Life Stories of 100 Famous Women Susan E. Edgar,Kathleen J. Edgar,2001 *Mothering and Archaeology* Laura Seifert,Suzanne M. Spencer-Wood,2025-03-21 *Mothering and Archaeology* brings to light new insights connecting mothering in the past and present by exploring all aspects of this important but frequently under valued and thus neglected subject and is underpinned by feminist theorizing of motherhood and mothering Taking a comprehensive approach this book explores the archaeology of mothers in private and public places in the past and present the patriarchal institution of motherhood versus actual mothering practices the burdens and joys of mothering in archaeology and the second shift often pressed upon women With the inclusion of intersectional research on diverse historic ideologies and practices of motherhood and mothering that varied among classes races and ethnic groups the book also spans a wide range of temporal geographic and cultural differences around the world from Ancient Egypt and Iron Age Europe to Aztec Mexico colonial Yucatan colonial and historic Europe America and Australia and modern archaeologists in America and Europe Going beyond historical practices the book also examines how female identifying archaeologists usually perform a disproportionate amount of mothering labor particularly emotional labor both in their careers and in the home Further it also addresses how becoming a mother affects women s archaeological practices and careers and discusses why women are doing most of the deeply engaged community archaeology with all of its additional relationships and social navigation of emotional labor Bringing together research on motherhood and mothering in the past with women s contemporary experiences of the relationships of mothering to archaeology this book provides new insights to researchers in archaeology anthropology public history and women s studies

Children's Books in Print R R Bowker Publishing,Bowker,1999-12 *Daughters of Gaia* Bella Vivante,2007 From their personal lives at home to their roles in the realms of religion health economics governance war philosophy and poetry this is the story of ancient women in all their aspects Vivante explores women s lives in four ancient civilizations of the Mediterranean Egypt Mesopotamia Greece and Rome While the experiences of women in ancient cultures were certainly

very different from those of most women today a tendency to focus too much on negative or restrictive images has until now provided readers with a rather incomplete picture Looking at this important era from a female oriented perspective Vivante widens the perceptual lens and makes it possible to highlight the fundamental empowered aspects of women s activities in order to present them in balance with the various limits imposed on their societal participation Beginning with powerful images of goddesses and women s roles in the religious sphere Vivante details the foundation for women s activities in all other social realms While these four Mediterranean civilizations were distinctive they also influenced each other through various forms of contact trade colonization and war Both the similarities and the differences permit richer comparisons and promote a deeper understanding of the lives of women in each
