Farewell To Prague

Desmond Hogan

Farewell To Prague:

Farewell to Prague Miriam Darvas, 2001 *Farewell to Prague* is a memoir set against the turbulent events of the Nazi era in Germany and World War II England. It is the story of a girl who at the age of six witnesses a murder being committed by German Storm Troopers. From that moment the happy life she has known disintegrates. Her family escapes to Prague where they create a new life. Six years later the Germans march into Prague. Now she has to escape to England alone and on foot. She walks across the snow covered Tatar Mountains. By train, fishing boat and ship she finally manages to get to England. She comes of age there during the bombing of London. When the war ends she immediately returns to the Continent to discover the fate of her family. *Farewell to Prague* is a gripping true story that will fascinate and inspire readers of all ages. A

Farewell to Prague Desmond Hogan, 1995-01 *Farewell to Prague* Desmond Hogan, 2013-06-18 Following a crippling depression and institutionalization the writer Desmond wanders from his native Dublin around an increasingly unrecognizable Europe and as far as the southern United States assembling a patchwork of small stories, conversations, love affairs, memories, regrets and confrontations, the labyrinth of stories of people whose lives you touch so that your mind becomes like a polychromatic Irish pub. Whether a series of tragic postcards, a cubist novel or a memoir shorn of its connective tissue, *A Farewell to Prague* stands as Desmond Hogan's greatest achievement, a catalog of the moments that justify a life or shine a light on its emptiness. My Dear Boy Joanie Holzer Schirm, 2019-01-01 After the death of Joanie Holzer Schirm's parents in 2000 she found hundreds of letters held together by rusted paperclips and stamped with censor marks sent from Czechoslovakia, Great Britain, China and South and North America along with journals, vintage film, taped interviews and photographs. In working through these various materials documenting the life of her father Oswald Valdik Holzer she learned of her family history through his remarkable experiences of exile and loss, resilience and hope. In this posthumous memoir Schirm elegantly re-creates her father's youthful voice as he comes of age as a Jew in interwar Prague, escapes from a Nazi-held army unit, practices medicine in China's war-ravaged interior and settles in the United States to start a family. Introducing us to a diverse cast of characters ranging from the humorous to the menacing, Holzer's life story is an inspirational account of survival during wartime, a cinematic epic spanning multiple continents and ultimately a tale with a twist, a book that will move readers for generations to come. first published in 1863 State of Crisis Zygmunt Bauman, Carlo Bordon, 2014-07-17 Today we hear much talk of crisis and
comparisons are often made with the Great Depression of the 1930s but there is a crucial difference that sets our current
malaise apart from the 1930s today we no longer trust in the capacity of the state to resolve the crisis and to chart a new way
forward In our increasingly globalized world states have been stripped of much of their power to shape the course of events
Many of our problems are globally produced but the volume of power at the disposal of individual nation states is simply not
sufficient to cope with the problems they face This divorce between power and politics produces a new kind of paralysis It
undermines the political agency that is needed to tackle the crisis and it saps citizens belief that governments can deliver on
their promises The impotence of governments goes hand in hand with the growing cynicism and distrust of citizens Hence
the current crisis is at once a crisis of agency a crisis of representative democracy and a crisis of the sovereignty of the state
In this book the world renowned sociologist Zygmunt Bauman and fellow traveller Carlo Bordon explore the social and
political dimensions of the current crisis While this crisis has been greatly exacerbated by the turmoil following the financial
crisis of 2007 8 Bauman and Bordon argue that the crisis facing Western societies is rooted in a much more profound series
of transformations that stretch back further in time and are producing long lasting effects This highly original analysis of our
current predicament by two of the world s leading social thinkers will be of interest to a wide readership
