## **Farm Press Reform And Rural Change 1895 1920:**

*The Farm Press, Reform and Rural Change, 1895-1920* John J. Fry, 2005-04-27 This project contributes to our understanding of rural Midwesterners and farm newspapers at the turn of the century While cultural historians have mainly focused on readers in town and cities it examines Midwestern farmers It also contributes to the new rural history by exploring the ideas of Hal Barron and others that country people selectively adapted the advice given to them by reformers Finally it furthers our understanding of American farm newspapers themselves and offers suggestions on how to use them as sources

**Handbook to Life in America** Rodney P. Carlisle, 2009 Examines the history events and people of the early twentieth century in America

**The Rise and Fall of King Coal** Mark Aldrich, 2025-04-15 This book tells the story of the rise and decline of Old King Coal as the dominant source of energy and power in the United States from roughly the late eighteenth century to World War II More broadly put it is a book about the various energy transitions during these years but the emphasis is on coal as a source of fuel and power

**Encyclopedia of Populism in America** Alexandra Kindell, Elizabeth S. Demers Ph.D., 2014-02-27 This comprehensive two volume encyclopedia documents how Populism which grew out of post Civil War agrarian discontent was the apex of populist impulses in American culture from colonial times to the present The Populist Movement was founded in the late 1800s when farmers and other agrarian workers formed cooperative societies to fight exploitation by big banks and corporations Today Populism encompasses both right wing and left wing movements organizations and icons This valuable encyclopedia examines how ordinary people have voiced their opposition to the prevailing political economic and social constructs of the past as well how the elite or leaders at the time have reacted to that opposition The entries spotlight the people events organizations and ideas that created this first major challenge to the two party system in the United States Additionally attention is paid to important historical actors who are not traditionally considered Populist but were instrumental in paving the way for the movement or vigorously resisted Populism s influence on American culture This encyclopedia also shows that Populism as a specific movement and populism as an idea have served alternately to further equal rights in America and to limit them

**The University and the People** Scott M. Gelber, 2011-09-28 The University and the People chronicles the influence of Populism a powerful agrarian movement on public higher education in the late nineteenth century Revisiting this pivotal era in the history of the American state university Scott Gelber demonstrates that Populists expressed a surprising degree of enthusiasm for institutions of higher learning More fundamentally he argues that the mission of the state university as we understand it today evolved from a fractious but productive relationship between public demands and academic authority Populists attacked a variety of elites professionals executives scholars and seemed to confirm academia s fear of anti intellectual public oversight The movement s vision of the state university highlighted deep tensions in American attitudes toward meritocracy and expertise Yet Populists also promoted state supported higher education with the aims of educating the sons and sometimes daughters of ordinary

citizens blurring status distinctions and promoting civic engagement Accessibility utilitarianism and public service were the bywords of Populist journalists legislators trustees and sympathetic professors These academic populists encouraged state universities to reckon with egalitarian perspectives on admissions financial aid curricula and research And despite their critiques of college ivory towers Populists supported the humanities and social sciences tolerated a degree of ideological dissent and lobbied for record breaking appropriations for state institutions American Literature in Transition.

1910-1920 Mark W. Van Wienen,2017-12-28 American Literature in Transition 1910 1920 offers provocative new readings of authors whose innovations are recognized as inaugurating Modernism in US letters including Robert Frost Willa Cather T S Eliot Ezra Pound Gertrude Stein H D and Marianne Moore Gathering the voices of both new and established scholars the volume also reflects the diversity and contradictions of US literature of the 1910s Literature itself is construed variously leading to explorations of jazz the movies and political writing as well as little magazines lantern slides and sports reportage One section of thematic essays cuts across genre boundaries Another section oriented to formats drills deeply into the workings of specific media genres or forms Essays on institutions conclude the collection although a critical mass of contributors throughout explore long term literary and cultural trends where political repression race prejudice war and counterrevolution are no less prominent than experimentation progress and egalitarianism **Encyclopedia of**

**journalism. 6. Appendices** Christopher H. Sterling,2009-09-25 The six volume Encyclopedia of Journalism covers all significant dimensions of journalism including print broadcast and Internet journalism US and international perspectives history technology legal issues and court cases ownership and economics A New Heartland Janet Galligani

Casey,2009-04-16 This study investigates American rurality and modernity as mutually sustaining concepts and centres on women s engagement with those concepts The aim is to articulate a different mode of American modernism that signals meaning and appeal for women and to show how that mode responds to prevalent attitudes in the culture at large

Historical Dictionary of Journalism Ross Eaman,2009-03-02 Journalism is the discipline of gathering writing and reporting news and it includes the process of editing and presenting news articles Journalism applies to various media including but not limited to newspapers magazines radio television and the internet The word journalist started to become common in the early 18th century to designate a new kind of writer about a century before journalism made its appearance to describe what those writers produced Though varying in form from one age and society to another it gradually distinguished itself from other forms of writing through its focus on the present its eye witness perspective and its reliance on everyday language The Historical Dictionary of Journalism relates how journalism has evolved over the centuries This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on the different styles of journalism the different types of media and important writers and editors **The A to Z of Journalism**

Ross Eaman,2009-10-12 Journalism is the discipline of gathering writing and reporting news and it includes the process of

editing and presenting news articles Journalism applies to various media including but not limited to newspapers magazines radio television and the internet The word journalist started to become common in the early 18th century to designate a new kind of writer about a century before journalism made its appearance to describe what those writers produced Though varying in form from one age and society to another it gradually distinguished itself from other forms of writing through its focus on the present its eye witness perspective and its reliance on everyday language The A to Z of Journalism relates how journalism has evolved over the centuries This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on the different styles of journalism the different types of media and important writers and editors

**Beyond Bylines** Barbara M. Freeman, 2012-08-01 Beyond Bylines Media Workers and Women's Rights in Canada explores the ways in which several of Canada's women journalists broadcasters and other media workers reached well beyond the glory of their personal bylines to advocate for the most controversial women's rights of their eras To do so some of them adopted conventional feminine identities while others refused to conform altogether openly and defiantly challenging the gender expectations of their day The book consists of a series of case studies of the women in question as they grappled with the concerns close to their hearts higher education for women healthy dress reforms the vote equal opportunities at work abortion lesbianism and Aboriginal women's rights Their media reflected their respective eras intellectual magazines daily and weekly newspapers radio feminist public relations alternative women's periodicals and documentary film made for television Barbara Freeman takes an interdisciplinary approach combining biography history and communication studies to demonstrate how their use of different media both enabled and limited these women in their ability to be daring advocates for gender equality She shows how a number of these women were linked through the generations by their memberships in activist women's organizations

*A Prairie Faith* John J. Fry, 2024-02-06 What role did Laura Ingalls Wilder's Christian faith play in her life and writing The beloved Little House books by Laura Ingalls Wilder have sold over 60 million copies since their publication in the first half of the twentieth century Even her unpolished memoir Pioneer Girl which tells the true story behind the children's books was widely embraced upon its release in 2014 Despite Wilder's enduring popularity few fans know much about her Christian beliefs and practice John J. Fry shines a light on Wilder's quiet faith in this unique biography Fry surveys the Little House books Pioneer Girl and Wilder's lesser known writings including her letters poems and newspaper columns Analyzing this wealth of sources he reveals how Wilder's down to earth faith and Christian morality influenced her life and work Interweaving these investigations with Wilder's perennially interesting life story *A Prairie Faith* illustrates the Christian practices of pioneers and rural farmers during this dynamic period of American history Webster County Literacy Council Ella Dickey Literacy Award 2025 Foreword Reviews INDIES Book of the Year Award in Biography Finalist 2024

*Almost Pioneers* John Fry, 2013-08-06 In the fall of 1913 Laura and Earle Smith a young Iowa couple made the gutsy some might say foolhardy decision to homestead in Wyoming There they built their first house a claim

shanty half dug out of the ground hauled every drop of their water from a spring over a half mile away and fought off rattlesnakes and boredom on a daily basis Soon other families moved to nearby homesteads and the Smiths built a house closer to those neighbors The growing community built its first public schoolhouse and celebrated the Fourth of July together although the festivities were cut short because of snow By 1917 however the Smiths had moved back to Iowa leasing their land to a local rancher and using the proceeds to fund Earle s study of law The Smiths lived in Iowa for most of the rest of their lives and sometime after the mid 1930s Laura wrote this clear vivid witty and self deprecating memoir of their time in Wyoming a book that captures the pioneer spirit of the era and of the building of community against daunting odds The Biographical Dictionary of Iowa David Hudson, Marvin Bergman, Loren Horton, 2009-05 Iowa has been blessed with citizens of strong character who have made invaluable contributions to the state and to the nation In the 1930s alone such towering figures as John L Lewis Henry A Wallace and Herbert Hoover hugely influenced the nation s affairs Iowa s Native Americans early explorers inventors farmers scholars baseball players musicians artists writers politicians scientists conservationists preachers educators and activists continue to enrich our lives and inspire our imaginations Written by an impressive team of more than 150 scholars and writers the readable narratives include each subject s name birth and death dates place of birth education and career and contributions Many of the names will be instantly recognizable to most Iowans others are largely forgotten but deserve to be remembered Beyond the distinctive lives and times captured in the individual biographies readers of the dictionary will gain an appreciation for how the character of the state has been shaped by the character of the individuals who have inhabited it From Dudley Warren Adams fruit grower and Grange leader to the Younker brothers founders of one of Iowa s most successful department stores The Biographical Dictionary of Iowa is peopled with the rewarding lives of more than four hundred notable citizens of the Hawkeye State The histories contained in this essential reference work should be eagerly read by anyone who cares about Iowa and its citizens Entries include Cap Anson Bix Beiderbecke Black Hawk Amelia Jenks Bloomer William Carpenter Philip Greeley Clapp Gardner Cowles Sr Samuel Ryan Curtis Jay Norwood Darling Grenville Dodge Julien Dubuque August S Duesenberg Paul Engle Phyllis L Propp Fowle George Gallup Hamlin Garland Susan Glaspell Josiah Grinnell Charles Hearst Josephine Herbst Herbert Hoover Inkpadduta Louis Jolliet MacKinlay Kantor Keokuk Aldo Leopold John L Lewis Marquette Elmer Maytag Christian Metz Bertha Shambaugh Ruth Suckow Billy Sunday Henry Wallace and Grant Wood Excerpt from the entry on Gallup George Horace November 19 1901 July 26 1984 founder of the American Institute of Public Opinion better known as the Gallup Poll whose name was synonymous with public opinion polling around the world was born in Jefferson Iowa A New Yorker article would later speculate that it was Gallup s background in utterly normal Iowa that enabled him to find nothing odd in the idea that one man might represent statistically ten thousand or more of his own kind In 1935 Gallup partnered with Harry Anderson to found the American Institute of Public Opinion based in Princeton New Jersey an opinion polling firm that included a

syndicated newspaper column called America Speaks The reputation of the organization was made when Gallup publicly challenged the polling techniques of The Literary Digest the best known political straw poll of the day Calculating that the Digest would wrongly predict that Kansas Republican Alf Landon would win the presidential election Gallup offered newspapers a money back guarantee if his prediction that Franklin Delano Roosevelt would win wasn't more accurate Gallup believed that public opinion polls served an important function in a democracy If government is supposed to be based on the will of the people somebody ought to go and find what that will is Gallup explained **Frances Ellen Watkins Harper** Michael Stancliff,2010-09-13 This book traces long and prolific career of prominent early feminist abolitionist and civil rights advocate Frances Ellen Watkins Harper It explores her radical egalitarian vision in all its rich rhetorical and historic context and establishes the lasting relevance of that vision for civil rights and human rights workers today **Negotiating Motherhood in Nineteenth-Century American Literature** Mary McCartin Wearn,2007-11-13 By examining maternal figures in the works of diverse authors such as Harriet Beecher Stowe Nathaniel Hawthorne Frederick Douglass Harriet Jacobs and Sarah Piatt this book exposes the contentious but fruitful negotiations that took place in the heart of the American sentimental era negotiations about the cultural meanings of family womanhood and motherhood *The Gay Liberation Youth Movement in New York* Stephan Cohen,2007-11-21 Between 1966 and 1975 North American youth activists established over 35 school and community based gay liberation youth groups whose members sought control over their own bodies education and sexual and social relations This book focuses on three groundbreaking New York City groups Gay Youth GY Street Transvestite Action Revolutionaries S T A R and the Gay International Youth Society of George Washington High School GWHS from the advent of gay liberation in NYC in 1969 to just after its dissolution and the rise of identity politics by 1975 Cohen examines how gay liberation with its rejection of stultifying sex roles attack on institutional oppression connection between personal and political liberation celebration of innate androgyny and resolute anti war and anti capitalist stance shaped understandings of sexual identity membership criteria organization decision making the roles of youth and adults and efforts to effect social change **Hollywood and Anticommunism** John J. Gladchuk,2013-10-11 This work concentrates on tracing the evolution of the so called red menace phenomenon as a means of demonstrating the correlation between growing American paranoia and the success of the anticommunist campaign 1935 1955 The House Committee on Un American Activities 1947 investigation of Hollywood the nation's most visible industry served a critical role in conjuring up anti red hysteria and fanning the flames of virulent anticommunism Using conveniently unjust tactics the Committee painted targeted Hollywood personalities red and established the infamous blacklist certified proof in the minds of many that subversives were indeed conspiring from within A failed attempt on behalf of the Hollywood Ten to demonstrate the Committee's undemocratic nature allowed HUAC to forge ahead with its investigation and establish the anticommunist foundation upon which Joseph McCarthy would construct his campaign Hollywood and Anticommunism stands as an

important contribution to McCarthy era literature and should appeal to all interested in the early Cold War and the impact that unwarranted hysteria has had and continues to have on the growth and development of the nation      **Gender and the American Temperance Movement of the Nineteenth Century** Holly Berkley Fletcher, 2007-12-12 Through an examination of the two icons of the nineteenth century American temperance movement the self made man and the crusading woman Fletcher demonstrates the evolving meaning and context of temperance and gender      *US Textile Production in Historical Perspective* Susan Ouellette, 2007-11-21 This book explores the development of a provincial textile industry in colonial America It is a social history of cloth making that also employs the economic and political elements of Massachusetts Bay to tell their story
