R. Havely, 2004-08-12 Nicholas Havely examines the connections between Dante the Franciscans and the Papacy as they appear in the Commedia and presents the poem as one concerned with an often dramatic confrontation between authority and idealism in the church Havely draws on a wide range of literary historical and art historical sources relating to the controversy about Franciscan poverty during the late thirteenth and early fourteenth centuries He argues that the Spiritual

Franciscans strict interpretations of evangelical poverty provided the poet with a means of addressing the state of the contemporary Papacy and of imagining the renewal of the church He also explores the origins and afterlife of the debate about this form of poverty and Dante s contribution to it This study will appeal to scholars interested in medieval religious and intellectual history as well as to readers of Dante s poem and other medieval visionary and political writing *Report of the ... medieval historical accounts the relationship between the Bible and monasticism and instances of privileged and practical use as well as the various forms the text took in different parts of Europe The dedicated merging of disciplines both within each chapter and overall in the book enable readers to encounter the Bible in much the same way as it was once experienced on multiple levels and registers through different lenses and screens and always personally and intimately **Glories of the Franciscan Order** Francis Borgia Steck,1919 **Unearthing the Missions of Spanish Florida** Tanya M. Peres,Rochelle A. Marrinan,2021-11-23 This volume presents new data and interpretations from research at Florida s Spanish missions drawing on the past thirty years of work at sites from St Augustine to the panhandle Impelling Spirit Joseph F. Conwell,1997 Impelling Spirit is a book about Jesuit spirituality as seen in its origins As such it responds to the challenge of Vatican II that the appropriate renewal of religious life demands a return to the sources of Christian life and the spirit and aims of the founders of an institute The instrument the author employs is a 1539 document Ignatius and his companions drafted for Pope Paul III as an apostolic letter addressed to themselves this document long neglected and largely unknown clearly reveals how they understood themselves and their way of life It demonstrates that the spirit and aims of the Society though radical in 1539 were also deeply rooted in the Christian tradition The Bloomsbury Guide to Christian Spirituality Peter Tyler,Richard Woods,2012-08-30 A scholarly yet accessible introduction to Christian Spirituality What is Christian Spirituality How does it relate to non Christian traditions Where does it arise from and where is it going These are some of the key questions addressed in this innovative new guide from Bloomsbury The Bloomsbury Guide to Christian Spirituality is written by foremost academics in their fields who distill their knowledge for a wide intelligent audience They do this with huge skill and attention to the needs of modern readers Appealing equally to those studying the tradition for religious formation or those wishing to acquaint themselves with this fascinating subject this guide is destined to become an essential text in the field The Martyrdom of the Franciscans Christopher MacEvitt,2020-03-06 A study of three hundred years of medieval Franciscan history that focuses on martyrdom While hagiographies tell of Christian martyrs who have died in an astonishing number of ways and places slain by members of many different groups martyrdom in a Franciscan context generally meant death at Muslim hands indeed in Franciscan discourse death by Saracen came to rival or even surpass other definitions of what made a martyr The centrality of Islam to Franciscan conceptions of martyrdom becomes even more apparent and problematic when we realize that many of the martyr narratives were largely invented Franciscan authors were free to choose the antagonist they wanted Christopher MacEvitt observes and they almost always chose Muslims However martyrdom in Franciscan accounts rarely leads to conversion of the infidel nor is it accompanied as is so often the case in earlier hagiographical accounts by any miraculous manifestation If the importance of preaching to infidels was written into the official Franciscan Rule of Order the Order did not demonstrate much interest in conversion and the primary efforts of friars in Muslim lands were devoted to preaching not to the native populations but to the Latin Christians mercenaries

merchants and captives living there Franciscan attitudes toward conversion and martyrdom changed dramatically in the beginning of the fourteenth century however when accounts of the martyrdom of four Franciscans said to have died while preaching in India were written The speed with which the accounts of their martyrdom spread had less to do with the world beyond Christendom than with ecclesiastical affairs within MacEvitt contends The Martyrdom of the Franciscans shows how for Franciscans martyrdom accounts could at once offer veiled critique of papal policies toward the Order a substitute for the rigorous pursuit of poverty and a symbolic way to overcome Islam by denying Muslims the solace of conversion **Who's Who in Christianity** Lavinia Cohn-Sherbok, 2013-05-13 Who's Who in Christianity is an invaluable reference guide to the leading men and women who have influenced the course of Christian history including the founding fathers monarchs popes saints philanthropists heretics theologians and missionaries The book encompasses the Eastern and Western Churches and the lives and opinions of personalities who have shaped the past twenty Christian centuries from Jesus of Galilee to Pope John Paul II Paul of Tarsus to Mother Teresa Who's Who in Christianity provides an accessible and user friendly A Z layout detailed bibliographical information on each prominent figure a glossary of technical terms a chronological table of the chief historical events an invaluable guide for scholars teachers clergy students and general readers
