Far Western Frontiers:

The Far Western Frontier, 1830-1860 Ray Allen Billington, 1956 A history of the westward movement and the different types of men and women who participated Gender and Generation on the Far Western Frontier Cynthia Culver Prescott, 2022-05-10 As her family traveled the Oregon Trail in 1852 Mary Ellen Todd taught herself to crack the ox whip Though gender roles often blurred on the trail families quickly tried to re establish separate roles for men and women once they had staked their claims For Mary Ellen Todd who found a secret joy in having the power to set things moving this meant trading in the ox whip for the more feminine butter churn In Gender and Generation on the Far Western Frontier Cynthia Culver Prescott expertly explores the shifting gender roles and ideologies that countless Anglo American settlers struggled with in Oregon s Willamette Valley between 1845 and 1900 Drawing on traditional social history sources as well as divorce records married women s property records period photographs and material culture Prescott reveals that Oregon settlers pursued a moving target of middle class identity in the second half of the nineteenth century Prescott traces long term ideological changes arguing that favorable farming conditions enabled Oregon families to progress from accepting flexible frontier roles to participating in a national consumer culture in only one generation As settlers children came of age participation in this new culture of consumption and refined leisure became the marker of the middle class Middle class culture shifted from the first generation s emphasis on genteel behavior to a newer genteel consumption This absorbing volume reveals the shifting boundaries of traditional women s spheres the complicated relationships between fathers and sons and the second generation s struggle to balance their parents ideology with a changing national sense of class consciousness Growing Up with the Country Elliott West, 1989-09 This illustrated study shows how frontier life shaped children s character **The Far Western frontier** , 1973 Far Western Frontiers Harvey Lewis Carter, 1972 **The Far West in American history. Far Western frontiers** Harvey Lewis Carter, 1972 The Far Western Frontier, 1830-1860, Etc. [With Plates and a Bibliography.]. Ray Allen BILLINGTON, 1956 **The Far Western Frontier** Ray Allen Billington, 1956 The Far Western Frontier Arno Press, Ray Allen Billington, 1973* Far Western Frontiers and Religion in America American Historical Association, 1973 America's Western Frontiers John Arkas Hawgood, 1967 America's First Western Frontier, East Tennessee Brenda C. Calloway, 1989 Concentrating primarily within the period of 1600 1839 this narrative describes the first Old West the land just beyond the crest of the Appalachian Mountains and the many firsts that occurred there **The Far Western Frontier, 1830-1860** , 1956* Army Regulars on the Western Frontier, 1848-1861 Durwood Ball, 2001 Unlike previous histories this book argues that the politics of slavery profoundly influenced the western mission of the regular army affecting the hearts and minds of officers and enlisted men both as the nation plummeted toward civil war BOOK JACKET Mining Frontiers of the Far West, 1848-1880 Rodman Wilson Paul, 2001 Long out of print this study of western mining is now available with three new chapters by Elliott West When originally published in 1963

Professor Paul's book offered the first comprehensive view of western mining as an integral part of the settlement process. In his supplemental chapters Professor West presents a social history of mining camps encompassing discussions of gender, class, race, labor, and the environment. The combined scholarship of Paul and West makes a strong case for the transforming effects of the mining frontier on western society in particular and American society in general. This revised expanded edition continues to offer a distinctively vivid voice and an unusually keen eye for telling detail. BOOK JACKET Title Summary field provided by Blackwell North America Inc. Making Space on the Western Frontier W. Paul Reeve, 2010-10-01

Until recently, most scholarly work on Chinese music in both Chinese and Western languages has focused on genres, musical structure, and general history and concepts rather than on the musicians themselves. This volume breaks new ground by focusing on individual musicians active in different amateur and professional music scenes in mainland China, Hong Kong, and Chinese communities in Europe. Using biography to deepen understanding of Chinese music, contributors present contextualized portraits of rural folk singers, urban opera singers, literati, and musicians on both geographic and cultural frontiers. Contributors are Nimrod Baranovitch, Rachel Harris, Frank Kouwenhoven, Tong Soon Lee, Peter Micic, Helen Rees, Antoinette Schimmelpenninck, Shao Binsun, Jonathan P. J. Stock, and Bell Yung
