The Complete Works of Winston Churchill Winston Churchill,2020-09-28 I was born under the Blue Ridge and under that side which is blue in the evening light in a wild land of game and forest and rushing waters There on the borders of a creek that runs into the Yadkin River in a cabin that was chinked with red mud I came into the world a subject of King George the Third in that part of his realm known as the province of North Carolina The cabin reeked of corn pone and bacon and the odor of pelts It had two shakedown on one of which I slept under a bearskin A rough stone chimney was reared outside and the fireplace was as long as my father was tall There was a crane in it and a bake kettle and over it great buckhorns held my father s rifle when it was not in use On other horns hung jerked bear s meat and venison hams and gourds for drinking cups and bags of seed and my father s best hunting shirt also in a neglected corner several articles of woman s attire from pegs These once belonged to my mother Among them was a gown of silk of a fine faded pattern over which I was wont to speculate The women at the Cross Roads twelve miles away were dressed in coarse butternut wool and huge sunbonnets But when I questioned my father on these matters he would give me no answers My father was how shall I say what he was To this day I can only surmise many things of him He was a Scotchman born and I know now that he had a slight Scotch accent At the time of which I write my early childhood he was a frontiersman and hunter I can see him now with his hunting shirt and leggings and moccasins his powder horn engraved with wondrous scenes his bullet pouch and tomahawk and hunting knife He was a tall lean man with a strange sad face And he talked little save when he drank too many horns as they were called in that country These lapses of my father s were a perpetual source of wonder to me and I must say of delight They occurred only when a passing traveller who hit his fancy chanced that way or what was almost as rare a neighbor Many a winter night I have lain awake under the skins listening to a flow of language that held me spellbound though I understood scarce a word of it

The Graphomaniac Ilya Vinitsky, 2025-07-15 On the unexpected pleasures and provocations of bad poetry. The only Russian Count of Sardinia, Dmitry Ivanovich Khvostov (1757-1835) didn't achieve fame in his lifetime; he achieved infamy. Pathologically prolific and delusionally dedicated to a craft for which he had no talent, the count was renowned for his compulsive output driven by a passion for poetry that was as strong as his abilities were weak. Only the country that gave the world Pushkin, however, could produce Khvostov, in whom we find a distorted yet illuminating reflection of his poetic epoch with all its numerous cultural manifestations and hidden impulses, its desires and prejudices. As he leads us on a playful journey across Russia's Golden Age and beyond, from neoclassical salon to faculty lounge, Ilya Vinitsky reflects on the challenges and necessities of literary critique and on the unexpected rewards of bad art as a subject of study, not just ridicule. Mischievous but erudite, sensitive but never self-serious, *The Graphomaniac* is an intellectual biography of the anti-hero, a cultural figure whose paradoxes yield new insights into his era.

Out of the Mist JoAnn Ross, 2003 While organizing the summer's Highland Games at her family's Great Smoky Mountain Resort, Lily Stewart gets more than she bargained for when sexy Scottish filmmaker Ian MacDougall MacKenzie arrives to film the annual festival.

The Celebrity, Complete Churchill, 2016-02-22 CHAPTER I I was about to say that I had known the Celebrity from the time he wore kilts. But I see I shall have to amend that, because he was not a celebrity then, nor indeed did he achieve fame until some time after I had left New York for the West. In the old days, to my commonplace and unobserving mind, he gave no evidences of genius whatsoever. He never read me any of his manuscripts, which I can safely say he would have done had he written any at that time, and therefore my lack of detection of his promise may in some degree be pardoned. But he had then none of the oddities and mannerisms which I hold to be inseparable from genius and which struck my attention in after days when I came in contact with the Celebrity. Hence I am constrained to the belief that his eccentricity must have arrived with his genius, and both after the age of twenty-five. Far be it from me to question the talents of one upon whose head has been set the laurel of fame. When I knew him, he was a young man without frills or foibles, with an excellent head for business. He was starting in to practise law in a downtown office with the intention of becoming a great corporation lawyer. He used to drop into my chambers once in a while to smoke and was first-rate company. When I gave a dinner, there was generally a cover laid for him. I liked the man for his own sake, and even had he promised to turn out a celebrity, it would have had no weight with me. I look upon notoriety with the same indifference as on the buttons on a man's shirt-front or the crest on his
