Vimy Ridge to the final triumphant Hundred Days advance of autumn 1918 Canada's soldiers proved themselves to be a remarkable army in their own right founding a national tradition Featuring illustrations throughout this volume is ideal for any enthusiast of World War I or Canadian military history

**The Unquiet Western Front** Brian Bond, 2002-07-11 Britain's outstanding military achievement in the First World War has been eclipsed by literary myths Why has the Army's role on the Western Front been so seriously misrepresented This 2002 book shows how myths have become deeply rooted particularly in the inter war period in the 1960s and in the 1990s The outstanding anti war influences have been war poets subalterns trench memoirs the book and film of All Quiet on the Western Front and the play Journey's End For a new generation in the 1960s the play and film of Oh What a Lovely War had a dramatic effect while more recently Blackadder has been dominant Until more recently historians had either reinforced the myths or had failed to counter them This book follows the intense controversy from 1918 to the present and concludes that historians are at last permitting the First World War to be placed in proper perspective

**The Little Book of Great Britain** Neil R Storey,2012-01-31 This little gem of a book is a repository of intriguing fascinating obscure strange and entertaining facts and trivia about Britain and all the things that have made it great Within this volume are such themes as myths and legends traditions and customs great Britons and great British places while not forgotten is a celebration of the best of British music food entertainment and sport and a host of topics that explore the more eccentric and eclectic people and things that contribute to and define Great Britain Despite being a relatively small collection of islands there is always something new fascinating frivolous or even bizarre to discover about Great Britain you will find much of it here Did You Know There is no location in Britain which is more than 741 2 miles from the sea The first person in Britain to be convicted of speeding was Walter Arnold of Kent who in 1896 was fined 1s plus costs for driving at a breakneck 8mph Britain has some thoroughly unusual pub names including The Bucket of Blood in Phillack Cornwall The Honest Lawyer in Folkestone and The Old Thirteenth Cheshire Astley Volunteer Rifleman Corps Inn in Stalybridge which also enjoys the honour of having Britain s longest pub name Her Majesty Queen Elizabeth II is a well known corgi fan She has owned no fewer than 30 during her reign the first being Susan who was given to her in 1944

#### **Warfare and Armed Conflicts**

Micheal Clodfelter,2017-05-23 In its revised and updated fourth edition this exhaustive encyclopedia provides a record of casualties of war from the last five centuries through 2015 with new statistical and analytical information Figures include casualties from global terrorism the wars in Iraq and Afghanistan and the fight against the Islamic State New entries cover an additional 20 armed conflicts between 1492 and 2007 not included in previous editions Arranged roughly by century and subdivided by world region chronological entries include the name and dates of the conflict precursor events strategies and details the outcome and its aftermath

**Stafford in the Great War** Nick Thomas,2017-03-30 Stafford in the Great War tells the fascinating story of a county town and its people between the catastrophic years of 1914 18 The title was written as a companion volume to the author s earlier work Stafford at War 1939 45 and adopts the same successful formula The book examines the work of local men and women on the Home Front before providing details of the towns contribution in every theatre of the war Early chapters examine the role of Staffordians who served in the British Expeditionary Force nicknamed The Contemptible Little Army by Kaiser Wilhelm II and who took part in the Christmas Truce 1914 The story of the Stafford Territorials of the Stafford Battery the Staffordshire Yeomanry and the North and South Staffordshire Regiments is also explained along with the fate of Kitcheners Volunteer Army The events surrounding the service of a number of local men are recorded in some detail along with the exploits of men who fought in all of the armed services and support units Collectively their stories help outline the course of the war Staffordians won 120 gallantry awards during the conflict and those that are not referred to in the main body of the text may be found in an appendix Also listed are the names and service details of over 400 men whose names were omitted from the towns war memorial

#### **There and Back: A German Soldier in the Great War**

Pasquale De Marco,2025-07-24 There and Back A German Soldier in the Great War is a firsthand account of the brutal

realities of World War I as experienced by a young German soldier From his enlistment in 1914 to his eventual discharge in 1918 the author provides a vivid and unflinching account of the horrors of trench warfare the camaraderie of his fellow soldiers and the profound impact the war had on his life Written with raw honesty and attention to detail *There and Back* offers a unique perspective on one of the most devastating conflicts in human history The author s vivid descriptions of life in the trenches from the constant shelling to the fear of gas attacks paint a harrowing picture of the daily realities of war He also recounts the intense battles he fought in including the Battle of the Somme and the Battle of Verdun providing a firsthand account of the strategies and tactics used by both sides Beyond the battlefield the author also explores the personal toll that the war took on him and his fellow soldiers He writes about the psychological effects of combat the loss of friends and the struggle to adjust to civilian life after the war *There and Back* is a powerful and moving account of courage resilience and the human cost of war This book is a must read for anyone interested in World War I military history or the human experience of war It is a powerful reminder of the horrors of war and the importance of peace If you like this book write a review

**World War One** Lawrence Sondhaus, 2020-10-29 This revised and updated interpretation of World War I highlights the revolutionary nature and legacy of the conflict of 1914 1919 It examines the political economic social and cultural history of the war at home as well as the war s origins ending and subsequent legacy
