document accurately reflects the spirit of the times and the life styles of the people and emphasis is on the development of social economic and political institutions      *Quick Bibliography Series* ,1976      Japan in Transformation, 1945-2010 Jeff Kingston,2013-11-26 Since 1945 Japan has successfully reinvented itself rising from the ashes of defeat to become a peaceful and prosperous nation It is seen as an inspiration for other developing nations and contributes significantly to global development As the third largest economy in the world with a reputation for technological innovation and cultural creativity Japan is a country shaping the world we live in In this new edition of Japan in Transformation Jeffrey Kingston explores the character of the nation as it has evolved since the end of the Second World War The book examines the US Occupation and explains the causes of the economic miracle and its demise evaluates the effect of the Lost Decade of the 1990s and the unravelling of the Japan Inc system that prevailed in the twentieth century analyses such central and topical issues as the demographic crisis regional relations security concerns political change and the role of women Expanded and thoroughly revised to cover the period of 1945 to 2010 this second edition of Japan in Transformation provides a succinct and comprehensive study of the recent history of one of the most dynamic nations in the modern world      *How Asia Got Rich* Edith Terry,2015-05-20 Within a few short months in 1997 Asian economies that had been considered not only healthy but miraculous suddenly fell off a precipice as investors withdrew massively first from Asian currencies and in rapid order from equity markets across the region On October 27 1997 the turmoil in Asian markets spooked Wall Street in the largest single day decline in history a drop of 550 points It was predicted that the Asian crash could drive the US trade deficit from 191 billion to 300 billion by 1998 creating huge new tensions in relations with some of the largest US trading partners These wrenching changes following a generation of success raise numerous questions about the steps that led to the crisis its likely outcome and the limits and constraints of Asian capitalism Edith Terry presents a blow by blow account of the crisis beginning with the 1996 collapse of the Bangkok Bank of Commerce In her overview she links the fall of the Asian miracle with the theme of globalization arguing that the crisis demonstrates the urgency of dismantling restraints to trade investment and financial services and that the United States should take leadership in pushing for new and sweeping reform through the World Trade Organization and in bilateral negotiations with its trading partners The final section of the book deals with the rise of the Asian miracle how the myth was created who created it why it succeeded for so long and is informed by analysis of the Japanese prototype      *Multinational Investment and Economic Structure* Rajneesh Narula,2002-09-11 Multinational Investment and Economic Structure examines the relationship between industrial development and foreign direct investment FDI activities and the interaction between multinational MNE activity and economic structures It deals with the changing structure of the world economy as a whole and the dynamics of the relationship between industrial development and the extent of FDI activities across countries It evaluates the concurrent and interrelated evolutionary processes behind economic growth and MNE activity and how these evolutionary forces impact on

the economic structure of individual economies in the industrialised world as their economies converge through globalisation

**The Internationalization of the Japanese Economy** Chikara Higashi, Peter G. Lauter, 2013-03-09 The internationalization of the Japanese economy or the shift from an export led to a domestic demand led growth is one of the important current developments in the world economy It involves the interaction of a variety of economic social and cultural factors which many observers outside of Japan need to appreciate in order to understand what the process entails Drs Higashi and Lauter have written a book which is providing detailed insight into the policy alternatives which the Japanese government has chosen to achieve the objectives of the internationalization process Moreover they have also analyzed the potential problems which surround the implementation of the complex policies I believe that their book is a valuable addition to both the academic and the general literature on Japan's efforts to change its role in the world economy and to contribute to the well being of people everywhere Michio Watanabe Tokyo March 1987 Minister of International Trade and Industry December 1985 July 1986 Minister of Finance July 1980 November 1982 XI The Internationalization Of The Japanese Economy 1 THE PATH TO ECONOMIC POWER Japan known around the world as a small resource poor island country has experienced a greater than tenfold increase in its gross national product GNP in real terms since 1950 **Keiretsu Economy - New Economy?** R. Kensy, 2001-04-02 This book combines a theoretical study of Japan's economic structures and multinational enterprises with a post modern analysis of the contemporary multinational enterprise The author considers the appropriateness of the post modern approach for discussing economic activities in particular the New Economy and also Japanese society and culture Kensy analyses Japan's economic structure interpreting its methods strategies and results in a post modern context and presents a survey of socio economic development in Japan since the beginning of westernization He goes on to discuss Japanese models for the transformation of society in the future with particular reference to the Keiretsu Finding Japan to be a truly postmodern society Kensy shows that Japan is prepared to be a leader in the New Economy Kensy takes an innovative and stimulating approach that will be of interest to those seeking to better understand the development and future of the economic structures of Japan **Politics and Economics of Japan** W. D. Alemu, 1992 *Japan's Socio-Economic Evolution* Sarah Metzger-Court, Werner Pascha, 2013-12-16 From the commercial and industrial transformation of Osaka in the late 19th century to the role and status of Japanese multinationals in Europe these two themes represent both the time span and the breadth of this volume **China in the Eyes of the Japanese** Wang Xiuli, Wang Wei, Liang Yunxiang, 2020-12-29 The relation between China and Japan is one of the most important bilateral relationships in the world but how did the Japanese view China in ancient times How did views change throughout the course of history How could China's image be improved in Japanese people's eyes This book provides an analysis of the history of contact between China and Japan and surveys the present situation to understand general views of Japanese society toward China Through scientific public opinion surveys as well as in depth interviews the book examines ordinary and elite Japanese people's views

of Chinese culture society politics the economy media and Sino Japanese relations In addition it analyzes the main causes of the formation of such views and makes suggestions on promoting positive public opinions of China The authors hope that this title can deepen Japanese society s understanding and comprehension of China help promote Sino Japanese non governmental exchange and lay the foundation for continuous development of Sino Japanese relations This title will appeal to students and scholars of cultural studies international relations and Asian studies     *Japan* Jon K. T. Choy,1988     *Japan's Economic Challenge* Michael Keresztesi,Gary R. Cocozzoli,2018-10-26 This book first published in 1988 assembles a key pool of references in English to help study the Japanese economic challenge of the 1980s Collectively these writings chronicle the historical social and cultural background of Japan s spectacular industrial take off They describe analyse and interpret the diverse manifestations of Japan s economic growth     *Power, Economics, And Security* Henry Bienen,2019-10-16 This volume is dedicated to the memory of Klaus E Knorr This is fitting for a number of reasons The collaborative work here was done under the auspices of the Center of International Studies at Princeton University which Klaus Knorr directed from 1961 until 1968 The concerns of this book are to analyze the relationships among economic and military power and national security to explore the ways economic power and economic decline relate to international hegemony and to examine our understanding of concepts such as power security and burden sharing These concerns ranked high on Klaus Knorr s research agenda during his productive and fruitful life
