By Charles Lee Lewis, Etc. [With Plates, Including Portraits.]* United States Naval Institute (ANNAPOLIS, Md.),David Glasgow FARRAGUT,Charles Lee LEWIS (Associate Professor, United States Naval Academy.),1941 **David Glasgow Farragut** Charles Lewis,2014-04-18 The second volume of this authoritative biography of America s first admiral examines the last ten years of David Glasgow Farragut s life which included the ever fascinating period of the Civil War Farragut was as carefully methodical in preparation for battle as he was fearlessly swift in the execution of his plans In Our First Admiral the reader will learn of gross inefficiency and waste in the conduct of war in the North as well as the South of jealous ambition and malicious criticism of lukewarm support of the government lack of cooperation between the Army and Navy and the inroads upon morale made by war weariness and disease all of which tried Farragut s courage as much as the enemy in battle Farragut was a practical resourceful leader with vision and intuition a rare combination a courageous hard hitting fighter who hated war and a deeply religious man with an exuberant spirit and love of fellowship who was also exceedingly loyal to the Navy and his country Though he was small in physical stature Farragut was tall indeed in the fundamental characteristics of true manhood **The Life of David Glasgow Farragut, First Admiral of the United States Navy** Loyall Farragut,1879 **Full Speed Ahead!** Louise Borden,2021-11-02 Discover the man behind everyone s favorite call to action Full speed ahead in this inspiring and engaging biography about the first Admiral of the United States Navy David Glasgow Farragut At the age of nine David Glasgow Farragut was appointed a midshipman in the US Navy by President James Madison It was the start of a celebrated career Farragut sailed aboard ships along the Delaware River in the Caribbean and across the Atlantic Ocean even rounding the tip of South America all while rising through the naval ranks from midshipman to admiral When the Civil War began Captain Farragut dedicated his life to protecting the United States as it was being torn in two When President Lincoln asked him to capture New Orleans the city Farragut once called home and later to take Mobile Bay the officer had only one order for his fleet Full speed ahead Noted nonfiction writer Louise Borden s in depth research uncovers a man dedicated to his country a man who earned the title of America s first admiral **Admiral David Glasgow Farragut** Chester G. Hearn,1998 No admiral in America s Civil War fought with more distinction than David Glasgow Farragut the first admiral of the U S

Navy Yet despite being considered by historians the most important American naval officer before World War II no substantial biography of Farragut has been published in more than fifty years Noted historian Chester Hearn s use of previously untapped family and archival records make this long anticipated study worth waiting for His history not only fully describes Farragut s extraordinary naval exploits but also his lifelong involvement with Capt David Porter his foster father and David Dixon Porter his foster brother making this the most complete and illuminating picture ever assembled of one of America s greatest naval heroes Focusing primarily on the Civil War Hearn uses recently discovered family correspondence to detail Farragut s relationships with the elder Porter who signed up Farragut as a seagoing midshipman in the U S Navy at the age of nine and with Porter s son the only other full admiral to emerge from the Civil War Under the senior Porter s tutelage Farragut by the age of thirteen had participated in more action during the War of 1812 than many of the Navy s senior officers Farragut s legendary leadership is showcased in Hearn s thrilling description of the Battle of Mobile Bay The author s detailed chronicle of Farragut s command of the West Gulf Blockading Squadron crowned by the capture of New Orleans and Port Hudson reestablishes Farragut s nearly forgotten legacy David Glasgow Farragut Charles Lee Lewis,1943 **The Life of David Glasgow Farragut** Loyall Farragut,2015-08-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Life of David Glasgow Farragut, First Admiral of the United States Navy* Loyall Farragut,2015-08-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We
