Russian Energy Policy

and Military Power Pavel K. Baev, 2012-12-06 This book examines the interplay between energy policy and security policy under Vladimir Putin and his drive to re establish Russia's greatness Assessing the internal contradictions of this policy the book argues that Russia's desire to strengthen its role of energy security provider is undermined by its inability to secure growth in production of oil and gas Further the pressing demand to channel more resources into the military industrial complex clashes with the growing need to invest in the energy complex and the priority granted to strategic forces deprives the conventional forces of strike power and strategic mobility In conclusion the author anticipates how these contradictions could be resolved and suggests three short scenarios for Russia's continuing transition in the next decade This book will be of interest to students of Russian politics European politics and international security **Collaborating for Real Literacy**

Sharon M. Pitcher, Bonnie Mackey, 2013-03-21 Advances in literacy require collaboration between all of a school's stakeholders This book harnesses the latest research and takes into consideration CCSS to show how to make that collaboration a reality Authentic literacy practice is crucial to preparing all students to be successful both in the workplace and college in the 21st century Insisting that this literacy achievement will only happen when librarians teachers literacy coaches and administrators work together in their schools Collaborating for Real Literacy addresses the role of each instructional leader individually and examines the importance of the group collectively in bolstering the literacy of all students Practical ways to support the teaching of the Common Core State Standards CCSS are infused throughout every chapter In this second edition of the book core chapters on scaffolding literacy centers family literacy English language learners comprehension assessment writing and discussion have been updated based on current research and CCSS Each of these chapters now offers suggestions for literacy coaches Also new are recommendations for grades K 5 and 6 12 demonstrating specific ways to apply instructional ideas to different age levels and providing materials that can be used for the instruction Additionally three new chapters have been added with real literacy instructional ideas for content area reading and Response to Intervention support for struggling readers Reference Guide to Russian Literature
