Fast Food Fast Track Immigrants Big Business And The American Dream:

Fast Food, Fast Track Jennifer Parker Talwar, 2009-09-09 Hailing from China the Caribbean Latin America and India a colorful sea of faces has taken its place behind one of the most ubiquitous American business institutions the fast food counter They have become a vital link between the growing service sector in our cities ethnic enclaves and the multi billion dollar global fast food industry For four years sociologist Jennifer Parker Talwar went behind the counter herself and listened to immigrant fast food workers in New York City s ethnic communities They talked about balancing their low paying jobs and monotonous daily reality with keeping the faith that these very jobs could be the first step on the path to the American Dream In this original and compelling work of ethnography Talwar shows that contrary to those arguing that the fast food industry only represents an increasing homogenization of the American workforce fast food chains in immigrant communities must and do adapt to their surroundings

Fast Food, Fast Track Jennifer Parker Talwar, 2018-03-05 Praise for Fast Food Fast Track A fine ethnography with both theoretical and advocative significance representing the best qualitative sociology Choice Explores the intimate realities and behind the scenes exchanges of a multiethnic work force serving the typical American meal Through a lively narrative and insightful stories Jennifer Parker Talwar gives a full sense of what it s like to live in both a global economy and a local culture Sharon Zukin author of *The Cultures of Cities* No longer just pocket money for American teens wages paid by multinational fast food chains are going to a new generation of order takers burger flippers and basket fryers newly arrived immigrants hailing from China the Caribbean Latin America and India a colorful sea of faces has taken its place behind one of the most ubiquitous American business institutions the fast food counter They have become a vital link between the growing service sector in our cities ethnic enclaves and the multi billion dollar global fast food industry For four years sociologist Jennifer Parker Talwar went behind the counter herself and listened to immigrant fast food workers in New York City s ethnic communities They talked about balancing their low paying jobs and monotonous daily reality with keeping the faith that these very jobs could be the first step on the path to the American Dream In this original and compelling work of ethnography Talwar shows that contrary to those arguing that the fast food industry only represents an increasing homogenization of the American workforce fast food chains in immigrant communities must and do adapt to their surroundings

Encyclopedia of Junk Food and Fast Food Andrew F. Smith, 2006-08-30 Eating junk food and fast food is a great all American passion American kids and grownups love their candy bars Big Macs and supersized fries Doritos Twinkies and Good Humor ice cream bars The disastrous health effects from the enormous appetite for these processed fat and sugar loaded foods are well publicized now This was particularly dramatically evidenced by Super Size Me 2004 filmmaker Morgan Spurlock s 30 day all McDonald s diet in which his liver suffered the same poisoning as if he had been on an extended alcohol binge Through increased globalization American popular food culture is being increasingly emulated elsewhere in the world such as China with the potential for similar disastrous consequences This A to Z reference is the first

to focus on the junk food and fast food phenomena from a multitude of angles in addition to health and diet concerns More than 250 essay entries objectively explore the scope of the topics to illuminate the American way through products corporations and entrepreneurs social history popular culture organizations issues politics commercialism and consumerism and much more Interest in these topics is high This informative and fascinating work with entries on current controversies such as mad cow disease and factory farming the food pyramid movie tie ins and marketing to children will be highly useful for reports research and browsing It takes readers behind the scenes examining the significance of such things as uniforms training packaging and franchising Readers of every age will also enjoy the nostalgia factor learning about the background of iconic drive ins the story behind the mascots facts about their favorite candy bar and collectables Each entry ends with suggested reading Besides an introduction a timeline glossary bibliography resource guide and photos enhance the text Sample entries A Advertising Automobiles Ben Burger King Carhops Center for Science in the Public Interest Christmas Cola Wars Employment Fair Food Fast Food Nation Hershey Milton Hollywood Injury Krispy Kreme Lobbying Nabisco Obesity PepsiCo Salt Soda Fountain Teen Hangouts Vegetarianism White Castle Yum Brands Inc Fast Food Andrew F. Smith,2016-04-15 The single most influential culinary trend of our time is fast food It has spawned an industry that has changed eating the most fundamental of human activities From the first flipping of burgers in tiny shacks in the western United States to the forging of neon signs that spell out Pizza Hut in Cyrillic or Arabic scripts the fast food industry has exploded into dominance becoming one of the leading examples of global corporate success And with this success it has become one of the largest targets of political criticism blamed for widespread obesity cultural erasure oppressive labor practices and environmental destruction on massive scales In this book expert culinary historian Andrew F Smith explores why the fast food industry has been so successful and examines the myriad ethical lines it has crossed to become so As he shows fast food plain and simple devised a perfect retail model one that works everywhere providing highly flavored calories with speed economy and convenience But there is no such thing as a free lunch they say and the costs with fast food have been enormous an assault on proper nutrition a minimum wage labor standard and a powerful pressure on farmers and ranchers to deploy some of the worst agricultural practices in history As Smith shows we have long known about these problems and the fast food industry for nearly all of its existence has been beset with scathing expos s boycotts protests and government interventions which it has sometimes met with real changes but more often with token gestures blame passing and an unrelenting gauntlet of lawyers and lobbyists Fast Food ultimately looks at food as a business an examination of the industry s options and those of consumers and a serious inquiry into what society can do to ameliorate the problems this cheap and tasty product has created *Fast Food and Junk Food* Andrew F. Smith,2011-12-02 This fascinating and revealing work examines the incredible power of junk food and fast food how nostalgic we are about them the influence of the companies that manufacture or sell them and their alarming effect on our country s state of health In the last half century

junk food and fast food have come to play an extremely important role in American economic historical cultural and social life Today they have a major influence on what Americans eat and how healthy we are or aren't Fast Food and Junk Food An Encyclopedia of What We Love to Eat tells the intriguing fun and incredible stories behind the successes of these commercial food products and documents the numerous health related environmental cultural and politico economic issues associated with them With more than 700 alphabetically arranged entries this two volume encyclopedia contains enough listings to allow readers to research a wide range of fascinating topics The author treats the massive amount of subject material within this reference title in a fair and balanced manner A secondary focus of this encyclopedia is to chart the spread of some American fast food chains and commercially produced junk foods internationally

International Migration and Security Elspeth Guild,Joanne van Selm,2005-03-31 This book investigates value assessments regarding migrants in Europe the USA Canada and Australia While looking at issues such as security human

rights legal systems identity racism welfare health and labour **Hispanic Spaces, Latino Places** Daniel D. Arreola, 2009-07-21 Hispanics Latinos are the largest ethnic minority in the United States but they are far from being a homogenous group Mexican Americans in the Southwest have roots that extend back four centuries while Dominicans and Salvadorans are very recent immigrants Cuban Americans in South Florida have very different occupational achievements employment levels and income from immigrant Guatemalans who work in the poultry industry in Virginia In fact the only characteristic shared by all Hispanics Latinos in the United States is birth or ancestry in a Spanish speaking country In this book sixteen geographers and two sociologists map the regional and cultural diversity of the Hispanic Latino population of the United States They report on Hispanic communities in all sections of the country showing how factors such as people s country culture of origin length of time in the United States and relations with non Hispanic society have interacted to create a wide variety of Hispanic communities Identifying larger trends they also discuss the common characteristics of three types of Hispanic communities those that have always been predominantly Hispanic those that have become Anglo dominated and those in which Hispanics are just becoming a significant portion of the population **Unfree Labour?** Aziz Choudry, Adrian A. Smith, 2016-08-15 Over the past decade Canada has experienced considerable growth in labour migration Moreover temporary labour migration has replaced permanent immigration as the primary means by which people enter Canada Utilizing the rhetoric of maintaining competitiveness Canadian employers and the state have ushered in an era of neoliberal migration alongside an agenda of austerity flowing from capitalist crisis Labour markets have been restructured to render labour more flexible and precarious and in Canada as in other high income capitalist labour markets employers are relying on migrant and immigrant workers as unfree labour This book explores labour migration to Canada and how public policies of temporary and guest worker programs function in the global context of work and capitalist restructuring Contributors are directly engaged with the issues emerging from the influx of temporary foreign workers and Canada s creeping economic apartheid the ongoing racialization of economic inequality for many workers of colour The collection also examines how migrant and immigrant workers have organized for justice and dignity in Canada As opposed to a good deal of current writing that often ignores the working conditions and struggles of racialized migrant and immigrant workers the authors contend that migrant workers labour organizations and migrant worker allies have engaged in a wide range of organizing initiatives with significant political and economic impacts These have included both court challenges to secure legal rights to unionization and grassroots alternatives to traditional forms of unionization through workers centres Contributors include Aziz Choudry Adrian A Smith Sedef Arat Ko Abigail B Bakan Joey Calugay Jennifer Jihye Chun Jill Hanley Jah Hon Koo Mostafa Henaway Deena Ladd Marco Luciano Lo c Malhaire Adriana Paz Ramirez Geraldina Polanco Chris Ramsaroop Eric Shragge Sonia Singh Christopher C Sorio and Mark Thomas **American Made** Harold Livesay, 2016-11-03 American Made is a best selling collection of biographical sketches that introduces key trends of American business The book details

American business through time by presenting the history of people who forever changed the way that Americans do business Harold Livesay maintains clarity and intellectual acumen while highlighting two themes globalization and the impact of information technology on business This edition includes updated stories of its hallmark historical business figures with the latest scholarship as well as additional biographies of figures that have redefined American business in recent years

Paradise Laborers Patricia A. Adler, Peter Adler, 2018-08-06 Resorts have become important to American society and its economy one in eight Americans is now employed by the tourism industry Yet despite the ubiquity of hotels little has been written about those who labor there Drawing on eight years of participant observation and in depth interviews the renowned ethnographers Patricia A Adler and Peter Adler reveal the occupational culture and lifestyles of workers at five luxury Hawaiian resorts These resorts employ a workforce that is diverse in gender class ethnicity and nationality Hawaiian resort workers like those in nearly all resorts consist of four groups New immigrants hold difficult and dirty low status jobs for little pay Locals provide an authentic Polynesian flavor for guests a ready pool of youthful high turnover employees and a population trapped in a place that offers few occupational alternatives Managers tend to be middle class college educated young and middle aged men from the mainland whose lifestyles are occupationally transient Seekers mostly young white and from the mainland as well escape to paradise seeking adventure warmth extreme sports or some alternate life experiences The Adlers describe the work lives and careers of these four groups that labor in organizations that never close with shifts scheduled around the clock and around the year *Paradise Laborers* adds to the growing interest in the global flow of labor as these immigrant workers display different trends in gendered opportunities and mobility than those exhibited by other groups The authors propose a political economy of tourist labor in which they compare the different expectations and rewards of organizations employees and local labor markets

Immigration and Work Jody Agius Vallejo, 2015-04-01 This volume investigates how larger structural inequalities in sending and receiving nations immigrant entry policies group characteristics and micro level processes such as discrimination and access to ethnic networks shapes labor market outcomes workplace experiences and patterns of integration among immigrants and their descendants
