Security Patch Management Felicia Nicastro, 2011-04-05 Although the patch management process is neither exceedingly technical nor extremely complicated, it is still perceived as a complex issue that's often left to the last minute or resolved with products that automate the task. Effective patch management is not about technology; it's about having a formal process in place that can deploy patches to v

Handbook of Media Management and Economics Alan Albarran, Bożena Mierzejewska, Jaemin Jung, 2018-04-27 Winner of the 2019 Robert Picard Book Award, *The Handbook of Media Management and Economics* has become a required reference for students, professors, policy makers, and industry practitioners. The volume was developed around two primary objectives: assessing the state of knowledge for the key topics in the media management and economics fields and establishing the research agenda in these areas, ultimately pushing the field in new directions. The Handbook's chapters are organized into parts addressing the theoretical components, key issues, analytical tools, and future directions for research. With its unparalleled breadth of content from expert authors, the Handbook provides background knowledge of the various theoretical dimensions and historical paradigms and establishes the direction for the next phases of research in this evolving arena of study. Updates include the rise of mobile and social media, globalization, audience fragmentation, and big data.
