Economics Gender Selected Bibliography:

Economics and Gender Flavia Marco, 2002 This Bibliography is intended to facilitate the exchange and dissemination of information on gender and economics It contributes to the research and analysis of recent trends in globalization and economic liberalization changes in the roles performed by women and men and the development policies adopted The subjects addressed in the Bibliography are the effects of global and national economic processes on the traditional roles carried out by men and women the impact of gender stereotypes on their economic opportunities international trade with an emphasis on the opportunities and restrictions it entails upon women liberalization of the financial market financial crises and their effects on the population **The Political Economy of Gender in the Twentieth-Century Caribbean V.**

Barriteau, 2001-05-18 Eudine Barriteau exposes the precarious position of women in twentieth century Caribbean societies through analyzing the operations of gender systems She reveals the absence of gender justice and equity and demonstrates that after twenty five years of policies on women Caribbean societies still have not confronted the fundamental problem of women's subordination and the conditions that maintain this The strategies used by developing states to focus on women are criticised as inadequate and it is recommended that state and society pay more attention to understanding the lives of women

The International Handbook of Gender and Poverty Sylvia H. Chant, 2011-01-01 possibly the most comprehensive contribution to a detailed and thorough analysis of gendered dimensions of international poverty contexts causes and consequences ever brought together into one volume Gender and Development I recommend this book to be a staple of reference libraries British Politics and Policy With international attention focused on halving poverty by 2015 the appearance of The International Handbook of Gender and Poverty is both timely and essential Sylvia Chant is to be congratulated for producing a state of the art compendium of everything you need to know about the often hidden gendered dimensions of poverty Edited and written by leading scholars and policy advisers the Handbook comprehensively covers the key themes that are vital to understanding poverty as a gendered process combining policy lessons with theoretical insight Richly illustrated with examples from across the world this book will not only be welcomed by all those dedicated to the study of poverty but by casting new light on its causes will also help to develop appropriate measures to tackle it Professor Maxine Molyneux Institute for the Study of the Americas University of London UK While each of the articles in this impressive collection makes an original contribution to the conceptual empirical and policy analysis of gender and poverty together they provide a comprehensive overview of the field and an essential resource for all sections of the development community Professor Sylvia Chant is to be congratulated for bringing together some of the leading thinkers in the field from across the world This is not only an unprecedented feat of international co operation but feminist collaboration at its best Professor Naila Kabeer Institute of Development Studies University of Sussex UK These diverse thoughtful essays go far beyond a mere summary of international scholarship They outline a fascinating and provocative agenda for future policy relevant research

This book will help redefine and revitalise the field of gender and development Professor Nancy Folbre Department of Economics University of Massachusetts Amherst USA In the interests of contextualising and nuancing the multiple interrelations between gender and poverty Sylvia Chant has gathered writings on diverse aspects of the subject from a range of disciplinary and professional perspectives achieving extensive thematic as well as geographical coverage This benchmark volume presents women s and men s experiences of gendered poverty with respect to a vast spectrum of intersecting issues including local to global economic transformations family age race migration assets paid and unpaid work health sexuality human rights and conflict and violence The Handbook also provides up to the minute reflections on how to theorise measure and represent the connections between gender and poverty and to contemplate how gendered poverty is affected and potentially redressed by policy and grassroots interventions An unprecedented and ambitious blend of conceptual methodological empirical and practical offerings from a host of established as well as upcoming scholars and professionals from across the globe lends the volume a distinctive and critical edge Notwithstanding the broad scope of The International Handbook of Gender and Poverty one theme in common to most of its 100 plus chapters is the need to en gender analysis and initiatives to combat poverty and inequality at local national and international levels As such the volume will inspire its readers not only to reflect deeply on poverty and gender injustice but also to consider what to do about it This book will be essential reading for all with academic professional or personal interests in gender poverty inequality development and social political and economic change in the contemporary world

Gender & Social Protection Strategies in the Informal Economy Naila Kabeer, 2014-03-21 The vast majority of the world s working women particularly those from low income households in developing countries are located in the informal economy in activities that are casual poorly paid irregular and outside the remit of formal social security and protective legislation This book examines the constraints and barriers which continue to confine women to these forms of work and what this implies for their ability to provide for themselves and their families and to cope with insecurity It develops a framework of analysis that integrates gender life course and livelihoods perspectives in order to explore the interactions between gender inequality household poverty and labour market forces that help to produce gender differentiated experiences of risk and vulnerability for the working poor Drawing on practical experiences from the field It uses this framework to demonstrate the relevance of a gender analytical approach to the design and evaluation of a range of social protection measures that are relevant to women at different stages of their life course These include conditional and unconditional social transfers to reduce child labour and promote children s education child care support for working women financial services for the poor employment generation through public works and different measures for old age security The book stresses the importance of an organised voice for working women if they are to ensure that employers trade unions and governments respond to their need for socio economic security Finally the book synthesises the main lessons that emerge from the discussion and the linkages between social protection strategies and the

broader macro economic framework A book that will be of interest to a wide range of readers those in the fields of economics sociology and gender studies as also activists and policy makers **Gender in History** Merry E. Wiesner-Hanks, 2011-06-24

GENDER IN HISTORY Praise for the first edition Wiesner Hanks accomplishes a near impossible feat a review of what is known about the construction of gender and the character of women s lives in all known cultures over the course of human history Theoretically sophisticated and doing justice to the historical and cross cultural record yet assimilable by students Choice Gender in History brilliantly explores the influence of gender constructs in political social economic and cultural affairs The remarkable cultural geographical and chronological range of Wiesner Hanks research is matched only by the sophistication nuance and clarity of her analysis This book offers a rare and valuable global perspective on gender roles in human history Jerry H Bentley University of Hawaii Over the past two decades considerations of gender have revolutionized the study of history Yet most books on the subject remain narrowly focused on a specific time period or particular region of the world Gender in History Global Perspectives Second Edition continues to redress this inequity by providing a concise overview of the construction of gender in many world cultures over a period stretching from the Paleolithic era to modern times Thoroughly updated to reflect current developments in the field the new edition features entirely new sections which address primates slavery colonialism masculinity transgender issues and other relevant topics As in the well received first edition material is presented thematically to reveal the connections between gender and structures such as the family economy law religion sexuality and the state Wiesner Hanks also investigates precisely what it meant to be a man or woman throughout history how these roles were shaped by various institutions and how they in turn were influenced by gender The author presents material within each chapter chronologically to highlight the ways in which gender structures have varied over time The new edition of Gender in History Global Perspectives offers rich insights into all that is currently known about gender roles throughout world history A companion website is available at www.wiley.com/go/wiesnerhanks *A History of Feminist and Gender Economics* Giandomenica Becchio, 2019-10-30 This book offers a historical exploration of the genesis of feminist economics and gender economics as well as their theoretical and methodological differences Its narrative also serves to embed both within a broader cultural context Although both feminist economics and gender neoclassical economics belong to the cultural process related to the central role of the political economy in promoting women s emancipation and empowerment they differ in many aspects Feminist economics mainly influenced by women s studies and feminism rejected neoclassical economics while gender neoclassical economics mainly influenced by home economics and the new home economics adopted the neoclassical economics approach to gender issues The book includes diverse case studies which also highlight the continuity between the story of women s emancipation and the more recent developments of feminist and gender studies This volume will be of great interest to researchers and academia in the fields of feminist economics gender studies and the history of economic thought Encyclopedia of Political Economy: A-K Phillip Anthony O'Hara, 1999 Based

on developments in political economy since the 1960s this text is a compendium of the main principles concepts problems institutions schools and policies associated with political economy It is a comprehensive introduction to the field

Encyclopedia of Political Economy Phillip O'Hara,1999-02-04 Content Description Includes bibliographical references and index

The State and Women in the Economy Jean Larson Pyle,1990-10-30 This book examines the effect of state policies on women s roles in the economy At the most concrete level it investigates the relative lack of response of women s labor force activity rates to export led development in the Republic of Ireland At a broader level it provides critical insights into current labor market debates regarding the causes of women s subordination and the efficacy of state policies designed to alleviate them The book shows how the state in addition to and interactively with the workplace and household can maintain gender inequality In so doing Pyle demonstrates the usefulness of a revitalized and broader structural approach to feminist analysis

Liberating Economics, Second Edition Drucilla Barker,Suzanne Bergeron,Susan F. Feiner,2021-02-08 In this brand new critical analysis of economics Barker Bergeron and Feiner provide a feminist understanding of the economic processes that shape households labor markets globalization and human well being to reveal the crucial role that gender plays in the economy today With all new and updated chapters the second edition of *Liberating Economics* examines recent trends in inequality global indebtedness crises of care labor precarity and climate change Taking an interdisciplinary and intersectional feminist approach the new edition places even more emphasis on the ways that gender race class sexuality and nationality shape the economy It also highlights the centrality of social reproduction in economic systems and makes connections between the economic circumstances of women in global North and global South Throughout the authors reject the idea that there is no alternative to our current neoliberal market economy and offer alternative ways of thinking about and organizing economic systems in order to achieve gender equitable outcomes Written in an accessible and engaging style this book will be of interest to students and scholars across a range of fields policymakers and any reader interested in creating just futures

Handbook of Research on Gender and Economic Life Deborah M. Figart,Tonia L. Warnecke,2013-01-01 The excellent list of themes and chapters in this volume reflects the maturity reached by feminist economics in its different dimensions Based on the notion of social provisioning for all as the basic objective of economics they represent a challenge to conventional economic thought and they show the importance of understanding theory institutions empirical work and policy from a gender perspective The global perspective provided through themes and authors is a very useful contribution to the literature Lourdes Bener a Cornell University US Standard economics has a narrow and distorted vision of what the economy is and how it works Gender scholars are on the forefront of developing better more encompassing models of human provisioning for well being This volume presents a wonderful sampling of these new theoretical and empirical developments Paula England New York University US This is an impressive collection that delves deeply and broadly into the myriad ways that gender shapes and alters economic lives and illuminates complex facets

of the economic and social provisioning process across the globe The chapters by an exciting variety of researchers policy analysts and practitioners from numerous fields present a consistent and persuasive vision of economic well being as critical to the flourishing of all people Myra H Strober Stanford University US In the aftermath of global economic downturn it has never been more important to understand how gender relates to economic life and well being This interdisciplinary collection of original research details key areas of intersection provides a comprehensive overview of the current state of research and proposes avenues for further investigation The Handbook illuminates complex facets of the economic and social provisioning process across the globe The contributors academics policy analysts and practitioners from wide ranging areas of expertise discuss the methodological approaches to and analytical tools for conducting research on the gender dimension of economic life They also provide analyses of major issues facing both developed and developing countries Topics explored include civil society discrimination informal work working time central bank policy health education food security poverty migration environmental activism and the financial crisis Economists sociologists and political scientists will find this book to be an invaluable research tool as will academics researchers and students with an interest in economics particularly feminist economics gender studies and global studies Current Awareness Service ,2003 *Gender and Economics in Muslim Communities* Ebru Kongar,Jennifer C. Olmsted,Elora Shehabuddin,2017-08-25 Bringing together feminist analyses of economic processes and outcomes with feminist critiques of Orientalism this book examines the diverse economic realities facing women in a range of Muslim communities This approach pays special attention to the role of Islam in economic analyses of gender equality and women s well being in Muslim communities while at the same time challenging biased and inaccurate accounts that essentialize Islam Nuanced case studies conducted in Bangladesh Iran Israel Nigeria and Turkey illustrate the historical and institutional diversity of Muslim communities and draw vivid pictures of the everyday economic lives of Muslim women in these communities These studies are complemented by quantitative analyses that extend beyond inserting Islam as a dummy variable The contributions represent a wide range of disciplines including anthropology economics gender studies political science psychology and sociology By placing critiques of Orientalist scholarship in direct dialogue with scholarship on economic development in Muslim contexts this diverse collection illustrates how different methods and frameworks can work together to provide a better understanding of gender equality and women s well being in Muslim contexts In doing so the authors aim to facilitate conversations among feminist scholars across disciplines in order to provide a more nuanced picture of the situation facing women in Muslim communities This book was originally published as a special issue of Feminist Economics **Queer Economics** Joyce Jacobsen,Adam Zeller,2013-03-07 An important new book bringing together into one volume many of the salient early articles in the field as well as important recent contributions this reader is an examination of and response to the effects of heteronormativity on both economic outcomes and economics as a discipline The first book to consolidate what has been published filling a gap in the currently available literature and edited

by an expert in the field it contains a brief introductory essay setting out the reasons for and aims of the project and a short section introduction defining the topic at hand and introducing each of the key readings This book is necessary reading for students in research areas including political economy urban studies economics economic history and demographic economics The Gender and Consumer Culture Reader Jennifer Scanlon,2000-08 An interdisciplinary and cross cultural collection of readings and archival materials examining the gendered relationship between the home and consumer culture identity through purchasing the supply side of consumer culture and the ways in which consumers embrace resist and manipulate the messages and activities of consumer culture Topics include shoplifting racism in advertising the Zoot suit Esquire magazine Dockers lesbianism narcissism **Asian Yearbook of International Economic Law 2024** Andrea K. Bjorklund,Marc Bungenberg,Manjiao Chi,Sufian Jusoh,Prabhash Ranjan,Islambek Rustambekov,2025-08-29 The Asian Yearbook of International Economic Law AYIEL 2024 addresses the rapidly evolving field of international economic law with a special focus on Asia and the Pacific With the rapidly changing geopolitical situation protectionist measures have been taken by many countries which has caused significant impact on international economic governance Given the importance of Asia and the Pacific it is necessary to study on trade protectionism and its impacts especially from a regional perspective The AYIEL 2024 therefore focuses on Protectionism and International Economic Law exploring the recent trade measures taken by leading economies amid the changing geopolitical and geoeconomic situation as well as the potential impacts of these changes on Asian countries and beyond **Women in the Third World** Nelly P. Stromquist,2014-04-04 Ideal for researching the status and activities of Third World women For quick reliable coverage of women s issues in developing countries here is a concise reference work written by a team of more than 80 international experts The Encyclopedia comprises 68 essays that cover the entire Third World from Africa to Asia from the Near East to South and Central America from the South Pacific to the Caribbean The women authors are acknowledged experts from Harvard University the World Bank the United Nations Development Fund for Women the University of Nairobi the International Labor Organization and other institutions who summarize the most recent scholarship on a wide range of important subjects Thoroughly indexed and cross referenced the Encyclopedia is an ideal starting point for in depth research in such areas as recent developments in the prevention of violence against women the conditions of women s lives across regions and countries women s participation in government science and technology hidden curriculum issues in higher education an overview of women s experiences as small scale entrepreneurs A feminist viewpoint enhances the coverage Informed throughout by a feminist perspective the Encyclopedia focuses on traditional women s concerns such as political participation human rights nutrition housework the family equality health and more But the coverage also extends to such issues as domestic and sexual violence creation of women friendly cities patriarchal ideologies as religious beliefs the needs of older women new jobs and exploitation in industrial production AIDS the gender consequences of ecological devastation movements for change and other areas of

increasing awareness Geographical entries cover all the major regions and countries and discuss conditions and issues in each area Spotlights the newest and best sources The Encyclopedia brings together information that has been widely scattered in sources from many disciplines An introduction by the editor illuminates the most important issues faced by Third World women today and analyzes the drastically changed global situation and how the changes impacted on the material presented in the Encyclopedia Reference aids make information retrieval easy An annotated bibliography of the latest and most important sources as well as a reference list at the end of each chapter provide quick access to current literature A thorough name and subject index makes it easy to pinpoint information Special Features Offers articles by recognized scholars and activists on gender and developmental issues Presents a variety of perspectives by women from both industrialized and developing countries Summarizes the literature of established disciplines bringing together important material scattered in many sources Identifies new areas for research affecting gender and development in emerging fields such as legal rights Outlines strategies for action in such critical areas as ecology and urban issues An annotated bibliography and list of references at end of each chapter make it easy to expand your research

Economics Gender Selected Bibliography Introduction

In the digital age, access to information has become easier than ever before. The ability to download Economics Gender Selected Bibliography has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Economics Gender Selected Bibliography has opened up a world of possibilities. Downloading Economics Gender Selected Bibliography provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Economics Gender Selected Bibliography has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Economics Gender Selected Bibliography. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Economics Gender Selected Bibliography. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Economics Gender Selected Bibliography, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites.

they are downloading from. In conclusion, the ability to download Economics Gender Selected Bibliography has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Economics Gender Selected Bibliography Books

1. Where can I buy Economics Gender Selected Bibliography books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
