Go Fast Go Faster J. F. McDermott, 2025-05-05 *Go Fast Go Faster* is a tender funny and deeply moving story of a father's love for his daughter and how together they continue to triumph over tragedy In November of 1995 birth trauma left James McDermott's daughter Mariel profoundly brain injured physically disabled and unable to care for herself This event started him on a journey of love and compassion for her and others who face similar challenges Ever an energetic and tenacious person James immediately rose to the occasion transforming nearly overnight from a self-described slightly self-centred ex athlete to a passionate advocate for disability rights Determined to create a meaningful and empowered life for his beautiful daughter he stood bravely in the face of people and systems that devalued her and others like her Using humour and positivity to cope through hard times James dedicated himself to improving the lives of people with developmental disabilities fighting for both their inclusion and their health In 2017 he invented the CareChanger a device he built for his daughter that will revolutionize personal care for wheelchair users In this book James honours both his adventures with Mariel from clever Halloween costumes to a memorable Vegas vacation and the many people who have touched her life through their compassion and care We also get to meet the Glorious Golfers a wonderful story about friendship overcoming adversity and being inspired by inclusion

Gig John Bowe, Marisa Bowe, Sabin Streeter, 2001-08-21 An engaging humorous revealing and refreshingly human look at the bizarre life threatening and delightfully humdrum exploits of everyone from sports heroes to sex workers Douglas Rushkoff author of *Coercion Ecstasy Club* and *Media Virus* This wide ranging survey of the American economy at the turn of the millennium is stunning surprising and always entertaining It gives us an unflinching view of the fabric of this country from the point of view of the people who keep it all moving The more than 120 roughly textured monologues that make up *Gig* beautifully capture the voices of our fast paced and diverse economy The selections demonstrate how much our world has changed and stayed the same in the three decades prior to the turn of the millennium If you think things have speeded up become more complicated and more technological you re right But people s attitudes about their jobs their hopes and goals and disappointments endure *Gig* s soul isn t sociological it s emotional The wholehearted diligence that people bring to their work is deeply inexplicably moving People speak in these pages of the constant and complex stresses nearly all of them confront on the job but nearly universally they throw themselves without reservation into coping with them Instead of resisting work we seem to adapt to it Some of us love our jobs some of us don t but almost all of us are not quite sure what we would do without one With all the hallmarks of another classic on this subject *Gig* is a fabulous read filled with indelible voices from coast to coast After hearing them you ll never again feel quite the same about how we work **WordPress**
