Farokh Engineer Maurice Southwell,2005-06-01 The story of the Lancashire and India wicketkeeper batsman Farokh Engineer one of the game's great characters and entertainers **My Take** LK Advani,2021-01-19 L K Advani's blogs cut across generations for his contemporaries they have a recall value For the young Indian restless to do his bit in shaping the future of his country Advani's blogs provide a rare insight into history They take him through the turmoil and toil of leaders like Sardar Patel and their distinctive contribution in shaping today's India Advani's blogs have a dual purpose they mirror an era gone by and yet link its relevance to an India raring to take on the world The blogs therefore successfully merge two eras one to which Advani himself belongs with another which sees him as a mentor That Advani has been a consequential politician is a given As a protagonist in the political playfield spanning decades he along with Atal Behari Vajpayee not only formed the Bharatiya Janata Party but transformed it dramatically If the BJP is nationally in the reckoning today it is because of the Atal Advani vision of bringing it centre stage from the margins It is through this journey that he redefined secularism During his historic yatras including the Ramjanambhoomi and Somnath to Ayodhya the country was compelled to redefine secularism and distinguish it from the pseudo secularism being handed down by adversaries But that is only one part The other and more significant is Advani's contribution in setting and elevating standards in public life and hammering that they be followed That he has led from the front is well known The strength of Advani's blogs like his persona is that they are direct candid and forthright There is no soft pedaling issues or minimizing the blow as it were He has stated facts as they are and made no attempt to either underplay or exaggerate any sequence His writings are as clear as his mind The blogs offer a wide range history politics books and all else To those who have a stake in India's political future Advani's blogs are an effective guide for others an interesting read *Berkmann's Cricketing Miscellany* Marcus Berkmann,2019-07-11 Marcus Berkmann author of the cricket classics Rain Men and Zimmer Men returns to the great game with this irresistible miscellany of cricketing trivia stories and more fascinating facts than Geoffrey Boycott could shake a stick of rhubarb at Which England captain smoked two million cigarettes in his lifetime Which Australian captain asked what his favourite animal was said Merv Hughes What did Hitler think of cricket Which National Hunt trainer had a dog called Sobers Who was described in his obituary as perhaps the only unequivocally popular man in Yorkshire No other sport is so steeped in oddness and eccentricity There's the only Test player ever to be executed for murder the only first class cricketer to die on the Titanic and the only bestselling author to catch fire while playing at Lord's It was Sir Arthur Conan Doyle The ball hit a box of matches in his pocket All cricket is here including an XI entirely made up of players who share their names with freshwater fish [The Shorter Wisden 2023](#) Lawrence Booth,2023-04-20 The most famous sports book in the world Wisden Cricketers Almanack has been published every year since 1864 The selected writings from the 160th edition contained in this eBook offer trenchant opinion compelling features and an authoritative voice on the worldwide game The Shorter Wisden is a compelling

to play short form tournaments in the West Indies the UAE and elsewhere The IPL has expanded but Australia's Big Bash is contracting the 2023 men's Ashes were concentrated into a tiny window but The Hundred continues to dominate Is there still hope for Test cricket in this tumultuous sporting landscape Turbervill recalls the poignancy of the final Test of the English summer at The Oval in 2022 and describes how the match could be seen as a metaphor for the demise of the longer game As cricket fans seem divided in the sport's own version of the culture wars traditionalists refusing to accede territory pragmatists wanting to achieve a healthy balance and progressives conceding the change Turbervill asks cricketers commentators and writers about the future of Test cricket With guest appearances including David Gower Graham Gooch Merv Hughes Reece Topley and many more this book reveals if Test cricket can truly survive the next decade *Himmat*, 1974

Commentary & Commentators Ravi Chaturvedi, 2019-11-16 I have been handed the new ball and asked to bowl the opening spell in this book of Cricket Commentary and Commentators It was always my ambition to play Test cricket for India but I was allergic to grass A pity because I would have been the silliest mid on to have played Test cricket My long leg would have been a sensation There have never been swingers to match mine I used to be such an agile fielder that a piece of music Third Man Theme was composed as a tribute On the serious side as a commentator I was always fascinated by how cricket commentary began While the journey of cricket commentary is fairly well recorded in Australia and England the information on the subject in other eight Test playing countries is scanty This book Cricket Commentary Commentators is a humble attempt to weave together threads scattered in different areas and diverse directions The scope of the book has been enlarged to include not just commentators but even anchors presenters scorers and statisticians while making it a compendium on commentary With these opening remarks I urge you the reader to move forward
