Baehler,2014-11-18 Unbreakable gives fans the fascinating stories behind incredible records and the players who made them and provides a basis for comparing players of the Deadball era with those of today Most importantly it gives the true baseball fan quantitative objective data to bring to arguments about players and their records It is almost impossible to fathom how Jack Chesbro could have won 41 games in 1904 when pitchers today don't even make that many starts in a season Ed Walsh pitched 464 innings in one season and many times pitched more than 400 innings during his 14 season career while pitchers today seldom throw more than 100 pitches a game And yet we must wonder why pitchers today seem to have more arm troubles than workhorses like Ed Walsh This and other questions are explored in a book that is so much more than a simple listing of unusual records it is a re creation of a time when the game was different and when it was played differently The book provides a baseball fan with a different perspective from which to watch today's players and to have a reasonable basis to compare them with players of yesteryear Covering players such as Christy Mathewson Walter Johnson Rogers Hornsby Ty Cobb and Babe Ruth and also including an extended analysis of pre 1900 baseball Unbreakable is perfect for any fan of our national pastime Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you
