Committee on Agriculture, Nutrition, and Forestry,1977 Total Loss Farm: A Year in the Life Raymond Mungo,2014-06-01 In making her selection for Pharos Editions Dana Spiotta tells us how drawn she was by the work of Raymond Mungo He writes about his own joy and his own pain he is particularly good when he describes the land around him and how it feels on his body Indeed if Henry David Thoreau had downed a handful of liberty caps before penning Walden it would have read much like Mungo s Total Loss Farm a rollicking memoir of the late 1960 s back to the earth movement Written in a limber prose style formed by the tempo of the times Mungo takes us into the cultural tsunami of a failed radical politics as it broke on the shoals of a drug fueled personal freedom and washed inland across the farmlands of Vermont leaving a trail of damage and redemption in its wake Total Loss Farm attracted widespread critical and commercial attention in 1970 when the back to the land hippie commune movement first emerged The book s first section Another Week on the Concord and Merrimack Rivers appeared as the cover article in the May 1970 issue of Atlantic Monthly The hardcover first edition from Dutton was quickly followed by paperback editions from Bantam Avon and Madrona Publishers keeping the book in print for several decades Very recently Dwight Garner in the New York Times Book Review cited Total Loss Farm as the best and also the loopyest of the commune books United States Census of Agriculture, 1959 ,1961 *Recollections and Experiences of a Horse, Cattle, and Farm Machinery Dealer, Auctioneer, Car*

Salesman and Farmer W.A. IRWIN, 2015-06-18 In this book I m writing about memories and experiences in my life from back in the 40 s to present day It has been a great time to be alive and we had great places to live We farmed and ran our auction business in Bruce County Ontario for a few years after college but the lure of lower priced land enticed us to move to Prince Edward Island where we lived for 25 years In later years we found that the markets for livestock seemed to be drying up on the Island as the potato industry grew We decided to move back to Bruce County so it was coming home for us We bought a farm between Port Elgin and Southampton and have been here 18 years now This book is a collection of short stories to do with our lives in these areas as well as our travels in the United States Like it mentions on the cover these stories have to do with my experiences as a horse cattle and farm machinery dealer as an auctioneer car salesman farmer as well as quite a few other random stories
