

Farewell Speech of Francis Marks 6 July, 2012.

Thank you for the unduly kind remarks that have been made this morning.

It is important to me that I acknowledge the wonderful help, encouragement and support that I have received over the last 19 years. For me, becoming a judge involved a steep learning curve. I hope I have learned well enough.

The acknowledgements that I wish to make are made in no particular order and are necessarily brief.

I have had a great deal of help from all of my colleagues, both past and present, during the last 19 years. Although, to some extent, judges work alone, except when participating in appellate benches, the ability to liaise with colleagues is an important part of judicial life.

I wish to also acknowledge the assistance and support provided by the succession of Registrars and all of the administrative staff of the Commission throughout the last 19 years. This acknowledgement extends also to the staff of my colleagues. What the parties in proceedings see is but a manifestation of an efficient and effective operation conducted through the Registry. Whilst all of the Industrial Registrars with whom I have worked have been excellent in all ways, the person with the outstanding talent as a humorous entertainer is Mick Grimson. He is a wonderful human being in every way, and I hope that he stays on as Registrar with this Tribunal or any of its possible manifestations for many years.

Judges work as part of a small, and essential team. As you can imagine, I have had a number of associates and research assistants over the years and all of them have helped me immensely. My current staff, Ruth Evatt and Lauren Fieldus, are no exception. I have kept in touch with a number of my previous staff and I look forward to following their successful careers. Thank you all for allowing me to function as effectively and efficiently as I have.

The court reporters are an integral part of the team that allows proceedings to be conducted efficiently and effectively. I have enjoyed wonderful relationships with the many proficient court reporters who have assisted me over the years. They have had to include both my bad

Stube, 2006-06-09 This title gives a thorough analysis of The Farewell Discourse John 13 17 which is a unique and climactic portion of John's Gospel that serves as a hinge on which the entire Gospel narrative pivots from Jesus' public ministry to his Passion Jesus is

Communal Holiness in the Gospel of John Musa Victor Mdabuleni Kunene,2012-06-14 In this book the author contends that communal holiness is the central theme of the vine metaphor in John 15 1 17 Illumination of the Johannine vine metaphor is illustrated by drawing on background information on the vine and its metaphorical usage in the Ancient Near East Old Testament and Second Temple Period and to suggest understanding in light of the communal holiness of the covenant people of God Comparing the themes of holiness and corporateness pertinent to the covenant the book also reflects the covenant with Israel in relation to John s understanding of the people of God The notion of covenant which embraces reference to the people of God as vine vineyard in the Old Testament and Second Temple Period underlies John s vine metaphor The book focuses research on ANE viticulture to determine the context s of when the vine was used to refer to Israel in a covenant relationship with God In this historical context the Johannine vine metaphor receives fresh meaning and relevance for the people of God

Speeches Rufus Daniel Isaacs Marquess of Reading,1926 **Acts** Judson Edwards,2008 Studying Acts may make readers feel as though they are stepping into a different world a world of miracles a world where God is alive and moving and doing remarkable things How can that world intersect ours How can the old story of people speaking in tongues and raising the dead come alive in a world where no one speaks in tongues and the dead stay dead How can Acts be relevant to our lives and our church In Acts the people who believe in Jesus are filled with the Holy Spirit and set about the business of gathering a community They have to decide how wide their tent is going to be and whom they re going to embrace so they give themselves to the task of breaking down walls Jesus is not just for Jews they decide He s for everyone They launch out spreading the word Paul becomes the focal point of the story and he and his friends move about the ancient world telling all kinds of people the good news about Jesus and his resurrection But there is opposition and Paul is imprisoned He is faithful even there though taking a stand before the government authorities By the time the drama of Acts ends Paul might be confined but his message most assuredly is not The gospel has been unleashed throughout that entire part of the world Gathering a community Breaking down walls Spreading the word Taking a stand These four phrases organize this study of Acts and guide readers through a world alive with God and God s mighty deeds And all of us who have drunk too deeply at the wells of reason and rationality will once again pause to wonder and stand rapt in awe Abraham in the Book of Jubilees

J.T.A.G.M. van Ruiten, J. van (Jacques) Ruiten, 2012-11-09 In *Abraham in the Book of Jubilees* Jacques van Ruiten offers a systematic analysis of one of the most important and extensive Second Temple Jewish treatments of the figure of Abraham Jub 11 14 23 8

The Passion According to Luke Jerome H. Neyrey SJ, 2007-05-01 Jerome Neyrey brings a remarkably enlightened approach to the Passion Narrative and to Luke's particular version of it The book begins where previous studies leave off for it goes beyond traditional questions of source and historicity and treats the Lukan Passion Narrative from the standpoint of redaction criticism Neyrey offers a fresh literary analysis of the text along with significant thematic and theological insights into Luke's version of Jesus's Passion Five major episodes in the Passion Narrative are treated The Farewell Address at the Last Supper the Garden Jesus's Trials his Address to the Women and the Crucifixion Although rich in detail this book continually offers a unified view of the text readers are constantly offered overviews summaries of the data and interpretation of it The book breaks new ground in suggesting a distinctive Lukan soteriology of the cross and a corresponding Christology Study of the faith of the dying Jesus becomes a major clue for seeing Jesus as the New Adam in Luke Acts This book significantly advances our reading of Luke especially by the way Acts is brought to bear as an interpretive clue to Luke's whole project Luke Acts Contemporary interpretation of Luke demands study of the way Lukan structures and themes are continued and confirmed in Acts which holds true especially for the Passion Narrative Luke brings the story of Jesus into harmony with the story of his church

Becoming John Kari Syreeni, 2018-10-18 In this new analysis of the Gospel of John Kari Syreeni argues that the gospel is a heavily reworked edition of an earlier Johannine work and that the original did not include Jesus' passion Syreeni theorizes that the original gospel ended at Chapter 12 with the notion of Jesus' disappearance from the world and that the passion narrative was incorporated by a later editor freely using the existing gospels of Mark and Matthew Syreeni suggests that the letters of John written after the predecessor gospels but before the final edition reveal a schism in the Johannine community that was caused by the majority faction's acceptance of Jesus' death and resurrection as it was then recorded in the new gospel By exploring the gospel's different means of legitimizing the passion story such as the creation of the Beloved Disciple to witness Jesus' passion and the foreshadowing of the resurrection of Jesus in the miracle of Lazarus Syreeni provides a bold and provocative case for a new understanding of John

The Spirit and Suffering in Luke-Acts Martin W. Mittelstadt, 2004-10-12 This work illuminates the tension between divine empowering and the neglected element of the work of the Spirit in contexts of opposition This lacuna not addressed in previous Pentecostal scholarship is at the heart of Mittelstadt's exegesis Thus Jesus not only lives and ministers in the power of the Holy Spirit but also experiences opposition and persecution as a man of the Spirit Further the Lukan Jesus not only transfers the Spirit to his disciples but also anticipates a similar fate for his followers Finally Luke forecasts that this divine enablement of the Spirit also available for future witnesses brings with it a similar anticipation of the same rejection and opposition as was experienced by Jesus and the disciples While Pentecostals owe a debt of gratitude for the pioneering work of Pentecostal scholars this book furthers their efforts by exploring the implications of Spirit led witness in Luke Acts

Christology and Discipleship in John 17 Marianus Pale Hera, 2013 Using the method of literary critical analysis to read the Johannine narrative Marianus Pale Hera underlines the profound relationship between the Johannine Christology and the Gospel's teaching on discipleship A narrative reading of selected passages from chapters 1-12 of John the prologue Jesus first disciples the first sign at Cana the man born blind and the I Am sayings indicates John's tendency to present christological teaching that leads to teaching on discipleship The reading of these passages also identifies the elements that indicate the christological character of Johannine discipleship The author's exegesis of John 17 confirms that John's teaching on Christology and discipleship are intimately interrelated to each other All the elements that indicate the christological character of discipleship are on display in John 17 The author concludes that Christology which is the center and heartbeat of John's thought is not an end in itself but leads to discipleship The twofold message of Christology and discipleship is a distinctive Johannine trait

Aspects of Coherency in Luke's Composite Christology Daniel Gustafsson, 2022-03-18 Luke has often been understood to transmit a variety of Christological traditions without reflecting on them in relation to each other In this study Daniel Gustafsson challenges such positions and demonstrates that when the Gospel of Luke is approached as a narrative a different picture emerges Presentations of Jesus as Messiah Son of God prophet and Son of Man are shown to conform to Luke's overall plot and significantly overlap each other The voices of characters with high authority

the use of Scripture and Jesus's relationship to the Holy Spirit are examples of other factors that contribute to coherency in Luke's Christology
