Economic Change in the Balkan States Örjan Sjöberg, Michael Louis Wyzan, 1991 These papers describe the economic conditions in four Balkan Countries during the 1980s examine the current economic programmes of their governments and consider the prospects of their economies in the 1990s The contributors include scholars from the West and from the countries concerned Regional Economic Development in the Balkan Region Teoman Duman, Erkan Ilgün, Merdžana Obralić, 2016-01-14 This edited volume brings together original scientific studies on current economic and developmental issues in the Balkan region and is composed of papers by 25 authors from seven different countries The Balkan region has gained significant interest in recent years due to its location and strategic position representing a doorway to Europe and the region's stability and progress have direct consequences on various European countries Because of this strategic position there is currently much debate regarding a potential partnership of the Balkan states with the European Union This book offers insights into the current economic and developmental status of the countries in this region offering a series of chapters that analyse the area from a variety of perspectives It begins with a discussion on the recent history of the region especially with reference to the former Yugoslavia and its break up after the turbulence experienced in 1990s Other sections are complementary to each other in that they offer comparisons of the Balkan states in their economic progress at the micro and macro levels Topics such as European integration policies and effects economic transition regional trade tax incentive policy regional capital markets regional development agencies and systems remittances and foreign aid contributions import export policies fiscal policies analysis of regional microfinance and the tourism sectors are explored in detail throughout the book

Economic Change in the Balkan States Örjan Sjöberg, Michael Louis Wyzan, 1991 **Geopolitical and Economic Changes in the Balkan Countries** Nicholas V. Gianaris, 1996-08-16 Geopolitical and Economic Changes in the Balkan Countries is a background work on the history wars and invasions of the Balkans The ways in which this background has produced and altered the present unsettled situation in Bosnia and other parts of the peninsula is discussed The recent involvement of the United States and the stabilizing role of Greece in southeastern Europe as well as the potential economic

cooperation between the Balkan countries and the European Union are analyzed

Western Balkan Economies in Transition Reiner Osbild, Will Bartlett, 2018-08-23 This book explores the economic and social development of the Western Balkan region a group of six countries that are potential candidates for EU membership It focuses on the key economic issues facing these countries including the challenge of promoting economic growth limiting public deficits and debt and fostering international trade relations Given the severe impact of the recent economic crisis on social welfare in the region it also investigates the nature and extent of social exclusion a factor likely to produce future political instabilities if not effectively addressed by a return to sustainable economic growth The contributions explore these issues in light of the major influence of EU policy instruments and advice which are currently guiding the economies along an accession trajectory to future EU membership

Social and Economic Development in Central and Eastern Europe Grzegorz Gorzelak, 2019-08-13 The integration of post socialist Central and Eastern Europe into the EU is one of the success stories of European development The region has seen significant economic convergence dramatic changes in socio economic indicators and improvements in the natural environment However some challenges remain such as political divergence public governance issues and population demographics This book identifies and analyses the key post 1990 developments across the New Member States at the sub national and national levels with frequent country level and regional comparisons Careful attention is paid to drawing out commonalities in development trajectories while appreciating each country s unique context Drawing on the academic literature and illuminating empirical material the broad range of topics discussed in the book paints a detailed picture of both change and stability in Central and Eastern Europe It will be valuable reading for advanced students researchers and policymakers in regional studies European studies human geography political economy and transition economics

The Balkans and the West Andrew Hammond, 2017-03-02 This collection of essays locates investigates and challenges the manner in which the Balkans and the West have constructed each other since 1945 Scholars from the two

sections of the continent explore a wide range of fiction film journalism travel writing and diplomatic records both to analyse Western European balkanism and to study Balkan representations of the West over the last fifty years The first section looks back to the Cold War examining the divergent often favourable images of the Balkans that existed in Western culture as well as the variety of responses that appeared in South East European writings on the West The second section analyses the transitions that took place in representation during the 1990s Here contributors explore both the harsh denigration of the Balkans which came to dominate western discourse after the initial euphoria of 1989 and the emerging tradition of contesting Western balkanism in South East European cultural production Through this dual emphasis the volume exposes the representational practices that help to maintain a deeply divided Europe and challenges the economic and political injustices that result Despite the rise to prominence of postcolonial theory with its awareness of global inequality the current crises in many parts of South East Europe have received scant attention in literary and cultural studies The Balkans and the West addresses this deficiency Ranging in focus from Serbian cinema to Romanian travel literature from Western economic writings to Yugoslav fiction and from public discourse in Albania to NATO's vast propaganda machine the essays offer wide insight into representation and power in the contemporary European context

Economic Growth in the European Union Christos Nikas, 2020-08-29 This book studies the economic recovery of individual European Union member states more than ten years after the beginning of the global economic crisis In light of austerity policies and conservative government investments in many EU countries it explores how higher growth rates can be achieved by stimulating firms and economic sectors with a high accelerator potential The contributing authors analyze the effects of EU policies on small and medium sized enterprises SMEs while also studying EU policies with the potential to foster investments and economic growth Furthermore the book assesses the EU policy on foreign direct investment FDI in the member states in comparison with similar policies in Russia and the US The authors demonstrate that FDI besides providing financial resources can facilitate modernization especially in the high technology sectors Finally the book provides a sector analysis and policy recommendations on tourism and immigration as well as economic protectionism since tourism has proved to be the most dynamic sector especially in the European South while immigration is one of the most serious issues the EU is currently facing This book will appeal to scholars in economics and related fields as well as decision makers and professionals at governmental institutions looking for policy measures and tools to stimulate economic growth

Economic Growth, Prosperity and Sustainability in the Economies of the Balkans and Eastern European Countries Maria Mavri, Patricia Ikouta Mazza, Anastasios Karasavoglou, Persefoni Polychronidou, 2024-08-07 This book features a selection of papers presented at the 15th International Conference Economies of the Balkan and Eastern European Countries EBEEC held at the University of the Aegean in Chios Greece May 12-14 2023 The EBEEC conference serves as an annual meeting of policy makers from Eastern European and Balkan countries as well as scientists More than 300 researchers and students

attended the conference and presented their work in parallel sessions This volume deals with various aspects of economic growth prosperity and environmental social and economic sustainability of countries in the region in the context of globalization and digitalization It also examines topics such as consumer behavior towards new products and services human capital teleworking the food market international trade and foreign direct investment In turn the book proposes frameworks and solutions to help countries deal with and manage the complex local and global environment

The Balkans in Transition Charles Jelavich, Barbara Jelavich, University of California. Center for Slavic and East European Studies,

Experimenting With Democracy Tom Gallagher, Geoffrey Pridham, 2012-10-12 The chronic instability in the Balkan States of South East Europe has prevented the end of the Cold War becoming an era of genuine peace in Europe Against a background of competing nationalisms economic decline the resilience of authoritarianism it is easy to forget that there have been experiments with democracy have taken place since 1990 with relative success Now for the first time the region is genuinely engaging with open politics its outcome will determine whether the Balkans can cease being a byword for instability and an area whose shock waves have disturbed the peace of Europe on many occasions Democratisation in the Balkans explores the obstacles impeding the consolidation of democracy and even preventing a state like Serbia from going very far down the democratic road Social scientists with expert knowledge of each of the Balkan states and their political and economic systems examine why progress in building free institutions has been slow compared to that of Central Europe the Iberian peninsula and Latin America
