

Far Green Fields

**Elizabeth Colling, Eta MAWR (pseud.
[i.e. Elizabeth Colling.])**

Far Green Fields:

Far Green Fields Bernard Share,1992 **Such As Us** Tom E. Terrill,Jerrold Hirsch,2017-10-01 When These Are Our Lives was first published by The University of North Carolina Press in 1939 the late Charles A Beard hailed it as literature more powerful than anything I have read in fiction not excluding Zola s most vehement passages A very early experiment in the publication of oral history it consisted of thirty five life histories of sharecroppers farmers mill workers townspeople and the unemployed of the Southeast selected from over a thousand such histories collected by the Federal Writers Project in the 1930s It was the Press intention to publish several more volumes from the material that had been amassed but World War II forced the cancellation of those plans The editors of Such As Us have taken up the abandoned task and have produced a volume every bit as rich as its predecessor From the perspective of forty years we can now read these stories as vivid chapters in the social history of the South reaching as far back as slavery times and as far forward as the eve of World War II To the modern reader the people speaking in this book may at first seem quaint like curious from a past time and a different world They worked on farms in mills oil fields coal mines and other people s homes Their life histories provide a view of the world they saw experienced and helped to create They tell about family life religion sex roles being poor and getting old and they describe how major events the Civil War Emancipation World War I the Great Depression and the New Deal affected them These accounts offer the reader the chance to experience vicariously the world these people lived in to know for example the wife of the tenant farmer who commented We seem to move around in circles like the mule that pulls the syrup mill We are never still but we never get anywhere Such as Us is a contribution to the history of anonymous Americans Like the former slave narratives which have become an important primary source for the historian these life histories will enable the reader to reexamine traditional views and address new questions about the South By providing an introduction and historical interchapters that place the histories in perspective the editors set these histories within the cultural context of the 1930s and illustrate the relationship between private lives and public events These life histories allow individuals to reach across time and share their lives with us Although the people who speak in Such As Us are representatives of social types and classes they are also unique individuals a paradoxical truth their life histories affirm **King Richard II ; King Henry IV, part 1** William Shakespeare,1821 Henry IV, part II. Henry V William Shakespeare,1821 **Mineral Statistics of the United Kingdom of Great Britain and Ireland ...** Geological Survey of Great Britain,1868 **Far above rubies** Charlotte Eliza L. Riddell,1867 **Plays of Near & Far** Lord Dunsany,2021-01-01 Plays of Near Far by Lord Dunsany In this collection of plays Dunsany showcases his skills as a dramatist delivering a range of engaging and thought provoking stories From the whimsical The Fall of Babbulkund to the philosophical exploration of The Lost Silk Hat these plays highlight the depth and breadth of Dunsany s talent Key Aspects of the Book Plays of Near Far Plays Dunsany s book is a collection of plays showcasing his skills as a versatile writer of diverse and engaging dramatic works Imagination and Wonder The plays

are full of inventive and imaginative concepts with vivid descriptions and imaginative scenarios Thought Provoking Ideas The plays touch on important themes and ideas including love morality and the nature of reality provoking both intellectual and emotional responses from readers Lord Dunsany was an Irish writer known for his works of fantasy and science fiction Born in Ireland in 1878 he wrote many classic works of literature including The King of Elfland s Daughter The Gods of Pegana and numerous other books and plays His works continue to be read and appreciated today for their imaginative concepts colorful characters and engaging plots
