The more you become an active participant in God's Word, the more you will become aware of all that it means to be in Christ and to live boldly and confidently in God's truths.

First Steps in the Bible Ruth Graham, 1980 A collection of stories from the Bible, each with questions for use in family devotions.

First Steps: New Believers Training Kit Joseph D. Perry, 2022-01-27 Jesus teaches us to pray, "Give us this day our daily bread." But what does that really mean? Obviously, Jesus was not telling his disciples to simply pray for a morsel of literal bread every day, right? Isn't that obvious? Bread in the Bible was a powerful symbol of God's provision, the act of supplying with food, drink, or equipment for a journey. So when you pray, "Give us this day our daily bread," you are actually saying, "God, I need you to supply me with everything I need to make it through this journey of life, and I need you to do it EVERY DAY." Well, here it is, all contained in this workbook, coupled with the corresponding video presentation. Simply spend 20-30 minutes with God every day, and He will serve you. His daily provision, and every area of your life, will grow to a remarkable and exponential proportion. You will become very close to your Heavenly Father. You will feel Him and hear Him speak to you every day. What a wonderful, unexplainable feeling! Here is the daily Time with God formula: P R S P P. Pray 3-5 minutes, R Read 5-10 minutes, S Study 10-15 minutes, P Pray 3-5 minutes. You've prayed for years. Give us this day our DAILY BREAD, well, now here it is.

Miller, 2004 The Bible comprises a large array of books teachings and stories woven into a longer narrative that opens with creation and ends with a vision of creation renewed Although it is the best selling book in history and notwithstanding its vast popularity and importance very few of its readers have any idea who actually wrote its various segments or how they came to be assembled into the sacred work we know today Moreover history has shown that it can be wrongly interpreted with devastating consequences In HOW THE BIBLE CAME TO BE John W Miller has written the first detailed study of the form and message of the Bible as a whole along with carefully documented information on how when and why its diverse components were assembled His pathbreaking work puts readers in touch for the first time with the intent and goals of those who created this large body of sacred scriptures Taken together the information in HOW THE BIBLE CAME TO BE shows how an awareness of the factors at play in the Bible's formation can greatly enrich our understanding and appreciation of the sacred scriptures and their major components Since it is both historically objective and theologically meaningful this work is ideally suited for introducing the Bible in college university or seminary courses Its ecumenical approach should make it of interest to anyone wanting a better understanding of the Bible and its origins *Following Jesus* Harold Percy, Michael Knowles, 1996 A popular basic primer on Christian foundations with an emphasis on practical action addressing teachings on scripture prayer community ministry worship and stewardship Designed for those coming to faith for the first time ABC
