Farewell To God My Reasons For Rejecting The Christian Faith:

Farewell to God Charles Templeton, 2011-01-14 For more than twenty years Charles Templeton was a major figure in the church in Canada and the United States During the 1950s he and Billy Graham were the two most successful exponents of mass evangelism in North America Templeton spoke nightly to stadium crowds of up to thirty thousand people However increasing doubts about the validity of the Old Testament and the teachings of the Christian church finally brought about a crisis in his faith and in 1957 he resigned from the ministry In *Farewell to God* Templeton speaks out about his reasons for the abandonment of his faith In straightforward language Templeton deals with such subjects as the Creation fable racial prejudice in the Bible the identity of Jesus of Nazareth Jesus alienation from his family the second class status of women in the church the mystery of evil the illusion that prayer works why there is suffering and death and the loss of faith in God He concludes with a positive personal statement I Believe *The Gospel According to Christ* Mark A. Stelter, 2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ *The Gospel According to Christ* answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians **Pacifism and Pentecostals in South Africa** Marius Nel, 2018-06-27 Most of the early twentieth century Pentecostal denominations were peace churches that encouraged a stance of conscientious objection However since the Second World War Pentecostals have largely abandoned their pacifist viewpoint as they have taken on a more literal Biblical hermeneutic from their interaction with Evangelical denominations This book traces the history of nonviolence in Pentecostalism and suggests that a new hermeneutic of the Bible is needed by today's Pentecostals in order for them to rediscover their pacifist roots and effect positive social change The book focuses on how Pentecostalism has manifested in South Africa during the twentieth century Much of the available academic literature on hermeneutics and exegesis in the field of Pentecostal Studies is of an American or British European origin This book redresses this imbalance by exploring how the Bible has been used amongst African Pentecostals to teach on the apparent paradox of a simultaneously wrathful and loving God It then goes on to suggest that how the Bible is read directly affects how Pentecostals view their role as potential reformers of society So it must be engaged seriously and thoughtfully By bringing Pentecostalism's function in South African society to the fore this book adds a fresh perspective on the issue of pacifism in world Christianity As such it will be of great

use to scholars of Pentecostal Studies Theology and Religion and Violence as well as those working in African Studies

God's Future for Animals Raymond R. Hausoul, 2021-08-16 God loves animals and gives them a special place in creation So do animals also have a place in God's work of redemption Will there be animals on the new Earth Will we see our beloved pets in the afterlife This book takes up the challenge to think in a responsible way through these questions The author focuses in particular on the physical restoration the prophetic proclamation of the coming animal peace the attitude of God and humanity towards animals and the question of the relationship between biblical life the future of animals and vegetarianism What can the Bible and Christian doctrine reveal to us about God's way with animals *I Would Follow Jesus* Joseph Stowell, 2005-02-01 As Joseph Stowell steps down after eighteen years of noteworthy service as president of Moody Bible Institute it is appropriate that Moody Publishers commemorate his time at MBI with his reflections on loving serving proclaiming and becoming more like Jesus Arranged in sections named after Stowell's favorite hymns the beautifully bound keepsake book will be a treasure for years to come The book includes tributes from Christian leaders such as Billy Graham John Maxwell Max Lucado Nancy Leigh DeMoss Tony Evans John Piper Chuck Swindoll and John MacArthur **Saving Christianity?** Michael Youssef, 2020 A clear and frank exploration of the future of Christianity and whether it needs to be saved We live in confusing times Our society has shifted on its moral axis and many are asking whether Christianity needs to be reinvented or even reimagined in order to save it With Newsweek declaring The Decline and Fall of Christian America on its cover and The Daily Beast questioning Does Christianity Have a Future bloggers and Christian commentators are discussing whether we need a new kind of Christianity In Saving Christianity Dr Michael Youssef explores this train of thought and its pitfalls He describes how similar discussions in Christianity's recent past explored the very same question Saving Christianity will help you discern what is going on within the church while it reviews the essentials of the Christian faith as described in the Bible We dare not abandon this mere faith as Dr Youssef describes it because it is the light for all humanity and especially for those of us living in today's chaotic times After reading Saving Christianity you'll have a renewed confidence in the future of the church and the central place it will occupy for generations to come The Bible: Fact or Fable Harold Lerch P.E. Ret'd, 2018-11-06 Does the Bible explain our origins What about the Big Bang and Naturalism A worldwide flood An ark Eight people The Exodus Laws and another ark Sodom and Gomorrah myth Did the walls of Jericho come tumbling down Were the famous Bible characters real Virgin birth and resurrected Savior *Getting the Gospel Right - A Balanced View of Salvation Truth* Carl Gordon Olson, 2005-11 A revised and abridged edition of Beyond Calvinism and Arminianism An Inductive Mediate Theology of Salvation in Which theologian missiologist Olson gives the fruit of a 25 year theological pilgrimage His inductive focus on Scripture results in a middle view of salvation truth thus resolving polarized extremes This edition is much more readable and accessible for most Christians The exegetical methodology emphasizes context word studies and grammar of all relevant passages with extensive support for eternal security and refutation of

deterministic concepts of salvation In the foreword Dr Tim LaHaye refers to the incredible distribution of the academic edition which sold out in 3 years A revised academic edition is forthcoming in 2006 **Inner River** Kyriacos C.

Markides,2012-03-06 With his engaging blend of travelogue conversations with a wise and charismatic spiritual father and musings on the big questions of life and death Professor Markides takes us as companions on his journey of discovery The insights that he communicates with such enthusiasm are timely ones here at last is a writer who challenges the seeker after mystical understanding and Eastern spirituality to discover Christianity Dr Elizabeth Theokritoff independent scholar and co editor of The Cambridge Companion to Orthodox Christian Theology In Inner River Kyriacos Markides scholar researcher author and pilgrim takes us on a thrilling quest into the heart of Christian spirituality and mankind s desire for a transcendent experience of God From Maine s rugged shores to a Cypriot monastery to Greece s remote Mt Athos and ultimately to an Egyptian desert Markides encounters a diverse cast of characters that allows him to explore the worlds of the natural and the supernatural of religion and spirit and of the seen and the unseen Inner River will appeal to a wide range of readers from Christians seeking insights into their religion and its various expressions to scholars interested in learning more about the mystical way of life and wisdom that have been preserved in the heart of Orthodox spirituality Perhaps most important however is the bridge it offers contemporary readers to a Christian life that is balanced between the worldly and the spiritual **Godless** Dan Barker,2008-09-01 One man shares the story of his transformation from evangelical Christian to atheist and examines the train of thought that brought him there After almost twenty years of evangelical preaching missionizing and Christian songwriting Dan Barker threw out the bathwater and discovered that there is no baby In Godless Barker describes the intellectual and psychological path he followed in moving from fundamentalism to freethought Godless includes sections on biblical morality the historicity of Jesus biblical contradictions the unbelievable resurrection and much more It is an arsenal for skeptics and a direct challenge to believers Along the way Barker relates the positive benefit readers will experience from learning to trust in reason and human kindness instead of living in fear of false judgment and moral condemnation Advance Praise for Godless Valuable in the human story are the reflections of intelligent and ethical people who listen to the voice of reason and who allow it to vanquish bigotry and superstition This book is a classic example Christopher Hitchens author of God is Not Great The most eloquent witness of internal delusion that I know a triumphantly smiling refugee from the zany surreal world of American fundamentalist Protestantism is Dan Barker Richard Dawkins author of The God Delusion Godless was a revelation to me I don t think anyone can match the devastating clarity intensity and honesty which Dan Barker brings to the journey faith to reason childhood to growing up fantasy to reality intoxication to sobriety Oliver Sacks author of Musicophilia In Godless Barker recounts his journey from evangelical preacher to atheist activist and along the way explains precisely why it is not only okay to be an atheist it is something in which to be proud Michael Shermer publisher of Skeptic Magazine Godless is a fascinating memoir and a handbook for debunking theism But

most of all it is a moving testimonial to one man's emotional and intellectual rigor in acclaiming critical thinking Robert Sapolsky author of *Why Zebras Don't Get Ulcers* *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *The Philosophy of Taxation and Public Finance* Robert W. McGee, 2011-06-27 Most public finance books are texts which are aimed at undergraduate or graduate students They are overly technical in nature and appeal only to a narrow range of bureaucrats and academics Books on taxation are written for tax practitioners and usually emphasize either what the law is or how to maneuver through the labyrinth of tax law to minimize taxes for clients Philosophy books on taxation or public finance simply do not exist The Philosophy of Taxation and Public Finance is different It is written in nontechnical language and is aimed to appeal to a wide range of readers including practitioners academics and students in the fields of taxation public finance economics law philosophy and political science as well as general readers who are interested in learning why they are being taxed the way they are The author addresses the major issues and topics in taxation and public finance and injects them with philosophical insights He discusses questions such as What arguments have been used to justify taxation When is tax evasion unethical Are some taxes better than others What are the proper functions of government How much is enough Is the ability to pay concept valid When can punitive taxes be justified **They Like Jesus but Not the Church** Dan Kimball, 2009-05-26 Many people today especially among emerging generations don't resonate with the church and organized Christianity Some are leaving the church and others were never part of the church in the first place Sometimes it's because of misperceptions about the church Yet often they are still spiritually open and fascinated with Jesus This is a ministry resource book exploring six of the most common objects and misunderstandings emerging generations have about the church and Christianity The objections come from conversations and interviews the church has had with unchurched twenty and thirty somethings at coffee houses Each chapter raises the

objection using a conversational approach provides the biblical answers to that objection gives examples of how churches are addressing this objection and concludes with follow through projection suggestions discussion questions and resource listings

The Good Funeral Thomas G. Long, Thomas Lynch, 2013-01-01 Before long I began to understand that showing up being there helping in an otherwise helpless situation was made heroic by the same gravity I had sensed when I first stood in that embalming room as a boy the presence of the dead made the presence of the living more meaningful somehow as if it involved a basic and intuitively human duty to witness from Chapter 1 How We Come to Be the Ones We Are Two of the most authoritative voices on the funeral industry come together here in one volume to discuss the current state of the funeral Through their different lenses one as a preacher and one as a funeral director Thomas G Long and Thomas Lynch alternately discuss several challenges facing the good funeral including the commercial aspects that have led many to be suspicious of funeral directors the sometimes tense relationship between pastors and funeral directors the tendency of modern funerals to exclude the body from the service and the rapid growth in cremation The book features forewords from Patrick Lynch President of the National Funeral Directors Association and Barbara Brown Taylor highly praised author and preacher It is an essential resource for funeral directors morticians and pastors and anyone else with an interest in current funeral practices

Simply Jesus and You Joseph M. Stowell, 2010-04-14 Zero In on Him What would it mean to fix your attention fully on the Person of Christ To approach Him apart from systems formulas religion and well meaning Christian culture How would you be changed Former Moody Bible College President Joseph Stowell shows through dramatic stories and surprising insights how you can experience significant life change as you encounter Christ as never before And as your relationship with Him flourishes so will your love for the people around you the manifestation of His heart in yours A book intended for both spiritual seekers and believers who are ready for a fresh personal encounter with the Savior Combines the Joseph Stowell favorites The Final Question of Jesus and Simply Jesus You Need Jesus and a good reputation And a solid job And a few friends And some extra income And are distractions Soon you ve got it all with Jesus buried in the middle Meanwhile His heart longs for a deeper relationship with you Just you Would you dare strip away the etceteras to focus in on Him once again Be prepared If you answer yes it won t be about just the two of you under a beautiful sunset Soon it ll be about your spouse Your boss The grocery store clerk Jesus love will overflow in you affecting everyone in your life So dive in Draw near to Him and enjoy the etceteras He will bring you Story Behind the Book Joseph Stowell s Simply Jesus and The Final Question of Jesus are life changers They take a fresh look at themes familiar to the mature believer and also captivate those who have not yet come to know Christ as their Savior Simply Jesus and You carefully intertwines these two books whose messages go hand in hand For readers who have not yet discovered the stand alone books or for Stowell fans eager to cherish their favorites in a new package this book is sure to become a treasured classic

The Quotable Atheist Jack Huberman, 2008-03-03

Surprisingly no book of quotations on God and religion by atheists and agnostics exists Luckily for the millions of American

nonbelievers who have quietly stewed for years as the religious right made gains in politics and culture the wait is over Bestselling author Jack Huberman's zeitgeist sense has honed into the backlash building against religious fundamentalism and collected a veritable treasure trove of quotes by philosophers scientists poets writers artists entertainers and political figures His colorful cast of atheists includes Karen Armstrong Lance Armstrong Jules Feiffer Federico Fellini H L Mencken Ian McKellen Isaac Singer Jonathan Swift Ludwig Wittgenstein Virginia Woolf and the Marquis de Sade

Presbyterians and American Culture Bradley J. Longfield, 2013-01-01 This book provides a history of Presbyterians in American culture from the early eighteenth to the late twentieth century Longfield assesses both the theological and cultural development of American Presbyterianism with particular focus on the mainline tradition that is expressed most prominently in the Presbyterian Church U S A He explores how Presbyterian churches and individuals rooted in those churches influenced and were influenced by the values attitudes perspectives beliefs and ideals assumed by Americans in the course of American history The book will serve as an important introduction to Presbyterian history that will interest historians students and church leaders alike

Preserving Evangelical Unity Michael J. Meiring, 2009-10-01 The greatest challenge that faces the evangelical movement is the biblical admonition to preserve the unity of the Spirit Ephesians 4:3 The first part of Preserving Evangelical Unity Welcoming Diversity in Non Essentials will 1 help you to understand why the movement is fraught with divisions over doctrinal differences 2 guide you through the necessary steps to overcome disunity 3 attempt to maintain a balance between truth and unity The second part of the book is formatted in the same style of a multiple views book Here various evangelical scholars from around the globe discuss selected theological issues that have previously led to disunity within the movement such as predestination and free will the mode of baptism and the miraculous gifts of the Spirit

Chosen and Unchosen Joel N. Lohr, 2009-06-30 Winner of the 2011 RBY Scott Award from the Canadian Society of Biblical Studies Soci t  canadienne des  tudes bibliques The God of the Bible favors a national people Israel and this is at the cost of the other nations In fact not being Israel usually means humiliation or destruction or simply being ignored by God Reading the text with the grain or placing oneself within the chosen's perspective may seem very well until one considers the unchosen There is much regarding the unchosen that has not been explored in scholarly research but in this important work Lohr attempts to make sense of the question of election and nonelection in the OT as a Christian interpreter and with a concern for the history of interpretation and Jewish Christian dialogue He also corrects a Christian tendency to read election and nonelection as love and damnation respectively a perception that is altogether foreign to the OT itself The unchosen are important to the overall world view of Scripture and although election entails exclusion and God's love for the one people Israel is a love in contrast to others it does not follow that the unchosen fall outside of the economy of God's purposes his workings or his ways The unchosen often face important tests of their own and have a responsibility to God and the chosen however much this idea defies modern day notions of fairness It is a central idea of Scripture that already appears in the

original call of and promises made to Abram and something that if ignored places our larger understanding of God at risk. Equally important if contemporary faith communities both Jewish and Christian form their understanding of the other on a faulty reading of Scripture regarding the unchosen, chaos and hatred can ensue. The political and religious climate of our contemporary world has never presented a more important time to get this matter right. Scholars and students alike are finding Chosen and Unchosen to be an indispensable resource as they mull over these difficult questions. **Gender and Religion, 2nd Edition** Barbara Crandall, 2012-02-16. Impressive dossier on religion's impact on women's lives throughout history; this comprehensive new edition provides additional material on patriarchy and up-to-date figures on women's achievements.
