Hollywood Shot by Shot Norman K. Denzin, 2017-09-04

To what extent have Hollywood feature films shaped the meanings that Americans attach to alcoholics their families and the alcoholic condition To what extent has the mass culture of the movie industry itself been conceptually shaped by a broad external societal discourse Norman Denzin brings to his life long study of alcoholism a searching interest in how cultural texts signify and lend themselves to interpretation within a social nexus Both historical and diachronic in his approach Denzin identifies five periods in the alcoholism films made between 1932 and the end of the 1980s and offers a detailed critical reading of thirty seven films produced during these six decades

The Soul of Sponsorship Robert

Fitzgerald, 2011-03-04 The Soul of Sponsorship explores the relationship of Bill Wilson cofounder of Alcoholics Anonymous and his spiritual adviser and friend Father Ed Dowling Many might consider that such a remarkable individual as Bill Wilson who was the primary author of AA literature would be able to deal with many of life's problems on his own Reading The Soul of Sponsorship will illuminate and answer the question of how Father Ed an Irish Catholic Jesuit priest who was not an alcoholic was able to be of such great help to Bill Wilson Part of AA's Twelfth Step reminds us to carry this message to alcoholics and The Soul of Sponsorship illustrates how sober alcoholics still need the principles of the Twelve Steps brought to them by friends sponsors and spiritual advisers Some of the problems faced by Bill Wilson were depression in recovery dependency issues whether or not to experiment with LSD the place of money and power in AA knowing God's plan and will learning from mistakes Father Ed taught Bill the importance of discernment In Father Ed's Jesuit tradition discernment was a gift passed down to him from St Ignatius the founder of the Jesuits who described his own struggle with discernment in The Spiritual Exercises of St Ignatius The Twelve Steps of AA and The Spiritual Exercises of St Ignatius presuppose that there is a caring God whose will can be known The act of tuning in to God's action at one's center is discernment The big question is how do you know your Higher Power is speaking and revealing Himself through your feelings and desires For the good of AA and himself Bill learned to listen to his desires be aware of his inner dynamics and tune into the action of God within Doing

this meant learning to recognize and identify his personal movements those inner promptings and attractions often called emotions or affections which are part of ordinary human experiences The person who helped Bill grow in discernment was Father Ed the Jesuit priest with a cane who limped into the New York AA clubhouse one sleet filled November night in 1940 The two fellow travelers Father Ed Dowling and Bill Wilson gave each other perhaps the greatest gift friends can give calling on each to know who he is before God

God and Alcoholism Dick B.,2002 This book traces A A s real Bible based pioneer program It highlights the early view that relief from alcoholism and addictions can be obtained and a cure received by turning to God The author discloses his own recovery and deliverance within the rooms of A A and applauds the great and unique role of the society during the 20th Century

The Good Book and the Big Book Dick B.,1997 In addition to being a recovered alcoholic Dick B has been an ardent Bible student especially for the last 22 years of his recovery It was always his objective to learn the Biblical roots of A A of which A A Cofounder Dr Bob spoke so often Dick wanted to locate and define those roots And after many years of digging he was able to write this first of several books on A A s roots in the Bible the Book of James the Sermon on the Mount and 1 Corinthians 13 Each year of continued research has unearthed more and more facts about early AA and the Bible And the facts begin with this Good Book work
