Farce Majeure The Clinton Administrations Sudan Policy 1993:

Farce Majeure David Hoile,2000 **US Foreign Policy and the Horn of Africa** Peter Woodward,2016-02-11

Examining US involvement in the Horn of Africa this volume addresses the relationship between the US and the Islamic movement in this region Peter Woodward explores the interests of the United States in the region through two cases Sudan and Somalia He also discusses the effects of the Eritrean Ethiopian war on US policy and posture in the region along with the effects of other regional wars The book looks at the relationship between US perceptions of Islamism and brings a unique perspective to the ongoing debate over US policy in the Islamic world It will be of interest to those working in or researching foreign policy as well as peace security and conflict issues *American Journal of Islamic Social Sciences* 19:2 Zafar Iqbal and Mervyn K. Lewis,Ejaz Akram,Abdullah al-Ahsan,Hasan Horkuc,Ahmad S. Massasati, The American Journal of Islamic Social Sciences AJISS established in 1984 is a quarterly double blind peer reviewed and interdisciplinary journal published by the International Institute of Islamic Thought IIIT and distributed worldwide The journal showcases a wide variety of scholarly research on all facets of Islam and the Muslim world including subjects such as anthropology history philosophy and metaphysics politics psychology religious law and traditional Islam **Deadly Contradictions** Stephen P.

Reyna,2016-08-01 As US imperialism continues to dictate foreign policy **Deadly Contradictions** is a compelling account of the American empire Stephen P Reyna argues that contemporary forms of violence exercised by American elites in the colonies client state and regions of interest have deferred imperial problems but not without raising their own set of deadly contradictions This book can be read many ways as a polemic against geopolitics as a classic social anthropological text or as a seminal analysis of twenty four US global wars during the Cold War and post Cold War eras **America Unrivaled** G.

John Ikenberry,2002 American power today is without historical precedent dominating the world system No other nation has enjoyed such formidable advantages in military economic technological cultural and political capabilities How stable is this unipolar American order Will the age old dynamic of the balance of power reemerge as the other great powers rise up to challenge American preeminence **America Unrivaled** examines these questions The experts in this volume contend that full scale balancing in this new world order has not yet occurred They ask if a backlash against American dominance is just around the corner or if characteristics of the current situation alter or eliminate the entire logic of power balancing American power poses threats as do the likely responses to that power the experts argue in **America Unrivaled** The definition of these threats is critical to understanding future political trends and learning whether an original and stable world system has already come into existence Most of the contributors agree that novel features of the American hegemony and the wider global order make an automatic return to a traditional balance of power order unlikely **The American Journal of Islamic Social Sciences** ,2002 **Darfur** David Hoile,2008 In 2003 and 2004 Darfur became the epicentre of an

international crisis The three Darfur states the size of Texas lie in the largest African state Sudan Darfur itself has a complex

tribal ethnic and linguistic composition and the complexities of the conflict have been magnified by international and regional events But this is no excuse for the disinformation and confusion about Darfur This book analyses the causes and course of the war as well as the obstacles to peace In so doing it challenges accusations of genocide and racism made against the government of Sudan It is also critical of much of the simplistic and often inaccurate media coverage of the war Most important of all the book examines the road map to peace in Darfur
