The Battle for Isurava David W. Cameron, 2022-03-01 Within 24 hours of the Japanese invasion of northern New Guinea at Gona in July 1942 the Australian militiamen of B Company 39th Battalion spent four weeks fighting a delaying action against a crack Japanese force outnumbered by three to one By mid August the rest of the battalion had arrived and these men took up a position at Isurava in the heart of the cloud covered mountains and jungles of the Owen Stanley Range At Isurava this small militia force of the 39th Battalion now numbering around 300 men was determined to make a stand against a crack Japanese force of the 144th Regiment and supporting elements numbering at least 1500 Then on the day the Japanese launched their attack to the great relief of these militiamen reinforcements from the 2nd AIF who had fought with great distinction in the Middle East began to arrive in the afternoon having spent days struggling up the track from Port Moresby Even so the Australians were still outnumbered as the Japanese also received reinforcements and unlike the Japanese the Australians had no supporting artillery or medium machineguns The battle for Isurava would be the defining battle of the Kokoda Campaign and has rightfully been described as Australia's Thermopylae It was here that Australia's first Victoria Cross in the Pacific war was awarded when the Japanese conducted several ferocious attacks against the Australian perimeter Private Bruce Kingsbury led an Australian counterattack rushing forward sweeping the Japanese positions with his

Bren gun saving the situation when all seemed lost he was killed leading the charge Another two men were also nominated for the VC during the fighting at Isurava The outnumbered and poorly equipped Australians managed to hold back the Japanese advance for almost a week only then did these battle scared and weary men begin a month long fighting withdraw towards Ioribaiwa Ridge just north of Port Morsby However their sacrifice provided time for the Australian 25th Brigade to be brought forward finally forcing the Japanese to withdrawal just as they glimpsed the lights of Port Moresby **High Above** Chris Forrester,2010-04 *The Origin, Structure & Working of the League of Nations* Charles Howard Ellis,2003 Howard Ellis C The Origin Structure Working of the League of Nations Boston Houghton Mifflin Company 1929 528 pp Reprinted 2003 by The Lawbook Exchange Ltd LCCN 2002041362 ISBN 1 58477 320 0 Cloth 95 Surveys the League's components and the role of its chief associated bodies the International Court of Justice and the International Labor Organization Other sections consider its approach to open and secret diplomacy the ratification of conventions and the function of related technical organizations The author though enthusiastic about the League appreciates the weaknesses in its charter and organization He argues that these flaws are not inherent but are a consequence of the League's reliance on prior international law which is plagued by weakness and ambiguity **The Civil War on Film** Peg A. Lamphier,Rosanne Welch,2020-10-01 The Civil War on Film informs high school and college readers interested in Civil War film history on issues that arise when film viewers confuse entertainment with historical accuracy The nation's years of civil war were painful destructive and unpleasant Yet war films tend to embrace mythologies that erase that historical reality romanticizing the Civil War Opening with a timeline and introduction the book goes on to explore ten films across decades of cinema history in ten chapters from Birth of a Nation which debuted in 1915 to The Free State of Jones which debuted 101 years later It analyzes and critiques the myriad of mythologies and ideologies which appear in American Civil War films including Lost Cause ideation Black Confederate fictions Northern Aggression mythologies and White Savior tropes Readers will better understand how particular films mirror the time in which they were written and filmed and a list of further resources guides readers to explore the topic in more detail *The Shaping of Western Civilization* Michael Burger,2008-01-01 This book is a short interpretive and coherent overview of the history of Western civilization from antiquity to late eighteenth century Europe and America Back cover **The Pictorial Field-book of the War of 1812** Benson John Lossing,1868 **Flight**,1918
