Discovering Cat Island John Cuevas, 2018-03-16 Cat Island just off the Mississippi Gulf Coast shoreline has been home to some of the most dramatic events and remarkable stories in the nation's history While some of these stories are fact others are colorful fables passed down through the ages with such conviction they have become true in the hearts and minds of many Between fact and fiction is the undeniable reality Cat Island is one of the most historically significant landmarks on the Mississippi Gulf Coast Featuring over 160 black and white photographs by Jason Taylor and a foreword by Mississippi's Secretary of State Delbert Hosemann John Cuevas's Discovering Cat Island guides readers through Cat Island with stories and histories of twenty nine sites both real and imagined of the legendary

barrier island Originally owned by the Cuevas family as part of a Spanish land grant to Juan de Cuevas in 1781 Cat Island boasts a colorful history that includes events related to the notorious pirate Jean Lafitte and the outlaw James Copeland both of whom were thought to have buried their stolen treasure somewhere on the island the Battle of New Orleans and the War of 1812 The island served as one of the staging areas for the Seminole forced to abandon their homes and take part in the Trail of Tears In the twentieth century the island was a convenient transfer point for gangsters and local bootleggers shipping booze during Prohibition before becoming a US military training camp site during World War II In 1988 Cat Island became the location of the first oil drilling ever in the Mississippi Sound and in 2010 was one of the islands devastated by the BP Deepwater Horizon oil spill Children's Books in Print, 2007 ,2006 **Forthcoming Books** Rose Army,2002-02

Olympics and Paralympics for Wales Great Britain. Parliament. House of Commons. Welsh Affairs Committee, 2009 This inquiry arose from the Committee's belief that any benefits of the 2012 Olympic and Paralympic Games should be felt in Wales and not only in London and the South East of England The Committee cannot yet conclude whether Wales will benefit from the 2012 Games Few events will be held in Wales and it is not predicted that Wales will benefit greatly from tourism generated by the Games An opportunity was missed in the original bid to locate events in Wales particularly in respect of mountain biking and canoeing In retrospect it now seems misguided to build expensive new venues when such facilities exist in Wales Lottery funding will be diverted from Wales to fund the Games with a loss of an estimated 100 million which will have a long term effect on grassroots projects with a reduction in the number of new facilities built and possible problems in maintaining current structures The Government has launched the London 2012 Business Network and CompeteFor but there Welsh companies currently only account for 2 per cent of all the total number of registrations on the CompeteFor network The most obvious benefit to Wales arises from the fact that the Olympic and Paralympic Games in London provide a unique opportunity to generate interest in sport amongst children and young people Disability sports is a great success story for Wales and the community programme ensures that there are opportunities for children and young people with disabilities It is important that all sections of Welsh society are engaged with the Olympics and Paralympics and its ideals
