**Irresistible Query Letters** Mary Kole, 2024-07-24 Query letters are an essential step in the book publishing process but it can be tough to write an irresistible one You can perfect your pitchcraft though All you

need is the right advice from an industry insider and the context of real world sample queries Unfortunately aspiring writers don't get to peek into the slush pile to see what their peers are doing Until now Successful Query Letters pulls together more than forty authentic letters that worked and some that could use revision and breaks them down line by line with comprehensive feedback from Mary Kole a former literary agent author of Writing Irresistible Kidlit freelance editor and IP developer with over a decade of publishing industry experience In addition to the queries and feedback you'll be treated to insider advice on query literary agent and publisher research comparative titles submission strategy and more Successful Query Letters is a must have resource for any writer hoping to get their work traditionally published Buy it today and learn how to craft successful queries that will get you noticed by literary agents and publishing houses     Simply Scheme Brian Harvey, Matthew Wright, 1999 Showing off scheme Functions Expressions Defining your own procedures Words and sentences True and false Variables Higher order functions Lambda Introduction to recursion The leap of faith How recursion works Common patterns in recursive procedures Advanced recursion Example the functions program Files Vectors Example a spreadsheet program Implementing the spreadsheet program What's next     **American Top 40 with Casey Kasem** Pete Battistini, 2010 Pete Battistini released American Top 40 with Casey Kasem The 1970's in 2005 Now comes the follow up American Top 40 with Casey Kasem The 1980's Battistini painstakingly documented approximately 425 weekly Casey Kasem hosted countdown programs from the 80s and compiled individual program summaries for each week exclusively for this book In addition the text includes a complete list of all radio stations in the U.S. and around the world that carried the program Coupled with numerous testimonials of both AT40 insiders and listeners and more than a hundred illustrations from the 80s this book is brimming with highlights of the greatest radio program ever     A Licence to be Different Maggie Brown, 2020-12-10 Traces the history and development of Channel 4 one of the UK's best loved and most controversial TV channels Identifies key figures and signature programmes such as Brookside The Big Breakfast and Wife Swap as well as successful American imports including Friends and Sex and the City     **Letters** John Barth, 1994 Basically Barth takes several people from his early novels and has them all starting to write to each other and to him their letters and experiences directing the plot And what starts out as what could be a too cute literary trick winds up being extremely revealing as the characters pour themselves into the letters regardless of whom they're writing to as the plot skips and slips through time On one level it acts as a sequel to those early novels continuing their stories and although it's not really required to read those books I'm not going to pretend it doesn't help The best thing to do would be to read those old novels in one block and then move onto this I read them some years ago so I was a little fuzzy on the finer points But I picked it up But Barth captures the voices of his old characters well and even if you didn't know who was writing what letter you could tell And thus they tell the recipient and us about their hopes and fears they mingle together they lie they come unglued and by the end you sort of get a tapestry of their thoughts There's a plot weaving through here but sometimes it becomes hard to connect it with six

different people discussing different angles of it with you but I just went with it and enjoyed the writing for what it was

of things to come and eventual fulfillment centuries later give proof of the eventual fulfillment of all God's promises to Israel. What message does it hold for Jewish history past and future? Does it refer to Christian eschatological beliefs? Does this passage refer in any way to Jesus? To investigate these questions is the purpose of this volume.

**One hundred letters from Death Row** Marit Lund Bødtker, 2023-06-07 This is the story of Ivan Ray Murphy Jr who at the age of 28 was condemned to death for the murder of a defenceless old woman. In his youth Murphy had regularly mowed the lawn of the victim, his grandmother's friend and neighbour. Over a period of ten years and through the medium of more than a hundred letters, Murphy who was known as PeeWee shared his innermost thoughts with his twenty years older Norwegian pen friend, the author of this book, Marit Lund Bødtker, and in so doing afforded her an insight into a hitherto completely unknown world. The author twice travelled to the prison in Huntsville, Texas, where Murphy was held and from where he worked tirelessly to regain his freedom. In the course of their long friendship, at the condemned man's urging, Marit Lund Bødtker agreed to write a book about his life. This is that book. Whether he is innocent as he claims to be or guilty, Murphy is first and foremost a human being, a man with his own personal strengths and weaknesses, dreams and aspirations. In all probability, readers will sometimes find themselves agreeing with him, at other times totally at variance with his conduct and opinions, just as they do with other people they meet or read about.

John Peder Egen's Secretary General Amnesty International Norway, Marit Lund Bødtker, b. 1941, a librarian and journalist by profession, is the author of a wide range of books, both fiction and non-fiction, for children and adults. This is her eighth book. Basil Cowlishaw has been resident in Norway since 1949 and has translated numerous articles, tourist brochures, scientific treatises, plays and books, among them Henrik Ibsen's *Ghosts* and the official account of the XVII Olympic Winter Games. The writer is using a pen name, M. L. Cooper for Singapore Sling. She is an established Norwegian writer, a former journalist and librarian as well. Altogether, this writer has published ten books in different genres. She was born in 1941.

**The Light Ages: The Surprising Story of Medieval Science** Seb Falk, 2020-11-17 Named a Best Book of 2020 by The Telegraph, The Times and BBC History Magazine. An illuminating guide to the scientific and technological achievements of the Middle Ages through the life of a crusading astronomer-monk, Falk's bubbling curiosity and strong sense of storytelling always swept me along. By the end, *The Light Ages* didn't just broaden my conception of science; even as I scrolled away on my Kindle, it felt like I was sitting alongside Westwyk at St Albans Abbey, leafing through dusty manuscripts by candlelight. Alex Orlando Discover Soaring Gothic cathedrals, violent crusades, the Black Death: these are the dramatic forces that shaped the medieval era. But the so-called Dark Ages also gave us the first universities, eyeglasses and mechanical clocks. As medieval thinkers sought to understand the world around them, from the passing of the seasons to the stars in the sky, they came to develop a vibrant scientific culture. In *The Light Ages*, Cambridge science historian Seb Falk takes us on a tour of medieval science through the eyes of one fourteenth-century monk, John of

Westwyk Born in a rural manor educated in England's grandest monastery and then exiled to a clifftop priory Westwyk was an intrepid crusader inventor and astrologer From multiplying Roman numerals to navigating by the stars curing disease and telling time with an ancient astrolabe we learn emerging science alongside Westwyk and travel with him through the length and breadth of England and beyond its shores On our way we encounter a remarkable cast of characters the clock building English abbot with leprosy the French craftsman turned spy and the Persian polymath who founded the world's most advanced observatory The Light Ages offers a gripping story of the struggles and successes of an ordinary man in a precarious world and conjures a vivid picture of medieval life as we have never seen it before An enlightening history that argues that these times weren't so dark after all The Light Ages shows how medieval ideas continue to color how we see the world today

*Hemingway's Art of Revision* John Beall, 2024-05 In *Hemingway's Art of Revision* The Making of the Short Fiction John Beall examines in close detail two of the author's vignettes from the first version of *In Our Time* and ten of his short stories with an extensive focus on manuscripts and typescripts as part of a broader examination of how Ernest Hemingway crafted his distinctive prose through a rigorous process of revision The first three chapters discuss the influence of Hemingway's three most important modernist mentors Ezra Pound James Joyce and Gertrude Stein The first chapter focuses on Pound's influence as the editor of the *Inquest* Series of which Hemingway's *In Our Time* was the final publication The second chapter examines the affinities between Joyce's *The Sisters* and Hemingway's *Indian Camp* In particular Beall develops the case for Joyce's influence on Hemingway's decision to revise the story to maintain the reader's focus on young Nick Adams's point of view in his first encounter with death Chapter three explores

Hemingway's revisions of *Cat in the Rain* as reflecting the influence of Stein's novellas and sketches as well as that of Joyce's stories and novels. The remaining chapters delve into the artistry of Hemingway's extensive revisions in later masterpieces from *Big Two Hearted River* to *Fathers and Sons*. Beall's discussion of *Big Two Hearted River* shows that Hemingway's revisions were not simply cuts and omissions but included several paragraphs that he added to slow down the narrative and represent Nick Adams's careful observations of a kingfisher and trout as he watched their shadows on the river. The chapter on *The Battler* and *The Killers* explores the extent to which Hemingway's revisions brought racial conflicts to the forefront of each story and portrayed Bugs and Sam as guides for Nick Adams. A subsequent reading of the story *Now I Lay Me* shows that in rewriting the story Hemingway developed his portrait of Nick Adams as a writer making up imaginary rivers to cope with the traumas of childhood and war. A chapter on *A Way You'll Never Be* focuses on how Hemingway's revisions developed crucial story elements including Nick's interior monologues, manic lecture about grasshoppers, and wacky sense of humor that showed the character restoring a sense of emotional balance despite his memories of being wounded in World War I. Subsequent chapters on *Fathers and Sons*, *Indian Camp*, *Hills Like White Elephants*, *The Gambler*, *the Nun and the Radio*, and the concluding chapter in part focused on drafts of *The Snows of Kilimanjaro* offer new discussions of the author's process of revision based on his manuscripts and typescripts published in the Hemingway Library Edition. In the end, by drawing attention to the meticulous edits, additions, and deletions that helped shape these texts, Beall reveals how extensively and richly Hemingway revised his drafts while composing some of his most powerful short fiction. Hemingway's *Art of Revision* gives a detailed view of a great prose stylist at work.

*Letters to Sabrina* Pascale Kadoch Warman, 2010-04-06 A close detailed look at a nine-month roller coaster ride that ends with a beautiful baby girl. This journal started as letters to my daughter chronicling my pregnancy with her. I later decided to share them with everyone as I loved reading other mommies' stories when I was pregnant.
