## Fasti Of Ovid:

**Fasti** Ovid, 1998-05-21 Book IV of the *Fasti* Ovid's celebration of the Roman calendar and its associated legends is the book of April and honours the festivals of Venus Cybele Ceres and their cult as well as the traditional date of the foundation of Rome and many religious and civic anniversaries Elaine Fantham accompanies her commentary with a revised text and an extended introduction Besides including surveys of language style versification and textual transmission the introduction looks at the shifting generic traditions of Greek and Roman elegy and situates Ovid's composite poem in its Augustan literary and historical context Other sections explain the recurring religious astronomical and dynastic material of the *Fasti* It has been a particular concern to relate features of Book IV to the other books of the *Fasti* and to Ovid's other elegiac works and the *Metamorphoses*

**Ovid, Fasti** Ovid, 2013-04-11 Ovid's poetical calendar of the Roman year is both a day by day account of festivals and observances and their origins and a delightful retelling of myths and legends associated with particular dates from back cover

*Ovid: Fasti Book 3* S. J. Heyworth, 2019-05-16 Presents a clear and detailed guide to a central book of the *Fasti* Ovid's account of Rome and its calendar

**Playing with Time** Carole Elizabeth Newlands, 1995 Ovid's *Fasti* unlike his *Metamorphoses* is anchored in Rome religion history and legend monuments and character The poem interprets the Augustan period not as a golden age of peace and prosperity Carole E Newlands asserts but as an age of experimentation negotiation compromise and unresolved tensions Newlands maintains that despite the *Fasti*'s basic adherence to the format of the calendar the text is carefully constructed to reflect the tensions within its subject the new Roman year Ovid plays with the calendar Through the alteration or omission of significant dates through skilled juxtapositions through multiple narrators and the development of an increasingly unreliable authorial persona Ovid opens to a critical and often humorous scrutiny the political ideology of the calendar By adding astronomical observations and aetiological explanations for certain constellations Newlands says Ovid introduced the richly allusive world of Greek mythology to the calendar Newlands restores the poem to a position of importance one displaying Ovid's wit and intellect at its best The incompleteness of the *Fasti* she adds is a comment on the discord that characterized Augustus later years and led to enforced silences

**Ovid's Fasti** Ovid, 1995-04-22 In her extended introduction Nagle offers illuminating information and commentary This verse translation internally glossed for clarification is as accurate as modern English will allow Highly recommended Choice An excellent rendition in English of Ovid's poetic calendar of the Roman religious year with an original introduction and useful notes as well as a glossary The translation is elegant and geared to the modern reader The Journal of Indo European Studies This elegant translation brings Ovid's poetic calendar of the Roman religious year to a new generation of students and scholars A valuable source of information about the Roman calendar it complements Ovid's masterwork the *Metamorphoses*

Green,2004 This commentary provides a detailed analysis of the first book of Ovid s Fasti a complex poem which takes as its

central framework the Roman calendar in the late Augustan early Tiberian period and purports to deal with its religious festivals and their origins Book I covers the month of January and has proven to be particularly challenging to readers in light of the apparent revision reworking of the text undertaken by the poet whilst in exile This commentary the most extensive yet on any single book of the poem locates the text of Book I firmly in its literary historical and socio political contexts and seeks both to incorporate and build on the recent scholarship on the poem In light of the special nature of Book I the commentary is prefaced by two introductory sections the second of which tackles head on the problems and dynamics of post exilic reworking of the text
