

Farewell To Russia

John Vidor

Farewell To Russia:

Farewell to Russia Richard Hugo, R Hugo, 1989-02 **Farewell to Russia** Jim Williams, The unthinkable has happened at the Soviet nuclear plant at Sokolskoye An accident of such terrifying proportions of such catastrophic ecological and political consequence that a curtain of silence is drawn ominously over the incident Major Pyotr Kirov of the KGB is appointed to extract the truth from the treacherous minefield of misinformation and intrigue and to obtain from the West the technology essential to prevent further damage But the vital equipment is under strict trade embargo And in London George Twist head of a company which manufactures the technology is on the verge of bankruptcy and desperate to win the illegal contract Can he deliver on time Will he survive a frantic smuggling operation across the frozen wastes of Finland Can he wrong foot the authorities and his own conscience Is it possible to say farewell to Russia Farewell to Russia is the first of Jim Williams s astonishingly prophetic novels about the decline and fall of the Soviet Union *Farewell to Russia* Richard Hugo, 1987-01-01 *Farewell to Russia* William Henry Chamberlin, 1934 *The Other Side of Russia* Sharon Hudgins, 2004-04-21 Travel to post Soviet Siberia and the Russian Far East with author Sharon Hudgins as she takes readers on a personal adventure through the Asian side of Russia an area closed to most Westerners and many Russians prior to the 1990s Even today few people from the West have ridden the TransSiberian railroad in winter stood on the frozen surface of Lake Baikal feasted with the Siberian Buryats or lived in the highrise villages of Vladivostok and Irkutsk One of the few American women who has lived and worked in this part of the world Hudgins debunks many of the myths and misconceptions that surround this other side of Russia She artfully depicts the details of everyday life set within their cultural and historical context local customs foods and festivals as well as urban life the education system and the developing market economy in postSoviet Siberia and the Russian Far East Hudgin s prose shines in her colorful descriptions of multicourse meals washed down with champagne and vodka often eaten by candlelight when the electricity failed The author s accounts of hors d oeuvres made of sea slugs and roulades of raw horse liver will fascinate those with adventuresome tastes while her stories of hosting Spanish French and TexMex feasts will come as a surprise to anyone who thinks of Russia as a gastronomic wasteland Readers of *The Other Side of Russia* A Slice of Life in Siberia and the Russian Far East will find themselves among the guests at Christmas parties New Year s banquets Easter dinners and birthday celebrations They will experience the challenges of living in highrise apartment buildings often lacking water heat and electricity Above all Asian Russia s natural beauty thriving cities and proud people shine from the pages proving it is not only a land of harsh winters and vast uninhabited spaces but also home to millions of Russian citizens who live and work in modern metropolises and enjoy a rich cultural and social life **Goodbye Russia** Fiona Maddocks, 2024-01-02 The moving story of Rachmaninoff s years in exile and the composition of his last great work set against a cataclysmic backdrop of two world wars and personal tragedy In 1940 Sergei Rachmaninoff living in exile in America broke his creative silence and composed a swan song to his Russian

homeland his iconic Symphonic Dances What happened in those final haunted years and how did he come to write his farewell masterpiece Rachmaninoff left Petrograd now St Petersburg in 1917 during the throes of the Russian Revolution He was forty four years old at the peak of his powers as composer conductor performer moving in elite Tsarist circles as well as running the family estate his refuge and solace He had already written the music which today has made him one of the most popular composers of all time the second and third Piano Concertos and two symphonies The story of his years in exile in America and Switzerland has only been told in passing Reeling from the trauma of a life in upheaval he wrote almost no music and quickly had to reinvent himself as a f ted virtuoso pianist building up untold wealth and meeting the stars from Walt Disney and Charlie Chaplin to his Russian contemporaries and polar opposites Prokofiev and Stravinsky Yet the melancholy of leaving his homeland never lifted Using a wide range of sources including important newly translated texts Fiona Maddocks s immensely readable book conjures impressions of this enigmatic figure his friends and the world he encountered It explores his life as an emigr artist and how he clung to an Old Russia which no longer existed That forging of past and present meets in his Symphonic Dances 1940 his last composition written on Long Island shortly before his death in Beverly Hills surrounded by a close knit circle of exiles Goodbye Russia is a moving and prismatic look at Rachmaninoff and his iconic final work **Leaving Russia** Maxim D. Shrayer,2013-12-03 Narrated in the tradition of Tolstoy s confessional trilogy and Nabokov s autobiog raphy Leaving Russia A Jewish Story is a searing account of growing up a Jewish refusenik of a young poet s rebellion against totalitarian culture and of Soviet fantasies of the West during the Cold War Shrayer s remembrances ore set against a rich backdrop of politics travel and ethnic conflict on the brink of the Soviet empire s collapse His moving story offers generous doses of humor and tenderness counterbalanced with longing and violence

Farewell to Russia Garri D. Karolinsky,2017-04-20 The spring 0f 1914 The last peaceful spring in Russia and throughout the world The troops concentrate on the borders yet people continue to go about their usual chores love travel earn money make plans for the future but from the future to the many already wafted icy wind blown death Premonition of fatal war like a noonday shadow hovered over the world and where exactly to love the first shot it becomes not so important as the coming catastrophe for him As the novel ends the description of grandiose panoramas of European life on the eve of the first world war begun by the author in the Last peaceful yar 1913 *Moscow Farewell* George Feifer,1977 [Memoirs of Karoline Bauer](#) Karoline Bauer,1885 **Farewell My Beloved, Goodbye Dear Leader** Brigitte M. Wareham,2024-04-26 The only certainty in life is death Even the most powerful leaders throughout history were unable to cheat the Grim Reaper World leaders whether revered or reviled are rarely allowed to exit gracefully from life but instead receive a state funeral a major international event incorporating splendid symbols and messages religious faith and tradition The body of Tsar Alexander III was carried across half of Russia before finally being buried in St Petersburg People paid obscene amounts of money for a room that gave a glimpse of Queen Victoria s fascinating State funeral The cort ge for China s Empress Dowager

Cixi was not to be photographed nevertheless photos showed up a century later For political reasons Generalissimo Franco s body was exhumed decades after his death The world became acquainted with a rather unusual ancient Roman Catholic ritual when Pope John Paul I died The body of India s Indira Gandhi was confined to sacred flames The last journey of Marshal Tito turned into an event of Funeral Diplomacy whilst Khomeini s funeral ended in frenzy and tumult In 2021 the massive restrictions imposed due to the Covid 19 pandemic meant a rigid downsizing of Prince Philip s funeral hardly any guests were allowed to attend This revealing and entertaining book provides an insight into unique obsequies from across the world seen as both a celebration of life and the honouring of death

Death and Funeral Practices in Russia Sergei Mokhov, 2021-11-18 Built on original ethnographic research conducted by the author this book offers a highly detailed and comprehensive account of funerary history and practices in Russia Death and Funeral Practices in Russia provides rich data on mortality statistics trends in the funeral market in contemporary Russia the legal framework of funerary practices as well as regional and demographic disparities The first part of the book presents an in depth account of the historical development of funerary practice in Russia charting the emergence and evolution of funeral traditions and customs in the country from the Russian Empire to the collapse of the USSR Having explored the wider historical context surrounding funerary culture in Russia the second part of the book explores the key features of the funeral industry in post Soviet times highlighting critical changes and areas of continuity Topics explored include the death care industry in Russia the key features of the typical funeral in the country cemetery and crematorium provision the technicalities and legalities of burial and cremation and the illegal practices within the funeral market A truly unique offering the book is essential reading for academics policy makers and practitioners interested in the history and legal technical and professional aspects of the funerary industry in Russia

Farewell, Mother Russia Yakov Osipovich Serdiukov, 1967 **Russia's Orient** Daniel R. Brower, Edward J. Lazzerini, 1997-06-22 From a 1994 conference U of California Berkeley Borderlands Research Group participants present their findings based on unprecedented access to the hinterlands of what is the now the CIS Fourteen contributors provide context for the current self deterministic ethnic turmoil in Chechnya and elsewhere far from the Kremlin via discussions of tsarist colonial policies and historical heartland majority attitudes toward the ignoble savages and unfaithful subjects read Muslim of Russia s diverse Orient Annotation copyrighted by Book News Inc Portland OR **Memories & Impressions of War and Revolution in Russia, 1914-1917** Vasilii Iosifovich Gurko, 1918 *A Road Not Taken: A Teenage Memoir of Adventures in Russia* Pasquale De Marco, 2025-04-16 Embark on an extraordinary journey through the heart of Russia in *A Road Not Taken: A Teenage Memoir of Adventures in Russia* This captivating memoir offers a unique perspective on the challenges and rewards of navigating a foreign land as a young American teenager leaves behind the familiar comforts of home to immerse themselves in the vibrant tapestry of Russian culture and history With courage and an open mind the author embarks on an adventure that takes them from the bustling streets of Moscow to the architectural wonders of St

Petersburg and into the serene beauty of the Russian countryside Along the way they grapple with the challenges of adapting to a different culture embracing new customs and overcoming obstacles that arise from linguistic barriers and cultural misunderstandings Yet these challenges are met with resilience a willingness to learn and an unwavering appreciation for the unique experiences that Russia has to offer Through their journey the author gains not only a deeper understanding of Russian culture but also embarks on a profound journey of self discovery learning invaluable lessons about adaptability resilience and the power of human connection A Road Not Taken is more than just a travelogue it is an introspective exploration of the human spirit and the transformative power of embracing the unknown It is a celebration of the diversity that makes our world such a rich and vibrant place With its evocative storytelling and thought provoking insights this book invites readers to embark on their own journey of discovery encouraging them to embrace new experiences challenge their assumptions and cultivate a deeper appreciation for the world around them Throughout this captivating memoir the author's passion for Russia shines through every page They eloquently capture the beauty of the Russian landscape the warmth of the Russian people and the complexities of Russian history and culture A Road Not Taken is an unforgettable journey that will leave readers with a newfound appreciation for Russia and a renewed sense of wanderlust Whether you're a seasoned traveler a history buff or simply someone who enjoys a good story A Road Not Taken has something for everyone It is a timeless story of adventure resilience and the transformative power of embracing the unfamiliar Immerse yourself in the heart of Russia and let this book take you on a journey that will stay with you long after you finish the last page If you like this book write a review on google books [A Month in Russia During the Marriage of the Czarevitch](#) Edward Dicey, 1867

Spying in Russia John Vidor, 1929 **With Fire and Sword: An Historical Novel of Poland and Russia** Henryk Sienkiewicz, 1894-01-01 The year 1647 was that wonderful year in which manifold signs in the heavens and on the earth announced misfortunes of some kind and unusual events Contemporary chroniclers relate that beginning with spring time myriads of locusts swarmed from the Wilderness destroying the grain and the grass this was a forerunner of Tartar raids In the summer there was a great eclipse of the sun and soon after a comet appeared in the sky In Warsaw a tomb was seen over the city and a fiery cross in the clouds fasts were held and alms given for some men declared that a plague would come on the land and destroy the people Finally so mild a winter set in that the oldest inhabitants could not remember the like of it In the southern provinces ice did not confine the rivers which swollen by the daily melting of snows left their courses and flooded the banks Rainfalls were frequent The steppe was drenched and became an immense slough The sun was so warm in the south that wonder of wonders in Bratslav and the Wilderness a green fleece covered the steppes and plains in the middle of December The swarms in the beehives began to buzz and bustle cattle were bellowing in the fields Since such an order of things appeared altogether unnatural all men in Russia who were waiting or looking for unusual events turned their excited minds and eyes especially to the Wilderness from which rather than anywhere else danger might show itself At that time

there was nothing unusual in the Wilderness no struggles there nor encounters beyond those of ordinary occurrence and known only to the eagles hawks ravens and beasts of the plain For the Wilderness was of this character at that period The last traces of settled life ended on the way to the south at no great distance beyond Chigirin on the side of the Dnieper and on the side of the Dniester not far from Uman then forward to the bays and sea there was nothing but steppe after steppe hemmed in by the two rivers as by a frame At the bend of the Dnieper in the lower country beyond the Cataracts Cossack life was seething but in the open plains no man dwelt only along the shores were nestled here and there little fields like islands in the sea The land belonged in name to Poland but it was an empty land in which the Commonwealth permitted the Tartars to graze their herds but since the Cossacks prevented this frequently the field of pasture was a field of battle too How many struggles were fought in that region how many people had laid down their lives there no man had counted no man remembered Eagles falcons and ravens alone saw these and whoever from a distance heard the sound of wings and the call of ravens whoever beheld the whirl of birds circling over one place knew that corpses or unburied bones were lying beneath Men were hunted in the grass as wolves or wild goats All who wished engaged in this hunt Fugitives from the law defended themselves in the wild steppes The armed herdsman guarded his flock the warrior sought adventure the robber plunder the Cossack a Tartar the Tartar a Cossack It happened that whole bands guarded herds from troops of robbers The steppe was both empty and filled quiet and terrible peaceable and full of ambushes wild by reason of its wild plains but wild too from the wild spirit of men At times a great war filled it Then there flowed over it like waves Tartar chambuls Cossack regiments Polish or Wallachian companies In the night time the neighing of horses answered the howling of wolves the voices of drums and brazen trumpets flew on to the island of Ovid and the sea and along the black trail of Kutchman there seemed an inundation of men

Home Life in Russia, Volumes 1 and 2 [Dead Souls] Nikolai Vasilevich Gogol, 2022-08-15 In Home Life in Russia Volumes 1 and 2 Dead Souls Nikolai Vasilevich Gogol delves into the nuances of Russian society in the early 19th century This seminal work adopts a satirical tone to explore themes of bureaucracy social hierarchy and the moral dilemmas faced by individuals within the rigid class system Through richly detailed characterizations and vivid depictions of the societal landscape Gogol critiques the complacency and corruption that pervades provincial life employing a blend of realism and surrealism that invites readers into a world both familiar and grotesque The work stands as a touching portrait of the everyday struggles of ordinary Russians juxtaposed with the absurdities of their existence marking it as a cornerstone of Russian literature Nikolai Gogol a pivotal figure in Russian literature emerged from a Ukrainian background which influenced his keen observations of both the peasant and gentry classes in Russia His unique ability to distill the essence of human character informs the biting humor and poignant social commentary in his work Gogol's personal experiences including his own encounters with bureaucracy and a yearning for societal reform drive the narrative of Dead Souls a poignant reflection on identity and moral decay I highly recommend Home Life in Russia for anyone seeking a profound

understanding of Russian culture and literature Gogol s incisive commentary resonates beyond its historical context offering timeless insights into human folly and the quest for authenticity This dual volume is essential reading for scholars and casual readers alike as it captures the complexities of the human condition through an unmistakable lens of wit and empathy

Decoding **Farewell To Russia**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
