## Far From Eden:

*Anglo-American Strategic Relations and the Far East, 1933-1939* Greg Kennedy, 2013-01-11 This volume charts how the national strategic needs of the United States of America and Great Britain created a parallel but not joint relationship towards the Far East as the crisis in that region evolved from 1933-39 In short it is a look at the relationship shared between the two nations with respect to accommodating one another on certain strategic and diplomatic issues so that they could become more confident of one another in any potential showdowns with Japan

**The Stage Kiss** Amelia Jones, 2023-12-12 In this slow burn yet highly combustible enemies to lovers romance perfect for fans of Rachel Lynn Solomon and Abby Jimenez two stage actors find themselves falling for each other with each onstage kiss against their better judgment Actress Eden Blake's biggest claim to fame is a mortifying pharmaceutical commercial for male enhancement pills That is until the female lead on the nationwide tour of Broadway's hit *Pride Prejudice* musical abruptly quits and Eden is called up to fill the role The cast of *Liz and Darcy The Musical* has just settled into a three week run in Washington DC and Broadway royalty Brennon Thorne is set to play Darcy Despite Brennon's reputation as being a dream to work with Eden's first impression of him is more like a nightmare Now she'll have to kiss the pompous jerk eight shows per week Brennon can't disguise his disdain for understudies like Eden But New York is filled with reminders of his most recent failed relationship and this American tour is a much needed distraction from his loneliness As Eden and Brennon take the stage playing Jane Austen's most memorable characters their reality begins to mirror Elizabeth and Darcy's explosive chemistry and all Together they power through press performances and curtain calls even as rumors of Brennon's checkered romantic past resurface and prove to Eden that he can't be trusted But with each choreographed stage kiss Eden and Brennon's passion for the stage and each other ignites Maybe just maybe not all rumors are to be believed and not all showmances are doomed to fail

**Edge of Danger** Cherry Adair, 2006-06-27 Even the deepest peril couldn't keep him away from her As an anti-terrorism operative in TFLAC's classified paranormal unit the intrepid ruggedly handsome Gabriel Edge protects the world from the forces of evil So when an ingenious and extremely volatile invention is stolen from a covert lab in Arizona Gabriel zeroes in on the brilliant young scientist who helped to create the device From Gabriel's first contact Eden Cahill leaves an indelible impression Using a

mysterious telepathic power as ancient as his Scottish heritage as well as his seductive physical charms Gabriel must infiltrate Eden's mind to uncover the secrets she so desperately protects But Gabriel is in a bind for the only way to penetrate Eden's memories is through one shared intimate encounter that will trigger revelations shatter lives and just might save humanity all at a terribly steep price      Children of the Storm Kirsten Beyer, 2011-05-31 A thrilling novel that continues the epic saga of the Starship Voyager Little is known about the Children of the Storm one of the most unique and potentially dangerous species the Federation has ever encountered Non corporeal and traveling through space in vessels apparently propelled by thought alone the Children of the Storm at one time managed to destroy thousands of Borg ships without firing a single conventional weapon Now in its current mission to the Delta Quadrant Captain Chakotay and Fleet Commander Afsarah Eden must unravel why three Federation starships the U S S Quirinal Planck and Demeter have suddenly been targeted without provocation and with extreme prejudice by the powerful Children of the Storm with thousands of Starfleet lives at stake from an enemy that the Federation can only begin to comprehend      The Complete Maisky Diaries Ivan Mikhaïlovich Maïskii, 2017-01-01 The complete diaries that Ivan Maisky Soviet ambassador to London kept between 1932 and 1943 Confiscated by Soviet authorities in the 1950s the diaries of Ivan Maisky the USSR's ambassador to Great Britain from 1932 to 1943 have been unearthed annotated and edited for publication in a three volume set that Niall Ferguson predicts will stand as one of the great achievements of twenty first century historical scholarship Maisky's revelations illuminate Soviet foreign policy in the years prior to and during World War II providing fascinating perspectives on London's political life and climate key figures and events and the Kremlin rivalries that influenced Soviet policy Volume 1 The Rise of Hitler and the Gathering Clouds of War 1932 1938 Volume 2 The Ribbentrop Molotov Pact and the Battle of Britain 1939 1940 Volume 3 The German Invasion of Russia and the Forging of the Grand Alliance 1941 19      **The Maisky Diaries** Ivan Mikhaïlovich Maïskii, 2015-01-01 Highlights of the extraordinary wartime diaries of Ivan Maisky Soviet ambassador to London The terror and purges of Stalin's Russia in the 1930s discouraged Soviet officials from leaving documentary records let alone keeping personal diaries A remarkable exception is the unique diary assiduously kept by Ivan Maisky the Soviet ambassador to London between 1932 and 1943 This selection from Maisky's diary never before published in English grippingly documents Britain's drift to war during the 1930s appeasement in the Munich era negotiations leading to the signature of the Ribbentrop Molotov Pact Churchill's rise to power the German invasion of Russia and the intense debate over the opening of the second front Maisky was distinguished by his great sociability and access to the key players in British public life Among his range of regular contacts were politicians including Churchill Chamberlain Eden and Halifax press barons Beaverbrook ambassadors Joseph Kennedy intellectuals Keynes Sidney and Beatrice Webb writers George Bernard Shaw H G Wells and indeed royalty His diary further reveals the role personal rivalries within the Kremlin played in the formulation of Soviet policy at the time Scrupulously edited and checked against a vast range of Russian and Western archival evidence this

extraordinary narrative diary offers a fascinating revision of the events surrounding the Second World War     Fighting EOKA David French, 2015 Drawing upon a wide range of unpublished sources including files from the recently released Foreign and Commonwealth Office migrated archive Fighting EOKA is the first full account of the operations of the British security forces on Cyprus in the second half of the 1950s It shows how between 1955 and 1959 these forces tried to defeat the Greek Cypriot paramilitary organisation EOKA which was fighting to bring about enosis that is the union between Cyprus and Greece By tracing the evolving pattern of EOKA violence and the responses of the police the British army the civil administration on the island and the minority Turkish Cypriot community David French explains why the British could contain the military threat posed by EOKA but could not eliminate it The result was that by the spring of 1959 a political stalemate had descended upon Cyprus and none of the contending parties had achieved their full objectives Greek Cypriots had to be content with independence rather than enosis Turkish Cypriots who had hoped to see the island partitioned on ethnic lines were given only a share of power in the government of the new Republic and the British who had hoped to retain sovereignty over the whole of the island were left in control of just two military enclaves     *Postal #17* Bryan Hill, 2017-01-18 NEW STORY ARC FBI Agent Chris Bremble comes face to face with Isaac Shiffron the sociopath who gave birth to Eden and to find the truth of the past Bremble will have to endure Isaac s madness Laura puts Mark in charge of Eden to see if her son has the ability to lead a town full of criminals who don t trust or believe in him His mother Maggie and Molly all have a vision for what Mark should be but which path will he choose     *Valley of Death* Ted Morgan, 2010-02-23 Pulitzer Prize winning author Ted Morgan has now written a rich and definitive account of the fateful battle that ended French rule in Indochina and led inexorably to America s Vietnam War Dien Bien Phu was a remote valley on the border of Laos along a simple rural trade route But it would also be where a great European power fell to an underestimated insurgent army and lost control of a crucial colony Valley of Death is the untold story of the 1954 battle that in six weeks changed the course of history A veteran of the French Army Ted Morgan has made use of exclusive firsthand reports to create the most complete and dramatic telling of the conflict ever written Here is the history of the Vietminh liberation movement s rebellion against French occupation after World War II and its growth as an adversary eventually backed by Communist China Here too is the ill fated French plan to build a base in Dien Bien Phu and draw the Vietminh into a debilitating defeat which instead led to the Europeans being encircled in the surrounding hills besieged by heavy artillery overrun and defeated Making expert use of recently unearthed or released information Morgan reveals the inner workings of the American effort to aid France with Eisenhower secretly disdainful of the French effort and prophetically worried that no military victory was possible in that type of theater Morgan paints indelible portraits of all the major players from Henri Navarre head of the French Union forces a rigid professional unprepared for an enemy fortified by rice carried on bicycles to his commander General Christian de Castries a privileged miscast cavalry officer and General Vo Nguyen Giap a master of guerrilla warfare working out of a
