Find Your Calling Love Your Life:

Conversations about Calling Valerie Myers, 2013-07-18 *Conversations about Calling* explores management perspectives of the calling construct Using Max Weber's seminal work *The Protestant Ethic and the Spirit of Capitalism* as a starting point Myers seeks to enrich management perspectives of calling by integrating the contributions of other disciplines to the literature on calling While the word calling is casually used as shorthand for my ideal job the calling concept has provoked deeper and varied interest among the secular and spiritual circles of both scholars and practitioners Structured around the idea of four conversations the book aims to promote a holistic examination of calling Each conversation has a different focus elucidating important dimensions of calling and together they provide a truly comprehensive view Part I of the book examines existing conversations in management while part II explores calling across disciplines and eras from the 1500s to the present Finally part III unifies all conversations in a comprehensive theory then discusses its application and implications for practitioners and organizations With a strong theoretical grounding the book also incorporates practical applications supported by case studies Anyone interested in ethics or management and spirituality will benefit from reading this book Please visit www.conversationsaboutcalling.com to rate the book and write a review

(Volume 2 of 2) (EasyRead Super Large 20pt Edition) , God Live! , No Greater Love, No Greater Sacrifice Jeremiah F. Stephens,2020-02-09 The poems contained in this book were all written at key points in my life In essence each poem served as a source of inspiration to get me through dark times and remind me of my dependency on the grace of God Each piece included in this book focuses on salvation and who you are in God You may notice that some of these pieces have a unique flow and structure that one would normally associate with lyrics to a song and such pieces can be converted to contemporary Gospel songs Because of the connection between these poems and my heart I feel these are my most personal work This book is the first of more to come I hope that in reading these short pieces you too can be inspired to believe I believe these poems will inspire you no matter where you may find yourself in life as they will serve to remind you that you are somebody because God values you The greatest message God ever proclaimed to humanity was through the sacrifice of His Son Jesus through His death upon the cross We live in a world that does not value human dignity a world that treats
