Economic Reform And Agricultural Development:

Economic Reform, Trade and Agricultural Development Ian A. Goldin, 2014-01-14 Over the past decade developing and formerly centrally planned economies have embarked on fundamental economic reforms The reforms at the macroeconomic level notably in fiscal monetary and trade policies have come under the analytic microscope However these macroeconomic reforms are a necessary but not sufficient condition for growth reforms in the productive sectors of the economy agriculture industry and services are required to generate growth and employment This book through focusing on the links between macroeconomic and agricultural reforms examines in a comparative perspective these hitherto neglected but vital links providing both theoretical and policy perspectives on the scope and sequencing of economic reform

Agricultural Development and Economic Transformation John W. Mellor, 2017-10-17 This book examines the role of agriculture in the economic transformation of developing low and middle income countries and explores means for accelerating agricultural growth and poverty reduction In this volume Mellor measures by household class the employment impact of alternative agricultural growth rates and land tenure systems and impact on cereal consumption and food security The book provides detailed analysis of each element of agricultural modernization emphasizing the central role of government in accelerated growth in private sector dominated agriculture The book differs from the bulk of current conventional wisdom in its placement of the non poor small commercial farmer at the center of growth and explains how growth translates into poverty reduction This new book is a follow up to Mellor's classic prize winning text *The Economics of Agricultural Development* Listed as a Best Books of 2017 Economics by Financial Times

Economic Reform in India Nicholas C. Hope, Anjini Kochhar, Roger Noll, T. N. Srinivasan, 2013-01-21 The essays in this volume are written by leading economists working on the Indian economy They collectively emphasize the importance of policies and institutions for sustained growth and poverty reduction stressing that the success of sector specific policies is vitally dependent on the nature of markets and the functioning of institutions such as those charged with regulating and overseeing critical sectors Individual contributions assess the role of Indian government policy in key sectors and emphasize the policies required to ensure improvements in these sectors The first section discusses aspects of the macro economy the second deals with agriculture and social sectors the third with jobs and how labor markets function in agriculture industry and services and the fourth with infrastructure services specifically electricity telecommunications and transport The essays are drawn from the most influential papers presented in recent years on Indian economic policy at the Stanford Center for International Development
