Film's First Family Terry Chester Shulman, 2019-11-12 Scandal adultery secret marriages divorce custody battles suicide attempts and alcoholism the trials and tribulations of the Costellos were as riveting as any Hollywood feature film This eccentric and talented clan was one of the twentieth century's most famous families of actors until their achievements were eclipsed by their own immutable penchant for self destruction Patriarch Maurice Costello was considered the first screen idol until his career marked by accusations of spousal abuse drunkenness and physical assault abruptly ended Costello's daughter Helene was the first actress to star in an all talking picture but her career was ruined by a very public divorce from Lowell Sherman who testified that his wife was a drunk and an avid reader of pornography And though the original members of this family may be gone the legacy lives on most notably through actress Drew Barrymore Written with unprecedented access to the family's personal documents and artifacts as well as interviews with several family members Film's First Family explores the dramatic history of the Costellos and their extraordinary significance to the stage and screen *First Family* Cassandra A. Good, 2023-06-06 Finalist for the 2024 George Washington Prize For readers of *Never Caught* and *You Never Forget Your First* a revealing true story of celebrity race and the children George Washington raised While it's widely known that George and Martha Washington never had children of their own few are aware that they raised children together In *First Family* we see Washington as a father figure and are introduced to the children he helped raise tracing their complicated roles in American history The children of Martha Washington's son by her first marriage Eliza Patty Nelly and Wash Custis were born into life in the public eye well known as George Washington's family and keepers of his legacy By turns petty and powerful glamorous and cruel the Custises used Washington as a means to enhance their own power and status As enslavers committed to the American empire the Custis family embodied the failures of the American experiment that finally exploded into civil war all the while being celebrities in a soap opera of their own making *First Family* brings new focus and attention to this surprisingly neglected aspect of George Washington's life and legacy shedding a light on What it meant to be a family The complexities of kinship and race in the Custis family Political power fame and the obsession with the celebrity The Custises probable Black half sibling As the country grapples with concerns about political dynasties and the public role of presidential families the saga of Washington's family offers a human story of historical precedent Award winning historian Cassandra A Good shows how the outspoken step grandchildren of George Washington played an overlooked but important role in the development of American society and politics from the Revolution to the Civil War *First Family* Joseph J. Ellis, 2010-10-26 The Pulitzer Prize winning best selling author of *Founding Brothers* and *His Excellency* brings America's preeminent first couple to life in a moving and illuminating narrative that sweeps through the American Revolution and the republic's tenuous early years John and Abigail Adams left an indelible and remarkably preserved portrait of their lives together in their personal correspondence both Adamses were prolific letter writers although John conceded that Abigail was

clearly the more gifted of the two and over the years they exchanged more than twelve hundred letters Joseph J Ellis distills this unprecedented and unsurpassed record to give us an account both intimate and panoramic part biography part political history and part love story Ellis describes the first meeting between the two as inauspicious John was twenty four Abigail just fifteen and each was entirely unimpressed with the other But they soon began a passionate correspondence that resulted in their marriage five years later Over the next decades the couple were separated nearly as much as they were together John s political career took him first to Philadelphia where he became the boldest advocate for the measures that would lead to the Declaration of Independence Yet in order to attend the Second Continental Congress he left his wife and children in the middle of the war zone that had by then engulfed Massachusetts Later he was sent to Paris where he served as a minister to the court of France alongside Benjamin Franklin These years apart stressed the Adamses union almost beyond what it could bear Abigail grew lonely while the Adams children suffered from their father s absence John was elected the nation s first vice president but by the time of his reelection Abigail s health prevented her from joining him in Philadelphia the interim capital She no doubt had further reservations about moving to the swamp on the Potomac when John became president although this time he persuaded her President Adams inherited a weak and bitterly divided country from George Washington The political situation was perilous at best and he needed his closest advisor by his side I can do nothing John told Abigail after his election without you In Ellis s rich and striking new history John and Abigail s relationship unfolds in the context of America s birth as a nation

The First Family Mike Dash,2011-06-09 Before Al Capone and Lucky Luciano there was the one fingered cunning Giuseppe Morello and his murderous coterie of brothers Had it not been for Morello the world may never have heard of men of honour the code of omertà or Mafia wars This explosive book tells the story of the first family of New York and how this extended close knit clan of racketeers and murderers left the backwaters of Sicily to successfully establish themselves as the founding godfathers of the New World First Family will explain in thrilling characterful detail how the American Mafia established itself so successfully Combining strong narrative and raw violence set against the raucous bustle of early twentieth century New York and the impoverished rural life of nineteenth century Sicily this impeccably researched groundbreaking study of a crucial period of American history is a compelling portrait of the early years of organised crime

England's First Family of Writers Julie A. Carlson,2007-07-01 A collective consideration of Wollstonecraft Godwin and Shelley with extended and sophisticated readings of many of their neglected works Choice Life and literature were inseparable for Mary Wollstonecraft William Godwin and Mary Shelley In England s First Family of Writers Julie A Carlson demonstrates how and why the works of these individuals can best be understood within the context of the family unit in which they were created The first to consider their writing collectively Carlson finds in the Wollstonecraft Godwin Shelley dynasty a family of writers whose works are in intimate dialogue with each other For them literature made love and produced children as well as mourned memorialized and reanimated the dead Construing the ways

in which this family's works minimize the differences between books and persons writing and living Carlson offers a nonsentimental account of the extent to which books can live and inform life and death Carlson also examines the unorthodox clan's status as England's first family of writers She explores how over time their reception has evinced ongoing public resistance to those who critique family values *Our First Family's Home* Mary Alice Mairose, 2008 This richly illustrated volume tells the story of the home that has served as Ohio's executive residence since 1957 and of the nine governors and their families who have lived in the house Our First Family's Home offers the first complete history of the residence and garden that represent Ohio to visiting dignitaries and the citizens of the state alike Once in a state of decline the house has been lovingly restored and improved by its residents Development of the Ohio Heritage Garden has increased the educational potential of the house and has sparked an interest in the preservation of native plant species Looking toward the future the Residence is also taking the lead in promoting environmental issues such as solar power and green energy Photographs by award winning environmental photographer Ian Adams and botanical art by Dianne McElwain showcase the beauty of the home's architecture and the myriad of native plants that grace the three acres on which the Residence stands Dianne McElwain is a member of the American Society of Botanical Artists in New York Her botanical paintings have won numerous awards and are found in prestigious collections throughout the United States Essays highlight the Jacobethan Revival architecture and the history of the home The remaining pieces cover the garden and include an intimate tour of the Heritage Garden which was inspired by Ohio's diverse landscape Finally Governor Ted Strickland and First Lady Frances Strickland discuss the increasing focus on green energy at the Governor's Residence and First Lady Emerita Hope Taft explains how native plants can help sustain the environment First Family in Space Raymond Bean, 2016-08 Starr's family has been given the opportunity of a lifetime to move to outer space Starr is excited curious and terrified about the big change The First Family Detail Ronald Kessler, 2015-07-28 NEW YORK TIMES BESTSELLER Ron Kessler appears to get everything first Slate As in a play presidents vice presidents and presidential candidates perform onstage for the public and the media What the nation's leaders are really like and what goes on behind the scenes remain hidden Secret Service agents have a front row seat on their private lives and those of their wives and children Crammed with new headline making revelations The First Family Detail by New York Times bestselling author Ronald Kessler tells that eye opening uncensored story The First Family Detail reveals Vice President Joe Biden regularly orders the Secret Service to keep his military aide with the nuclear football a mile behind his motorcade potentially leaving the country unable to retaliate in the event of a nuclear attack Secret Service agents discovered that former president Bill Clinton has a blond mistress code named Energizer by agents who lives near the Clintons home in Chappaqua New York The Secret Service covered up the fact that President Ronald Reagan's White House staff overruled the agency to let unscreened spectators get close to Reagan as he left the Washington Hilton allowing John W Hinckley Jr to shoot the president Because Hillary Clinton is so nasty to agents being assigned to her protective detail is

considered a form of punishment and the worst assignment in the Secret Service Kessler's such a skilled storyteller you almost forget this is dead serious nonfiction Newsweek **The Marshlandic Saga: First Family** Douglas V.

Amtrak Wars: First Family Patrick Tilley,2012-12-03 Hundreds of years after civilisation has been destroyed by nuclear war the Earth is divided between the Trackers of the Amtrak Federation a community living in vast subterranean cities and the Mutes who have evolved to withstand the radiation that has driven their foes underground A long war for possession of the overground has killed and enslaved many of the Mutes leaving only the Plainfolk to resist the Federation After escaping from the clan M Call in his handmade glider wingman Steve Brickman expects a hero's welcome from his fellow Trackers Kidnapped on his first mission above ground by the Mutes he has spent the last five months under the enforced tutelage of Mr Snow clan M Call's wise and magically gifted wordsmith The months have also garnered a friendship with Cadillac Mr Snow's protégé a dawning love of the beautiful Clearwater and a realisation that the Mutes are not the sub humans that his masters would have him believe But instead of a happy homecoming he receives suspicion and interrogation Still officially dead until he receives the proper clearance Brickman must face long hours of speculation and questioning at the hands of the First Family Only the chance of seeing his kin sister Roz with whom he shares a psychic connection offers any comfort He is soon drawn into the complicated world of AMEXICO a top secret intelligence force where nothing is as it seems and Brickman must face the reality that everything he has believed in could be false If the First Family have lied to them about the Mutes then what else have they been covering up Is there really any harmful radiation left in the blue sky world at all Split by a terrible division of loyalties what will Brickman choose The world he knows of order and duty Or the new life glimpsed through his love for Clearwater Either way his role in the Mute prophesy of the Talisman is far from over *First Family* first published in 1985 is the second instalment of Patrick Tilley's internationally best selling science fiction epic *The Amtrak Wars Saga*

Summary of Ronald Kessler's The First Family Detail Everest Media,2022-04-09T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The president's military aide carries the nuclear football which is a leather covered titanium case that weighs forty pounds It contains a variety of secure phone capabilities and

options for launching nuclear strikes 2 When Biden travels he insists on only two Secret Service vehicles In contrast when Reagan traveled the military aide with the nuclear football was on horseback with him Only the president or the vice president as their constitutional successor can order the release of nuclear weapons 3 The football is so highly classified that all information about it has been incorrect It does not operate like an ATM with the president or vice president inserting the authenticator card and punching in launch codes to authorize a strike 4 Despite the obvious danger to the country no one in Secret Service management has ever blown the whistle on Biden His behavior is equally bizarre He regularly goes swimming nude in his pool at his residence in Delaware and his vice president s residence in Greenville **First Family on Mars,**

The/Space Station ,2003 A family is hoping to be selected as the first family to live on Mars When their house at the Mars training base burns down they have to be resourceful in order to live in an unusual and tiny place Space station examines the challenges of living in this unusual environment State of Retribution, A First Family Novel Marie Force,2025-07-25 A

Baffling Series of Events Leads to An Unsettling Conclusion The First Family is hosting their first Easter Egg Roll on the South Lawn of the White House when Secret Service agents mobilize to hustle them to safety First Lady Samantha Cappuano wants to know where her children have been taken while President Nick Cappuano mobilizes his team to learn more about the threat that caused such a dramatic response Meanwhile Sam s homicide detectives at the Metropolitan Police

Department are in the earliest stages of investigating three new murders of people struck down for no apparent reason as IT Lieutenant Archelotta cares for a new friend who was similarly attacked One by one the clues begin to add up to a disturbing conclusion that has Sam racing to put the pieces together before it s too late Adding to the chaos she s now accompanied by a much larger Secret Service detail As if that wasn t enough for one week a troubling incident from the past resurfaces and has Sam on defense defending her career and reputation from a ruthless attack An aura of retribution is in the air but who s behind it and could the perpetrator be someone she or Nick have tangled with in the past Sam Nick and the First Family cast face one vexing challenge after another leading up to an explosive showdown that could change everything First Family of Tasajara EasyRead Comfor Bret Harte,2006-10 A heart rending fiction by Harte which enthralls you with its vivid

descriptions and eloquent language Spellbinding **State of Suspense, First Family Series, Book 7** Marie Force,2024-05-24 A high profile murder has Sam and her team chasing an elusive killer Just back from their anniversary trip to Dewey Beach there s no slow roll back to work for the first couple as Sam is immediately thrust into the baffling murder of her friend and colleague U S Attorney Tom Forrester which has everyone on edge The FBI wants in on this one and she s determined to figure out what happened to Tom before they can take over her investigation as new and unsettling details arise about the crimes involving disgraced former Lieutenant Stahl A new development sends the investigation in an entirely new direction as Sam goes toe to toe with her husband s uncooperative Attorney General In the midst of the hot new case Sam s got to put on her first lady hat for the Canadian Prime Minister and his wife who are in town for the Cappuano

administration's first State Dinner. Once they get through that event, Sam and Nick will finally meet with Nick's mother, who's asked for a chance to make things right with her son. With all of that going on, who has time to breathe, let alone plan an operation that'll either snag a killer or end her career? State of Shock (First Family Series, Book 4) Marie Force, 2022-12-20. They never saw this coming. This story picks up right where *State of the Union* left off with another wild ride for the First Couple as they navigate work, family, and an all-new and extra baffling murder mystery that has Sam pushing the boundaries to get answers before a killer can strike again. Meanwhile, Nick contends with the aftermath of his landmark *State of the Union* address as a person from his past threatens to undo all the progress he's made since assuming the presidency. Hold on to your hat for the next First Family book. I have been reading the Fatal series since the beginning and love Sam and Nick and all their friends and family. I can't wait to see what happens now that Nick is the President of the United States and Sam is the First Lady. This was not the path that Nick and Sam wanted for their family, but Nick knows it is his duty and responsibility to take over as POTUS. Five Stars from Phuong on Amazon for *State of Affairs*.
