Far Away Man:

Faraway Edmund Ironside, 2013-02 Earth Empire has developed incredible technology and it has taken humans half way across the galaxy Entire sentient species have been conquered their worlds and inhabitants exploited brutally Human technology and social structure has been used efficiently but not wisely A sense of malaise has gripped nearly all of the people and they yearn for something better Lost in a fog of bizarre state imposed controls supported by endless propaganda they don't know how to escape their meaningless existence They don't even know what they want At the outermost base called Faraway a small group of humans learn of some ancient writings although incomplete suggesting there is more to life Immersing themselves in the new way they start discovering thoughts like respect compassion community beauty purpose and especially love It's a tenuous beginning and there are those who will suppress the adherents of the new way A struggle begins between the two opposing ways The struggle spreads across the galaxy and even beyond from Faraway **Boarding**

Passes to Faraway Places Guy A. Sibilla, 2017-08-16 This entertaining and engaging collection of travelogues offers road warriors and arm chair travelers alike stories from distant isolated locales in a loop encircling the world Sibilla describes his chance meeting with the President of Guatemala who choppered into a jungle LZ next to his mules the surreal morning he awoke in Rangoon on his birthday living in a Tibetan Buddhist Monastery in Uttar Pradesh India sleeping among the moai of Rapa Nui Easter Island and many other stories of relentless adventuring From the Indian subcontinent to the Middle East from Africa to Central America and finally across the vast Pacific Ocean this collection of stories illustrates that as Robert Louis Stevenson suggested the great affair of travel is to move With an acute eye for detail and an irrepressible sense of wonderment the narratives here reflect the thrill that comes from arriving at a destination without a plan from wandering at the suggestion of strangers and the feeling of exuberance you experience when you let go and allow the path to choose you

The Faraway Mountains Radu Guiasu,2023-11-07 A dark chapter in recent human history The first part of this novel follows the adventures of three young friends during a memorable last mountain climbing trip to a remote area of a country under the control of a ruthless authoritarian regime During their journey the young men have to cope with bear encounters venomous adders colorful locals storms dangerous climbs flooded caves and other challenges as the main purpose of their trip is gradually revealed A second story intertwined with the first one focuses on a brilliant young pianist and his ill fated quest for freedom Urban life in the dreary capital where the young men regularly reside is the focus of the second part of the novel when the friends begin to go their own separate ways and come to terms with their very different future prospects The challenges of life in the capital which include run ins with feral dog packs and the secret police are very different than those faced in the mountains but not less dangerous Ultimately this is a book about friendship the noble irreverent and indomitable aspects of the human condition as well as a dark chapter in recent human history and the various ways in which different people cope with difficult and unfair conditions It is an often hilarious and sometimes

heartbreaking exploration of the absurdities of life under an increasingly erratic dictatorship which is gradually losing its grip on the people it could never fully control *The Human Race and Other Sermons: Preached at Cheltenham, Oxford, and Brighton* Frederick William Robertson,2024-02-25 Reprint of the original first published in 1881 Faraway Ranch Special History Study, Chiricahua National Monument Elizabeth Wegman-French,2006 The history of Faraway Ranch and the Erickson Riggs family is a rich and complex story However if viewed simplistically as we often have the Faraway Ranch story is one more tale of Western settlement Two Swedidh immigrants one a soldier and the other an officer s family servant meet at a frontier military post fall in love and decide to homestead along the banks of Bonita Creek in the Chiricahua Mountains from the introduction *Alex Faraway* G. F. Brynn,2024-01-30 Only a week after a fierce battle in the abandoned scrapyard against the wicked horde of large insect bots known as The Others culminating in their destruction when the huge Mars Biosphere spaceship blasted its way out of the scrapyard Alex Faraway waits impatiently for his long missing father s promised return from that planet But Dart Alex s large robotic Guardian Dragonfly is unsure if the sinister creatures from his own past are gone for good The robot flies regular patrols over the 100 acre scrapyard until one morning he abruptly disappears Alex goes in search of his adventurous friend unaware that the plot to invade Mars and destroy the last remaining Martians before they awaken from their hibernation Time Tombs is far from finished The battle from the previous week has only added weight to the might of The Others and has triggered the arrival in the scrapyard of an ever more powerful robot one with brutish motivation to complete the creation of a deadly machine from ten thousand years ago And now not only is Mars in their sites but Earth is as well Something new powerful and frightening is also happening to Alex Faraway with each passing day and each time he uses the strange Martian made device called a Luss His nightly dreams of an ancient people long forgotten are growing more physical in nature as the Glass Tunnels blur the immutable barrier between past and present dreams and reality The Ghosts and the Nethlins are coming And all the while the unknown rogue world the shadowy Planet X draws ever nearer to its ten thousand year close encounter with Mars What mysteries from the distant past does that strange glittering world hold *Man and the Spiritual World* Arthur Chambers,1900 **The Journal of a Disappointed Man** W.
