**Aryans and British India** Thomas R. Trautmann, 2023-07-28 Aryan a word that today evokes images of racial hatred and atrocity was first used by Europeans to suggest bonds of kinship as Thomas Trautmann shows in his far reaching history of British Orientalism and the ethnology of India When the historical relationship uniting Sanskrit with the languages of Europe was discovered it seemed clear that Indians and Britons belonged to the same family Thus the Indo European or Aryan idea based on the principle of linguistic kinship dominated British ethnological inquiry In the nineteenth century however an emergent biological race science attacked the authority of the Orientalists The spectacle of a dark skinned people who were evidently civilized challenged Victorian ideas and race science responded to the enigma of India by redefining the Aryan concept in narrowly white racial terms By the end of the nineteenth century race science and Orientalism reached a deep and lasting consensus in regard to India which Trautmann calls the racial theory of Indian civilization and which he undermines with his powerful analysis of colonial ethnology in India His work of reassessing British Orientalism and the Aryan idea will be of great interest to historians anthropologists and cultural critics Aryan a word that today evokes images of racial hatred and atrocity was first used by Europeans to suggest bonds of kinship as Thomas Trautmann shows in his far reaching history of British Orientalism and the ethnology of India When the historical r

**Truths** Prodosh Aich, MVR Nair, 2017-04-28 We are what we know We know what is handed down Our daily life is organised by historical narrations Universally To judge over the validity of historical narrations and of history we must know all about those narrators of history Today and during the last

two centuries all narrators of history are educated in institutions created by European Christians They narrate history incoherently though the history all over is coherent and interdependent The libraries are flooded by incoherent deliberations and with books that are copied and pasted from other books This is more so since the rise of the Ottoman Empire since the blockade of the land route and beginning of search for a sea route to India and all that has followed thereafter until our days Why do they narrate incoherently though historical developments are coherent and interdependent by its nature Why do they copy and paste and duplicate To judge over the validity of historical narrations in their books the authors of this book search and investigate into the acquired qualifications and careers of all main narrators of this history The search is based on primary documents The result of this search is thrilling mysterious and stunning We are fed by books that are based on secondary sources These books are mere propaganda which should be stored in bad libraries The result of this search has banged on the Pandora s Box and it is open now
