nature of the work only needs to look at the name of the tale's main redoubt The Castle of the Quest The language is purposefully archaic reveling in vocabulary drawn from the language's Anglo roots and the prose is lent a hypnotic quality by its lack of quotation marks to offset dialog and its short chapters characterized by a fairy tale narrative voice This book is part of the Standard Ebooks project which produces free public domain ebooks **Lloyd's Register of Yachts 1912**
